

A photograph of two young women running away from the camera on a dirt path. They are both wearing jeans and have their hair flying, suggesting movement. The woman on the left is wearing a yellow long-sleeved shirt and red sneakers. The woman on the right is wearing a black long-sleeved shirt and dark sneakers. The background shows a sunset or sunrise over a field of dry grass and distant hills.

## **Sisters Are Special:**

*Living with a Brother or Sister with Special Needs* Donald Meyer, Patricia F. Vadasy, 2014-02-01 *Living with a Brother or Sister with Special Needs* focuses on the intensity of emotions that brothers and sisters experience when they have a sibling with special needs and the hard questions they ask: What caused my sibling's disability? Could my own child have a disability as well? What will happen to my brother or sister if my parents die? Written for young readers, the book discusses specific disabilities in easy-to-understand terms. It talks about the good and not-so-good parts of having a brother or sister who has special needs and offers suggestions for how to make life easier for everyone in the family. The book is a wonderful resource not just for siblings and their parents but also for teachers and other professionals who work with children with special needs. This revised and updated edition includes new sections on attention deficit hyperactivity disorder, fetal alcohol syndrome, fragile X syndrome, traumatic brain injuries, ultrasound, speech therapy, recent legislation on disabilities, and an extensive bibliography.

*To a Very Special Sister* Pam Brown, 2002-09. A sister is someone very special. You share the fun, the laughter, the tears, the secrets of growing up together. And those memories stay with you both for life. Friends may come and go, but there's a bond with your sister that if anything only grows stronger over the years. This little giftbook celebrates your shared memories, love, and friendship.
