The Harrison Affair:

The Harrison Affair Gerald Seymour, 1981-06 **The Harrison Affair** Gerald Seymour, 1980 **A Worldly Affair** Pamela Hanlon, 2017-09-05 The tumultuous entertaining true story of how the city has welcomed the world's leaders and diplomats or not For over seven decades New York City and the United Nations have shared the island of Manhattan coexisting in a bond likened to a long marriage tempestuous and supportive quarrelsome and committed **A Worldly Affair** tells the story of this hot and cold romance from the 1940s when Mayor La Guardia was doggedly determined to bring the new world body to New York to the UN's flat rejection of the offer then its abrupt change of course and various tense troubling periods in the years since Racial prejudice and anti Communist passions challenged the young international institution Spies scofflaw diplomats provocative foreign visitors and controversial UN member policy positions tested New Yorkers patience And all the while the UN's growth from its original fifty one member states to 193 by 2017 placed demands on the surrounding metropolis for everything from more office space to more security to better housing and schools for the international community's children As the city worked to accommodate the world body's needs New Yorkers at times grew to resent it a sentiment that provoked more than one New York mayor to be less than hospitable in dealing with the city's international guests Yet with the UN headquarters complex freshly renovated and the city proudly proclaiming that the organization adds nearly 4 billion to the New York economy each year it seems clear the decades old marriage will last whatever the inevitable spats and clashes along the way **The Petrov Affair** Robert Manne, 2014-05-17 The Petrov Affair Politics and Espionage is a memoir of the Petrov Affair a historical event that involves the defection of Vladimir Petrov a colonel in the Soviet intelligence service in Sydney and the announcement of his defection ten days later by Australian Prime Minister Robert Menzies With information gathered from different reliable sources the book details in chronological order the Petrov's defection the events that occurred before and the factors that led to it its announcement and the implications of this event for politics and espionage The text also explains how the affair affected the Australian people and the world the conclusion of this event and the events that happened after it The book is recommended for historians and history enthusiasts who would want to know more about this particular event The text is also recommended for experts who delve in the Cold War and the Soviet Union **Official letters of the military and naval officers of the United States**, J. Brannan, Official letters of the military and naval officers of the United States during the war with Great Britain in the years 1812 13 14 15 with some additional letters and documents elucidating the history of that period **A Rum Affair** Karl Sabbagh, 2016-07-07 A true story of a Scottish isle an eminent professor a lie and an amateur botanist who saw the truth by the author of Antisemitism Wars In the 1940s the eminent British botanist John Heslop Harrison proposed a controversial theory that vegetation on the islands off the west coast of Scotland had survived the last Ice Age His premise flew in the face of what most botanists believed that no plants had survived the 10 000 year period of extreme cold But Heslop Harrison had

proof the plants and grasses found on the isle of Rum Harrison didn't anticipate however an amateur botanist called John Raven who boldly questioned whether these grasses were truly indigenous to the area or whether they had been transported there This is the story of what happened when a tenacious amateur set out to find out the truth and how he uncovered a most extraordinary fraud Praise for *A Rum Affair* A breezy ride informative and amusing Washington Post Book World An exciting scientific detective story Times Literary Supplement *Affairs of State* Robert P. Watson, 2012-09-06 In recent years Arnold Schwarzenegger Eliot Spitzer John Edwards Newt Gingrich Herman Cain and countless other politicians have made headlines for their sexual scandals But such stories are not new Indeed there is a long history of misbehavior in politics including in the nation's highest office Bill Clinton it can safely be said was not the first president to misbehave nor was he the worst In fact there is a long history of presidential peccadilloes Many presidents have been influenced and had their careers affected by the hand of a woman sometimes that of a wife or mother but at other times that of a mistress But these stories are rarely told Instead history has tended to glorify our leaders Such a scrubbed version of the lives of presidents however omits their marital woes love lives and sexual peccadilloes As Robert P. Watson reveals it is precisely these intimate and all too human moments that provide some of the most valuable insights into our leaders *Affairs of State* is not just about sex and scandal the who did it of history although such incidents are described in detail It is a book about love marriage and affairs in the White House offering an intimate character study of the First Couples who made history To see the author discuss his book on Inside South Florida please click [here](#) To see him discuss the book on C-SPAN please click [here](#) *The Creole Affair* Arthur T. Downey, 2014-08-14 *The Creole Affair* is the story of the most successful slave rebellion in American history and the effects of that rebellion on diplomacy the domestic slave trade and the definition of slavery itself Held against their will aboard the *Creole* a slave ship on its way from Richmond to New Orleans in 1841 the rebels seized control of the ship and changed course to the Bahamas Because the Bahamas were subject to British rule of law the slaves were eventually set free and these American slaves' presence on foreign soil sparked one of America's most contentious diplomatic battles with the UK the nation in control of those remote islands Though the rebellion appeared a success the ensuing political battle between the United States and Britain that would lead the rivals to the brink of their third war was just beginning As such *The Creole Affair* is just as importantly a story of diplomacy of two extraordinary non-professional diplomats who cleverly resolved the tensions arising from this historic slave uprising that had they been allowed to escalate had the potential for catastrophe **My Three Mothers and Other Passions** Sophie Freud, 1991-04 Sophie Freud author teacher social worker mother daughter and grand daughter of Sigmund Freud here offers for the first time a candid portrait of her struggles in her own life Blessed and cursed with the legacy of a famous family Dr Freud has negotiated her way from a blissful childhood in Vienna to Paris to Radcliff College to her present day life as one of the most respected teachers in her field *My Three Mothers and Other Passions* is a remarkable story about a remarkable woman and Dr Freud explores with us openly and

engagingly the many experiences of her life **Deadly Dozen** Robert K. DeArment, 2012-11-09 For every Wild Bill Hickok or Billy the Kid there was another western gunfighter just as deadly but not as well known Robert K DeArment has earned a reputation as the premier researcher of unknown gunfighters and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day Those who think they already know all about Old West gunfighters will be amazed at this new collection Here are men like Porter Stockton the Texas terror who bragged that he had killed eighteen men and Jim Levy who killed a man for disparaging his Irish blood though he was also the only known Jewish gunfighter These stories span eight decades from the gold rushes of the 1850s to the 1920s Telling of gunmen such as Jim Masterson the brother of Bat Masterson or the real Whispering Smith the man behind the fictionalized persona whose career spanned four decades DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long The product of iron clad research this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different Together the Deadly Dozen volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James
