Mary L. Scheer

Texian Iliad A Military History Of The Texas Revolution:

Texian Iliad Stephen L. Hardin, 2010-03-01 Winner T R Fehrenbach Book Award Texas Historical Commission Summerfield G Roberts Award Sons of the Republic of Texas Honorable Mention Certificate of Commendation American Association for State and Local History Hardly were the last shots fired at the Alamo before the Texas Revolution entered the realm of myth and controversy French visitor Frederic Gaillardet called it a Texian Iliad in 1839 while American Theodore Sedgwick pronounced the war and its resulting legends almost burlesque In this highly readable history Stephen L Hardin discovers more than a little truth in both of those views Drawing on many original Texan and Mexican sources and on site inspections of almost every battlefield he offers the first complete military history of the Revolution From the war s opening in the Come and Take It incident at Gonzales to the capture of General Santa Anna at San Jacinto Hardin clearly describes the strategy and tactics of each side His research yields new knowledge of the actions of famous Texan and Mexican leaders as well as fascinating descriptions of battle and camp life from the ordinary soldier s point of view This award winning book belongs on the bookshelf of everyone interested in Texas or military history

Texian Iliad Stephen L. Hardin, 1996 Winner T R Fehrenbach Book Award Texas Historical Commission Summerfield G Roberts Award Sons of the Republic of Texas Honorable Mention Certificate of Commendation American Association for State and Local History Hardly were the last shots fired at the Alamo before the Texas Revolution entered the realm of myth and controversy French visitor Frederic Gaillardet called it a Texian Iliad in 1839 while American Theodore Sedgwick pronounced the war and its resulting legends almost burlesque In this highly readable history Stephen L Hardin discovers more than a little truth in both of those views Drawing on many original Texan and Mexican sources and on site inspections of almost every battlefield he offers the first complete military history of the Revolution From the war s opening in the Come and Take It incident at Gonzales to the capture of General Santa Anna at San Jacinto Hardin clearly describes the strategy and tactics of each side His research yields new knowledge of the actions of famous Texan and Mexican leaders as well as fascinating descriptions of battle and camp life from the ordinary soldier s point of view This award winning book belongs on the bookshelf of everyone interested in Texas or military history

Texian Iliad Stephen L. Hardin, 1989 **A Military History of Texas** Loyd Uglow, 2022-03-15 In its essence Texas history is military history Comprehensive in scope A Military History of Texas provides the first single volume military history of Texas from pre Columbian clashes between Native American tribes to the establishment of the United States Space Force as the newest branch of the nation s military in the twenty first century Rather than creating new theories of what happened author Loyd Uglow synthesizes competing views of Texas s military past into a narrative that deals evenhandedly with different interpretations and recognizes that there is a measure of truth in each one even while emphasizing those that seem most plausible Uglow ties the various engrossing aspects of Texas military history into one unified experience Chapters cover topics of warfare in Texas before the Europeans Spanish military activities revolutions

against Spain and then Mexico Texas and Texans in the Mexican War ante and post bellum warfare on the Texas frontier the Civil War in Texas the Texas Rangers border warfare during the Mexican revolution of 1910 1920 Texas and the world wars and the modern military in Texas Brief explanations of military terminology and practice as well as parallels between Texas military actions and ones in other times and places connect the narrative to the broader context of world military history Thoroughly documented with an engaging narrative and perceptive analysis A Military History of Texas is designed to be accessible and interesting to a broad range of readers It will find a welcome place in the collections of amateur or professional military historians devoted fans of all things Texan and newcomers to military history **New Orleans and the**

Texas Revolution Edward L. Miller, 2004 Author Edward L Miller has delved into previously unused or overlooked papers housed in New Orleans to reconstruct a chain of events that set the Crescent City in many ways at the center of the Texian fight for independence Not only did Now Orleans business interests send money and men to Texas in exchange for promises of land but they also provided newspaper coverage that set the scene for later American annexation of the young republic **BOOK JACKET** Inside the Texas Revolution James E. Crisp, 2021-07-19 Herman Ehrenberg wrote the longest most

complete and most vivid memoir of any soldier in the Texan revolutionary army His narrative was published in Germany in 1843 but it was little used by Texas historians until the twentieth century when the first and very problematic attempts at translation into English were made Inside the Texas Revolution The Enigmatic Memoir of Herman Ehrenberg is a product of the translation skills of the late Louis E Brister with the assistance of James C Kearney both noted specialists on Germans in Texas The volume s editor James E Crisp has spent much of the last 27 years solving many of the mysteries that still surrounded Ehrenberg s life It was Crisp who discovered that Ehrenberg lived in the Texas Republic until at least 1840 and spent the spring of that year as ranger on the frontier Ehrenberg was not a historian but an ordinary citizen whose narrative of the Texas Revolution contains both spectacular eyewitness accounts of action and almost mythologized versions of major events that he did not witness himself This volume points out where Ehrenberg is lying or embellishing explains why he is doing so and narrates the actual relevant facts as far as they can be determined Ehrenberg s book is both a testament by a young Texan everyman who presents a laudatory paean to the Texan cause and a German s explanation of Texas and its fight for freedom against Mexico to his fellow Germans with a powerful subtext that patriotic Germans should aspire to a similar struggle and a similar outcome a free democratic republic *A Companion to American Military History* James C.

Bradford, 2009-11-03 With more than 60 essays A Companion to American Military History presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every

important area and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study

De León, a Tejano Family History Ana Carolina Castillo Crimm, 2010-01-01 Winner Presidio La Bahia Award 2004 San Antonio Conservation Society Citation 2005 La familia de León was one of the foundation stones on which Texas was built Martín de León and his wife Patricia de la Garza left a comfortable life in Mexico for the hardships and uncertainties of the Texas frontier in 1801 Together they established family ranches in South Texas and in 1824 the town of Victoria and the de León colony on the Guadalupe River along with Stephen F Austin's colony the only completely successful colonization effort in Texas They and their descendants survived and prospered under four governments as the society in which they lived evolved from autocratic to republican and the economy from which they drew their livelihood changed from one of mercantile control to one characterized by capitalistic investments Combining the storytelling flair of a novelist with a scholar's concern for the facts Ana Carolina Castillo Crimm here recounts the history of three generations of the de León family She follows Martín and Patricia from their beginnings in Mexico through the establishment of the family ranches in Texas and the founding of the de León colony and the town of Victoria Then she details how after Martín's death in 1834 Patricia and her children endured the Texas Revolution exile in New Orleans and Mexico expropriation of their lands and after returning to Texas years of legal battles to regain their property Representative of the experiences of many Tejanos whose stories have yet to be written the history of the de León family is the story of the Tejano settlers of Texas

Women and the Texas Revolution Mary L. Scheer, 2012 Historically wars and revolutions have offered politically and socially disadvantaged people the opportunity to contribute to the nation or cause in exchange for future expanded rights Although shorter than most conflicts the Texas Revolution nonetheless profoundly affected not only the leaders and armies but the survivors especially women who endured those tumultuous events and whose lives were altered by the accompanying political social and economic changes

[The Encyclopedia of the Mexican-American War](#) Spencer C. Tucker, 2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War

Big

Wonderful Thing Stephen Harrigan, 2019-10-01 The story of Texas is the story of struggle and triumph in a land of extremes. It is a story of drought and flood, invasion and war, boom and bust, and of the myriad peoples who over centuries of conflict gave rise to a place that has helped shape the identity of the United States and the destiny of the world. I couldn't believe Texas was real. The painter Georgia O'Keeffe remembered of her first encounter with the Lone Star State. It was for her the same big wonderful thing that oceans and the highest mountains are. Big Wonderful Thing invites us to walk in the footsteps of ancient as well as modern people along the path of Texas's evolution. Blending action and atmosphere with impeccable research, New York Times best-selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas, including Spanish explorers, American filibusters, Comanche warriors, wildcatters, Tejano activists, and spellbinding artists, all of them taking their part in the creation of a place that became not just a nation, not just a state, but an indelible idea. Written in fast-paced prose rich with personal observation and a passionate sense of place, Big Wonderful Thing calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War. Like those volumes, it is a big book about a big subject, a book that dares to tell the whole glorious, gruesome, epically sprawling story of Texas.

A Line in the Sand Randy Roberts, James S. Olson, 2002-04-30 In late February and early March of 1836, a Mexican army led by General Antonio López de Santa Anna laid siege to a mission known as the Alamo, held by a small band of rebels that included Davy Crockett, James Bowie, and William Travis. In the dark early morning of March 6, all inside the fort were dead, and one of America's most enduring legends was born. Randy Roberts and James S. Olson retell the story of the Alamo from both the Mexican and the American perspectives, delving into the historical accuracy of such myths as Bowie's famous line in the sand, Crockett's celebrated fight to the death, and the common portrayal of the Mexicans as ruthless killers. Separating fact from fiction, they trace how and why those fictions grew from the rapid spread of the rallying cry "Remember the Alamo" to the patriotic depictions of battle in American films and television, to the potency of the Alamo as a symbol in Texas politics and American culture today.

Adding the Lone Star Jordan T. Cash, 2024-03-24 The annexation of Texas was one of the most momentous actions the United States government took in the antebellum period. Apart from adding what was the largest state in the Union at that time, it expedited further avenues for westward expansion, exacerbated tensions with Mexico, resulting in the Mexican American War, and accelerated the sectional conflict over slavery. While the familiar concept of Manifest Destiny gives the impression that Texas joining the United States was inevitable, the history is much more complicated. In *Adding the Lone Star*, Jordan Cash explores how the decisions and actions of a cast of political actors in the United States, Texas, Mexico, and Great Britain contributed to the addition of Texas to the Union. Cash focuses on the annexation of Texas as a two-president decision, while examining the administrations of American President John Tyler and Texian President Sam Houston, providing a comparative case study of the American and Texian presidencies to better comprehend how executive authority may be used in a system of separation of powers. Tyler's ability to push his

agenda on Texas despite the lack of institutional support shows the strength of premodern presidential power Houston's actions give an alternative view of executive authority since the Texian Republic including the powers bestowed on the presidency was structured on the model of its American counterpart Tyler viewed the decision to annex Texas as beneficial for the United States as a whole while Houston considered it to be beneficial for Texas and proponents of slavery Tyler's secretary of state John C Calhoun saw the decision as a victory for the South and the expansion of slavery The examination of how these two presidents worked on the same issue at the same time but in largely different constitutional institutional political and geographical contexts provides not only a better understanding of the history and politics of annexation but also an investigation of the nuances of presidential power in a constitutional system of checks and balances and separation of powers

Writing History with Lightning Matthew Christopher Hulbert, John C. Inscoe, 2019-02-05 Films possess virtually unlimited power for crafting broad interpretations of American history Nineteenth century America has proven especially conducive to Hollywood imaginations producing indelible images like the plight of Davy Crockett and the defenders of the Alamo Pickett's doomed charge at Gettysburg the proliferation and destruction of plantation slavery in the American South Custer's fateful decision to divide his forces at Little Big Horn and the onset of immigration and industrialization that saw Old World lifestyles and customs dissolve amid rapidly changing environments Balancing historical nuance with passion for cinematic narratives Writing History with Lightning confronts how movies about nineteenth century America influence the ways in which mass audiences remember understand and envision the nation's past In these twenty six essays divided by the editors into sections on topics like frontiers slavery the Civil War the Lost Cause and the West notable historians engage with films and the historical events they ostensibly depict Instead of just separating fact from fiction the essays contemplate the extent to which movies generate and promulgate collective memories of American history Along with new takes on familiar classics like Young Mr Lincoln and They Died with Their Boots On the volume covers several films released in recent years including The Revenant 12 Years a Slave The Birth of a Nation Free State of Jones and The Hateful Eight The authors address Hollywood epics like The Alamo and Amistad arguing that these movies flatten the historical record to promote nationalist visions The contributors also examine overlooked films like Hester Street and Daughters of the Dust considering their portraits of marginalized communities as transformative perspectives on American culture By surveying films about nineteenth century America Writing History with Lightning analyzes how movies create popular understandings of American history and why those interpretations change over time [Beyond the Alamo \(Volume 2 of 2\) \(EasyRead Super Large 18pt Edition\)](#) ,

The Alamo's Forgotten Defenders Phillip Thomas Tucker, 2022-05-20 A thoughtful military history of the Texas Revolution from the perspective of Irish Americans who were in the thick of it Highly recommended Midwest Book Review Breaking new ground with original insights Phillip Thomas Tucker's The Forgotten Defenders of the Alamo The Irish of the Texas Revolution 1835 1836 sets forth one of the best remaining untold stories of the

Alamo and Texas Revolution by exploring a largely forgotten and long ignored history the dramatic saga of the Irish in Texas Relying upon a wealth of previously unexplored primary sources *The Forgotten Defenders of the Alamo* is the first book devoted to the dramatic story of Irish achievements contributions and sacrifices in winning independence for Texas In doing so Tucker s study bestows much needed recognition upon the Irish and shatters a host of long existing myths about the Texas Revolution The Irish were the largest immigrant group in Texas at the time and among the most vocal and passionate of liberty loving revolutionaries in all Texas Presented not only as a military history of the Irish in the Texas Revolution but also as a social economic and cultural history of the Irish in Texas *The Forgotten Defenders of the Alamo* will stand as a long overdue corrective to the outdated views of the story of the Alamo and the Texas Revolution Ground breaking Carl Shanahan President of the Irish American Museum of Washington D C As important a contribution to Alamo history as it is to genealogy Gary Zaboly author of *An Altar for Their Sons The Alamo and the Texas Revolution in Contemporary Newspaper Accounts* A valuable contribution to Texas history Anthony Zavaleta University of Texas Sam Houston James L. Haley,2015-04-10 In the decades preceding the Civil War few figures in the United States were as influential or as controversial as Sam Houston In *Sam Houston* James L Haley explores Houston s momentous career and the complex man behind it Haley s fifteen years of research and writing have produced possibly the most complete most personal and most readable Sam Houston biography ever written Drawn from personal papers never before available as well as the papers of others in Houston s circle this biography will delight anyone intrigued by Sam Houston Texas history Civil War history or America s tradition of rugged individualism *Turning Points—Actual and Alternate Histories* Rodney P. Carlisle,J. Geoffrey Golson,2007-02-12 In this unique reference leading historians describe not only how the expansion of the American nation in the early 19th century was a turning point in U S history that led to the Civil War but also alternative scenarios what happened and what almost happened This volume poses what if questions about ten crucial tipping points in the history of U S expansionism between 1800 and the Civil War It not only describes what happened in the case of Lewis and Clark the War of 1812 the Monroe Doctrine railroads and telegraphs the Mexican War the gold rush the Compromise of 1850 it also offers alternative scenarios essays on what could have happened In this exciting and imaginative approach to history students not only develop analytical skills by tracing the causes and effects of crucial events they are empowered by the knowledge that at moments when history hangs in the balance many paths are possible and that they as citizens can tip the scale José Antonio Navarro David R. McDonald,2013-03-01 The first biography to appear in more than a generation on the most influential Tejano leader of the nineteenth century Jos Antonio Navarro In *In Search of the American Dream in Nineteenth Century Texas* fills one of the most glaring gaps in the current historical literature on Texas The product of a lifetime of research by author David McDonald this volume is sure to stand as the definitive treatment of Navarro s life for decades to come McDonald corrects many long standing misconceptions concerning Navarro and fleshes out the details of his life in a way no author has done before Born in

San Antonio in 1795 Jos Antonio Navarro lived through a tumultuous era in Texas history that saw the transitions of Texas from a Spanish colony to a Mexican state an independent republic an American state a Confederate state and an American state once again More than just bearing witness to these events however Jos Antonio Navarro helped shape them He served in the legislatures of Coahuila y Texas the Republic of Texas and the state of Texas He was a signer of the Texas Declaration of Independence and a steadfast defender of the rights of all Tejanos and people of Mexican descent in Texas ensuring at both the 1836 Consultation that created the Texas Republic and the 1845 drafting of the state constitution after annexation that political rights would not be restricted solely to those with white skin and pure European ancestry Jos Antonio Navarro has won a 2013 citation from the San Antonio Conservation Society s Publications Awards Committee Jos Antonio Navarro In Search of the American Dream in Nineteenth Century Texas is more than just a political biography it is a story of the American Dream Navarro and his family worked hard to improve their lives on the Texas frontier starting with his father an immigrant from the Mediterranean island of Corsica Navarro was not only an influential politician but a successful businessman and rancher This pattern of improvement continued into the next generation of the family when Navarro s son ngel entered Harvard College to study law Jos Antonio Navarro was also an early friend of Stephen F Austin sharing a vision of Texas with the famed empresario in which both Tejanos and Anglos could thrive Navarro believed that Texas was a place where peoples of all colors and backgrounds should be able to realize the American Dream Published with the generous assistance of the Friends of Casa NavarroNumber Two in the Watson Caufield and Mary Maxwell Arnold Republic of Texas Series **Emily D. West and the "Yellow Rose of Texas" Myth** Phillip Thomas Tucker,2014-02-07 For the first time the true story of The Yellow Rose of Texas is told in full revealing a host of new insights and perspectives on one of America s most popular stories For generations the Yellow Rose of Texas has been one of America s most popular western myths growing larger over time and little resembling the truth of what happened on April 21 1836 at the battle of San Jacinto where a new Texas Republic won its independence The woman who has been popularly connected to the story was an ordinary but also quite remarkable free black woman from the North Emily D West This work reconstructs her experience places it in full context and explores the evolution of a most fanciful myth
