Silvio, 2019-09-30 The early twenty first century has seen an explosion of animation Cartoon characters are everywhere in cinema television and video games and as brand logos There are new technological objects that seem to have lives of their own from Facebook algorithms that suggest products for us to buy to robots that respond to human facial expressions The ubiquity of animation is not a trivial side effect of the development of digital technologies and the globalization of media markets Rather it points to a paradigm shift In the last century performance became a key term in academic and popular discourse The idea that we construct identities through our gestures and speech proved extremely useful for thinking about many aspects of social life The present volume

proposes an anthropological concept of animation as a contrast and complement to performance. The idea that we construct social others by projecting parts of ourselves out into the world might prove useful for thinking about such topics as climate crisis, corporate branding, and social media. Like performance, animation can serve as a platform for comparisons of different cultures and historical eras. Teri Silvio presents an anthropology of animation through a detailed ethnographic account of how characters, objects, and abstract concepts are invested with lives, personalities, and powers, and how people interact with them in contemporary Taiwan. The practices analyzed include the worship of wooden statues of Buddhist and Daoist deities and the recent craze for cute vinyl versions of these deities, as well as a wildly popular video fantasy series performed by puppets. She reveals that animation is like performance, a concept that works differently in different contexts and that animation practices are deeply informed by local traditions of thinking about the relationships between body and soul, spiritual power, and the material world. The case of Taiwan, where Chinese traditions merge with Japanese and American popular culture, uncovers alternatives to seeing animation as either an expression of animism or as playing God. Looking at the contemporary world through the lens of animation will help us rethink relationships between global and local identity and otherness, human and non-human.

Bullets Are My Business Josh K. Stevens, 2012-11-20 Josh K. Stevens masterfully draws a hit man's underground world of bullets, sex, death, money, and betrayal in his mile-a-minute debut of dark modern noir. Levi Maurice has always had his eye on the money in his career as a hit man. A chain-smoking alcoholic with a penchant for all the wrong women, Levi is never short of improvised plans and smart-arsed remarks to ensure he makes it to the next paycheck. But when the tables are turned and a hit is put out on him, he suddenly finds himself fighting for his life. Along with his crooked cop neighbor Jacks and his radical protester little sister Chenille, Levi has to find out who has it out for him before he finds himself six feet under. Not helping are the mysterious mint-green envelopes appearing on his doorstep asking for his help just when Levi himself needs it most, and Megan, his sexy new girlfriend who may not be as honest as she looks. *Bullets Are My Business* is a bloody, fast-paced, darkly humorous ride into the life of a hired gun who finds himself on the wrong side of a hit and may not make it out alive. *More Sex, Better Zen, Faster Bullets* Stefan Hammond, Mike Wilkins, 2020-06-11

How and why did films from Hong Kong, a former British Crown Colony and map speck, become so popular? Post-WWII creative freedom was scarce in Asia, but Hong Kong was a safe space for filmmakers seeking to profit from overseas Chinese markets and Chinatowns worldwide. Both Shaw Brothers and Golden Harvest set up massive operations in Hong Kong and let the celluloid slip. By the 1980s, Hong Kong's Sammo Hung and Jackie Chan were famous throughout Asia. Their winning formula of humour and martial arts prowess ripped through kung fu stereotypes, while filmmakers like Tsui Hark and Ringo Lam served up fantasy, horror, and noir crime dramas for rabid cinemagoing hordes in the grindhouses of Kowloon. It was a glorious time. This book is the nonpareil true story of the Hong Kong film industry, one that doesn't skimp on the good bits: the hyperkinetic films themselves. Included are intrepid firsthand accounts of the culture

and international fanbases to have emerged around these movies More Sex Better Zen Faster Bullets contains the best bits of Sex and Zen A Bullet in the Head 1996 and Hollywood East 2000 the two best known tomes on Hong Kong films of the twentieth century revised and with the inclusion of new material The result is the most comprehensive encyclopedia of Hong Kong film available anywhere *Where the Bullets Fly* Terrence McCauley, 2018-09-25 WINNER OF THE PEACEMAKER AWARD Surrounded by ranches farms and precious metal mines the town of Dover Station Montana is ripe for the plucking It s up to Sheriff Aaron Mackey to keep the peace and keep the dregs of humanity from trying to make a killing WHERE THE BULLETS FLY VENGEANCE REIGNS If anyone can smell an investment opportunity it s railroad men and big city bankers They re not the kind of folks that Sheriff Mackey is used to dealing with But greed is greed and if anyone knows how money can drive men to murder it s the sheriff of a boomtown like Dover Station But when Mackey is forced to gun down a pair of saloon rats it brings a powderkeg of trouble with a quick burning fuse of vengeance named Alexander Duramont This bloodthirsty psychopath wants to kill the sheriff for killing his buddies And he plans to get his revenge using a highly combustible mix of fire fear and dynamite Mackey s not sure how he s going to stop this blood crazed lunatic But it s going to be one heck of an explosive and very violent showdown Hard to put down because of the gritty and stylish narrative the virtually nonstop action Publishers Weekly on Terrence McCauley s *Sympathy for the Devil*
