Texas Ranger In The Oil Patch:

Texas Ranger in the Oil Patch John Mansel Wood, 1994 The Texas Rangers in Transition Charles H. Harris, Louis R. Sadler, 2019-04-25 Official Texas Ranger Bicentennial Publication Newly rich in oil money and all the trouble it could buy Texas in the years following World War I underwent momentous changes and those changes propelled the transformation of the state's storied Rangers Charles H. Harris III and Louis R. Sadler explore this important but relatively neglected period in the Texas Rangers history in this book a sequel to their award winning *The Texas Rangers and the Mexican Revolution The Bloodiest Decade 1910 1920* In a Texas awash in booze and oil in the Prohibition years the Rangers found themselves riding herd on gamblers and bootleggers but also tasked with everything from catching murderers to preventing circus performances on Sunday *The Texas Rangers in Transition* takes up the Rangers story at a time of political turmoil as the largely rural state was rapidly becoming urban At the same time law enforcement was facing an epidemic of bank robberies an increase in organized crime the growth of the Ku Klux Klan Prohibition enforcement new challenges that the Rangers met by transitioning from gunfighters to criminal investigators Steeped in tradition reluctant to change the agency was reduced to its nadir in the depths of the Depression the victim of slashed appropriations an antagonistic governor and mediocre personnel Harris and Sadler document the further and final change that followed when in 1935 the Texas Rangers were moved from the governor's control to the newly created Department of Public Safety This proved a watershed in the Rangers history marking their transformation into a modern law enforcement agency the elite investigative force that they remain to this day **Texas Rangers** Bob Alexander, Donaly E. Brice, 2017-07-15 Authors Bob Alexander and Donaly E. Brice grappled with several issues when deciding how to relate a general history of the Texas Rangers Should emphasis be placed on their frontier defense against Indians or focus more on their role as guardians of the peace and statewide law enforcers What about the tumultuous Mexican Revolution period 1910 1920 And how to deal with myths and legends such as One Riot One Ranger Texas Rangers Lives Legend and Legacy is the authors answer to these questions a one volume history of the Texas Rangers The authors begin with the earliest Rangers in the pre Republic years in 1823 and take the story up through the Republic Mexican War and Civil War Then with the advent of the Frontier Battalion the authors focus in detail on each company A through F relating what was happening within each company concurrently Thereafter Alexander and Brice tell the famous episodes of the Rangers that forged their legend and bring the story up through the twentieth century to the present day in the final chapters Glen Rose Moonshine Raid, The Martin Brown, 2017 With hills studded with whiskey stills and cisterns brimming over with beer Glen Rose operated in concerted defiance of one of Prohibition's chief champions Governor Pat Neff In 1923 Neff dispatched Texas Rangers and undercover agents to do the job of the unwilling local law enforcement More than fifty men were arrested including the sheriff and the county prosecutor Outraged the town's most prominent citizens stalked the Rangers and their agents assassinating the primary operative in an ambush and further

escalating the affair Author Martin Brown follows the frenzy of the raid and its aftermath

Time of the Rangers Mike Cox,2025-09-23 The second installment of a no holds barred look at the history of the famed Texas Rangers from western author Mike Cox Following up on his magnificent history of the 19th century Texas Rangers Mike Cox now takes us from 1900 through the present From horseback to helicopters from the frontier cattle days through the crime ridden boom or bust oil field era from Prohibition to World War II espionage to the violent ethnic turbulence of the 50s and 60s which sometimes led to demands that the Texas Rangers be disbanded Cox takes readers through the modern history of the famed Texas lawmen Cox s position as a spokesperson for the Texas department of Public Safety allowed him to comb the archives and conduct extensive personal interviews to give us this remarkable account of how a tough group of horse borne lawmen too prone to hand out roadside justice critics complained to one of the world s premier investigative agencies respected and admired worldwide At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Oilfield Trash Bobby D. Weaver,2010-08-24 Oilfield Trash is written in a charming flowing style that any reader will enjoy In Weaver s capable hands the gypsy lives of a generation of young men unfold on the rigorous stage of drilling fields Paul Spellman author of Spindletop Boom Days

Texas Ranger Tales II Mike Cox,1999-06-30 Texas Ranger Tales II continues the amazing saga of the legendary Rangers with new stories that include accounts from the days when Big Foot Wallace legendary Ranger hero was a serious force to be reckoned with little know but extraordinary tales of twentieth century Rangers and an entertaining look at theatrical portrayal of the acclaimed Rangers including early radio hero The Lone Ranger and the very popular television show of today Walker Texas Ranger

"Lone Wolf" Gonzauillas, Texas Ranger Brownson Malsch,1998 Captain M T Lone Wolf Gonzauillas 1st ed includes bibliographical references index

Geology of Petroleum William Harvey Emmons,1921

Gunfights & Sites in Texas Ranger History Mike Cox,2015-09-07 Since colonizer Stephen F Austin proposed hiring ten rangers for the common defense in 1823 the Texas Rangers have protected the Lone Star State from its enemies with dedication and fortitude All across Texas are places where Rangers made history From the Alamo to nearly forgotten graves and battle sites important landmarks in the story of these legendary lawmen lie in every corner of the state Historian and author Mike Cox reveals history hiding in plain sight and true tall tales of the world famous Texas Rangers

Texas Ranger Tales Mike Cox,1997-04 They were men who could not be stampeded said the late Colonel Homer Garrison Jr of the men who wore the badge of the Texas Rangers Colonist Stephen F Austin during the earliest days of Anglo settlement in Texas wrote that he would employ 10 men to act as rangers for the common defense and thus the famous Texas Rangers came into being An important part of Texas history these few good men were distinguished unique even among themselves and soon even mythical The myths and traditions surrounding the Rangers have endured and

evolved Today the Texas Rangers are among the most respected law enforcement agencies in the world **Oil, Paint and Drug Reporter and New York Druggists' Price Current** ,1919 Vols include the proceedings some summarized some official stenographic reports of the National Wholesale Druggists Association called 18 1882 Western Wholesale Druggists Association and of other similar organizations *American Globe* ,1917 The WPA Guide to Texas Federal Writers' Project,2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country s shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state s unique flavor Equaling the massive size of the state the WPA Guide to Texas is just as expansive at 716 pages From the Panhandle to the Rio Grande Valley The Lone Star State s landscape is as varied as its political and cultural past Having been under the control of six different nations flags the history section is particularly rich The guide also includes a helpful list of books about the state *Ross Sterling, Texan* Ross S. Sterling,Editor Kilman,2010-01-01 Born on a farm near Anahuac Texas in 1875 and possessed of only a fourth grade education Ross Sterling was one of the most successful Texans of his generation Driven by a relentless work ethic he become a wealthy oilman banker newspaper publisher and from 1931 to 1933 one term governor of Texas Sterling was the principal founder of the Humble Oil and Refining Company which eventually became the largest division of the ExxonMobil Corporation as well as the owner of the Houston Post Eager to preserve a narrative record of his life and deeds Ross Sterling hired Ed Kilman an old friend and editorial page editor of the Houston Post to write his biography Though the book was nearly finished before Sterling s death in 1949 it never found a publisher due to Kilman s florid writing style and overly hagiographic portrayal of Sterling In this volume by contrast editor Don Carleton uses the original oral history dictated by Ross Sterling to Ed Kilman to present the former governor s life story in his own words Sterling vividly describes his formative years early business ventures and active role in developing the Texas oil industry He also recalls his political career from his appointment to the Texas Highway Commission to his term as governor ending with his controversial defeat for reelection by Ma Ferguson Sterling s reminiscences constitute an important primary source not only on the life of a Texan who deserves to be more widely remembered but also on the history of Houston and the growth of the American oil industry Tracking the Texas Rangers Bruce A Glasrud,Harold J. Weiss Jr.,2013-09-15 Tracking the Texas Rangers The Twentieth Century is an anthology of fifteen previously published articles and chapter excerpts covering key topics of the Texas Rangers during the twentieth century The task of determining the role of the Rangers as the state evolved and what they actually accomplished for the benefit of the

state is a difficult challenge The actions of the Rangers fit no easy description There is a dark side to the story of the Rangers during the Mexican Revolution for example some murdered with impunity Others sought to restore order in the border communities as well as in the remainder of Texas It is not lack of interest that complicates the unveiling of the mythical force With the possible exception of the Alamo probably more has been written about the Texas Rangers than any other aspect of Texas history Tracking the Texas Rangers covers leaders such as Captains Bill McDonald Lone Wolf Gonzallas and Barry Caver accomplished Rangers like Joaquin Jackson and Arthur Hill and the use of Rangers in the Mexican Revolution Chapters discuss their role in the oil fields in riots and in capturing outlaws Most important the Rangers of the twentieth century experienced changes in investigative techniques strategy and intelligence gathering Tracking looks at the use of Rangers in labor disputes in race issues and in the Tejano civil rights movement The selections cover critical aspects of those experiences organization leadership cultural implications rural and urban life and violence In their introduction editors Bruce A Glasrud and Harold J Weiss Jr discuss various themes and controversies surrounding the twentieth century Rangers and their treatment by historians over the years They also have added annotations to the essays to explain where new research has shed additional light on an event to update or correct the original article text A Handbook of the Petroleum Industry
David Talbot Day,1922

The Enigmatic Realm of **Texas Ranger In The Oil Patch**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Texas Ranger In The Oil Patch** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of people who partake in its reading experience.
