Texas Terrorhelltown:

Flames After Midnight Monte Akers, 1999 What happened in Kirven Texas in May 1922 has been forgotten by the outside world It was only a co worker s whispered words Kirven is where they burned the Negroes that set Monte Akers on a quest to find out what happened and more important why After years of following clues found in old newspaper clippings NAACP reports and the memories of the few remaining witnesses who would talk Akers here pieces together the story of a young white woman s brutal murder and the burning alive of three black men who were almost certainly innocent of it This was followed by a month long reign of terror as white men hunted down and killed blacks while local authorities concealed the real identity of the white probable murderers and allowed them to go free Akers paints a vivid portrait of a community desolated by race hatred and its own refusal to face hard truths

about the murder or to worry that the name of their town would become the nation's shorthand for hate crimes. From the initial investigation through the trials and their aftermath, *A Death in Texas* tells the story of the infamous Byrd murder as seen through the eyes of enlightened Sheriff Billy Rowles. What he sees is a community forced to confront not only a grisly crime but also antebellum traditions about race. Drawing on extensive interviews with key players, journalist Dina Temple Raston introduces a remarkable cast of characters from the baby-faced killer Bill King to Joe Tonahill, Jasper's white patriarch who can't understand the furor over the killing. There's also James Byrd, the hard-drinking victim with his own dark past, the prosecutor and defense attorneys, and Bill King's father, who is dying of a broken heart as he awaits his son's execution. Just as Bernard Lefkowitz pulled back the curtain on Glenridge, New Jersey, in his classic work *Our Guys*, Temple Raston goes behind the scenes in Jasper, Texas, to tell the story of a town where racism and evil made itself at home. **Texas Lightning**

Dusty Richards, Velda Brotherton, 2023-06-07

The toughest sheriff in Texas is about to meet his match. Outlawry Fire: Murder. An arsonist is on the loose in Saddle County, Texas, burning down ranch houses with the families still asleep in their beds, including children. When the local mercantile is set on fire and his town threatened, it's the last straw for Sheriff Dell Hoffman, who sets out on an all-out manhunt to run down the perpetrator. He's joined in the pursuit by young Rose Parsons, a bounty hunter with the temper of an angry badger and the trigger finger to match. She has her own reasons for tracking down the man she's come to call the Fire Starter. Her mother was one of his victims, and Rose has vowed to take his head in for the bounty if it's the last thing she ever does. Together, they set out on a high-stakes, hellbent-for-leather chase across the Staked Plains of the vast Texas Panhandle. But no matter how hard they ride, neither Dell nor Rose are able to run the rampaging psychopath to ground. Desperate to put an end to this fiery trail of destruction and murder, they recruit a posse of the toughest hombres around to lend a hand. It's a rough and rowdy outfit to be sure, including an Apache tracker, two outlaws, and a few of the toughest lawmen this side of the Red River, but they put their differences aside for the common good. On the vast plains of Texas, though, lightning can strike without warning. Can they run this outlaw to ground before he kills again? Or will he elude them once again and burn down everything they know and love before they can stop him. Terror by Night

Terry Caffey, 2011-10-12

At 3:00 a.m. on March 1, 2008, Terry Caffey awoke to find his daughter's boyfriend standing in his bedroom with a gun. An instant later, the teen opened fire, killing Terry's wife, his two sons, and wounding him 12 times before setting the house ablaze. Terry fell into deep depression and planned to kill himself, but God intervened. Upon visiting his burned-out property, Terry noticed a scorched scrap of paper from one of his wife's books leaning against a tree trunk. The page read: "God, I couldn't understand why You would take my family and leave me behind to struggle along without them. And I guess I still don't totally understand that part of it. But I do believe that You're sovereign. You're in control. That page was like a direct message from God, and it turned Terry's life around. Now, one year later, Terry is remarried, the adoptive father of two young sons, and working to rebuild his relationship with his 17-year-old daughter, who is currently serving two life

Texas True Crime Miscellany Clay Coppedge, 2021-07-26 Outrageous acts of villainy have slowly drifted out of the national limelight and into the dustbin of Texas history. Consider the uproar over the 1879 shooting of actor Maurice Barrymore in Marshall and the 1949 murder of oil field legend Tex Thornton in Amarillo. The 1909 Coryell County Courthouse massacre committed by a sixteen-year-old girl remains just as shocking today. For the long suffering associates of repeat offenders like Fort Worth's Flapper Bandit or Temple's International Man of Mystery, notoriety couldn't fade quickly enough. From the lawless days of the frontier to the rise of organized crime, Clay Coppedge sifts through eighteen obscure case files to chart the evolution of crime and punishment in the state.

I, the People Gary Taylor, 2012 The Chicken Ranch was the one great festering frustrating sore on the face of law enforcement in Texas. The year was 1973. The State of Texas had just elected a new reform-minded governor and attorney general. And Houston's ABC TV affiliate station at Channel 13 had just launched a new consumer-oriented investigative feature by hiring flamboyant former lawman Marvin Zindler to seize the spotlight. The roads from those disparate events crossed quickly in dramatic fashion to national acclaim in the Texas Hill Country village of La Grange, which had harbored the country's longest continually operating bordello, a little place known as the Chicken Ranch and beloved to generations of Texas school boys. When Zindler's sensational TV expose forced the Chicken Ranch to close, it triggered a national controversy that raged for years, highlighted by the creation of a successful Broadway musical called *The Best Little Whorehouse in Texas*. The movie version starred Burt Reynolds and Dolly Parton in the fictionalized account that boiled the story down to a basic theme still used in its marketing pitch: Texas madam Miss Mona and her sheriff boyfriend try to save her chicken ranch from a TV muckraker. But lost amid the romanticized singing and the dancing and the nostalgic pining of *The Best Little Whorehouse in Texas* lies an authentic true crime history yarn just as entertaining and as much a part of the Lone Star State's many fabled legends. In *I, the People*, veteran Houston journalist and author Gary Taylor recreates the real story behind the closing of the Chicken Ranch and explains the forces that unleashed TV icon Marvin Zindler upon the national scene.

ReviewsMidwest Book Review The famed

film *Best Little Whorehouse in Texas* had its roots in reality but its charm wears thin when it has connections to organized crime. In the People How Marvin Zindler Busted the Best Little Whorehouse in Texas is Gary Taylor's coverage of the story that tells of fellow journalist Marvin Zindler's personal crusade against the famous brothel the Chicken Ranch and the puppet strings of the Mafia behind it. For those who want the true story behind the story *I the People* is well worth considering. *POD People* You may have heard of the Chicken Ranch AKA The Best Little Whorehouse in Texas from the musical or the movie of the later name. Well Gary Taylor intrepid Texan journalist has the real story. Taylor has a wonderful eye for character and the Chicken Ranch story is full of them. This book is a fascinating look at characters from an era when Texas transitioned itself from the Wild West to civilization. I highly recommend *I the People*. [Long Dark Road](#) Ricardo C. Ainslie, 2009-07-21 On a long dark road in deep East Texas James Byrd Jr was dragged to his death behind a pickup truck one summer night in 1998. The brutal modern day lynching stunned people across America and left everyone at a loss to explain how such a heinous crime could possibly happen in our more racially enlightened times. Many eventually found an answer in the fact that two of the three men convicted of the murder had ties to the white supremacist Confederate Knights of America. In the ex-convict ringleader Bill King whose body was covered in racist and satanic tattoos people saw the ultimate monster someone so inhuman that his crime could be easily explained as the act of a racist psychopath. Few if any asked or cared what long dark road of life experiences had turned Bill King into someone capable of committing such a crime. In this gripping account of the murder and its aftermath Ricardo Ainslie builds an unprecedented psychological profile of Bill King that provides the fullest possible explanation of how a man who was not raised in a racist family who had African American friends in childhood could end up on death row for viciously killing a black man. Ainslie draws on exclusive in-prison interviews with King as well as with Shawn Berry another of the perpetrators, King's father, Jasper residents and law enforcement and judicial officials to lay bare the psychological and social forces as well as mere chance that converged in a murder on that June night. Ainslie delves into the whole of King's life to discover how his unstable family relationships and emotional vulnerability made him especially susceptible to the white supremacist ideology he adopted while in jail for lesser crimes. With its depth of insight *Long Dark Road* not only answers the question of why such a racially motivated murder happened in our time but it also offers a frightening cautionary tale of the urgent need to intervene in troubled young lives and to reform our violent racist breeding prisons. As Ainslie chillingly concludes far from being an inhuman monster whom we can simply dismiss Bill King may be more like the rest of us than we care to believe. **Abandoned South Texas** Shane Steeves, Jessica Steeves, 2020 Series statement from publisher's website
