My Sister's Veil K.C. Marshall, 2009-02-12 PREFACE MY SISTERS VEIL a poem Tonis Veil A beautiful face is never enough To guarantee love success and trust Torn and conflicted by what they see and say Maybe they're right It's better their way They always win So of course we would choose To perpetrate a look That will never lose Ill just take it to the twelfth degree So it appears self righteously To be me So bury the mirror And who you really see And bury the hatred Of who you really be Then it's easy to forget the grief And promise yourself You can become A respectable Thief Terris Veil Restless and young With nothing to lose Thrown into your world Unblemished unbruised Ready to grow and trust and learn But guns fill your hands before you discern The value of life community and respect A simple way to mask your intellect Apprentice of self destruction A king with no crown Frustrated and confused By the systematic run around Yet a gnarly lesson awaits to prove It's by your own hand You win or you lose Tinas Veil Abandoned and ashamed

Afraid and unloved I hid my pain As innocently as a dove The Lord answers prayers So invisible Ill be cause my blllack and nappy Embarrasses thee If only but For a genuine veil Id lose myself In self medicated hell But no need to worry No need to fret Their yaki hair and blue contacts Are easy to get Spare not a dime For value and worth Designer labels and gold To our pride gives birth So strut on high and lively and proud As you die slowly With a legacy Broken and loud **Sister Outsider** Audre Lorde,2020-02-25 Sister Outsider a collection of essays and speeches by the pioneering feminist Audre Lorde is one of my all time favorite books It s always great to have an intersectional tome on hand Amanda Gorman Sister Outsider s teachings by one of our most revered elder stateswomen should be read by everyone Essence Presenting the essential writings of black lesbian poet and feminist writer Audre Lorde Sister Outsider celebrates an influential voice in twentieth century literature with a foreword by Mahogany L Browne A New York Times New Noteworthy book A Penguin Vitae Edition In this charged collection of fifteen essays and speeches Lorde takes on sexism racism ageism homophobia and class and propounds social difference as a vehicle for action and change Her prose is incisive unflinching and lyrical reflecting struggle but ultimately offering messages of hope The groundbreaking feminist s timely collection of nonfiction writings on race gender and LGBTQ issues is now for the first time in Penguin Classics as part of the Penguin Vitae series with a foreword by poet Mahogany L Browne Penguin Classics launches a new hardcover series with five American classics that are relevant and timeless in their power and part of a dynamic and diverse landscape of classic fiction and nonfiction from almost seventy five years of classics publishing Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives and welcomes new readers to discover these literary gifts of personal inspiration intellectual engagement and creative originality For Younger Readers ,2004 **Women, Philanthropy, and Social Change** Elayne Clift,2005 The definitive book on women and philanthropy essential reading for scholars students donors grantees and philanthropists

The Horn Book Guide to Children's and Young Adult Books ,2000 **The Book Review Digest** ,2005 **Soul Sisters, Come on to My House** Her Soul Sister,Susan Freire-Korn,2011-06-30 Too often in this world hatred violence and ugliness saturate our twenty four hour news cycle capture our attention on city streets and stain our view of human kind But kindness love mercy and compassion are stronger than all this negativity and evil combined In this inspiring collection of stories Susan Freire Korn shares how individual women have overcome adversity to emerge stronger and more courageous than ever before Written by three African American women three Caucasian women and three Hispanic women these tales share how kindness can transcend our basic human differences and bring unity to our lives regardless of culture or race Each woman offers a unique and uplifting tale of how they suffered through sometimes years of despair and hardship but never gave up on their desire for a better life Whether they endured teenage pregnancy alcoholism and domestic abuse or loneliness depression and low self esteem these women prove that no matter the circumstances of chance or culture the human spirit can triumph and emerge stronger than before An excellent reference for those seeking to understand cultural

differences as well as for those looking for encouragement in their own lives *Soul Sisters Come on to My House* beautifully shows how opening your heart and your mind will make the world a better place for all **Real Sister** Jervette R.

Ward,2015-11-02 From *The Real Housewives of Atlanta* to *Flavor of Love* reality shows with predominantly black casts have often been criticized for their negative representation of African American women as loud angry and violent Yet even as these programs appear to be rehashing old stereotypes of black women the critiques of them are arguably problematic in their own way as the notion of respectability has historically been used to police black women s behaviors The first book of scholarship devoted to the issue of how black women are depicted on reality television *Real Sister* offers an even handed consideration of the genre The book s ten contributors black female scholars from a variety of disciplines provide a wide range of perspectives while considering everything from *Basketball Wives* to *Say Yes to the Dress* As regular viewers of reality television these scholars are able to note ways in which the genre presents positive images of black womanhood even as they catalog a litany of stereotypes about race class and gender that it tends to reinforce Rather than simply dismissing reality television as trash this collection takes the genre seriously as an important touchstone in ongoing cultural debates about what constitutes trashiness and respectability Written in an accessible style that will appeal to reality TV fans both inside and outside of academia *Real Sister* thus seeks to inspire a more nuanced thoughtful conversation about the genre s representations and their effects on the black community **Women, Power, and Political Change** Bonnie G.

Mani,2007-01-01 *Women Power and Political Change* analyzes the lives of fourteen American women who facilitated social and political changes since America s founding Bonnie G Mani describes the social and political context of each time period and uncovers how women can influence public policy without holding elected office and without personal wealth Beyond
