Sitting It Out A World War 2 Pow Memoir

Donald L. Miller

Sitting It Out A World War 2 Pow Memoir:

Sitting It Out David Westheimer, 2000-08 In 1941 Westheimer was in a B 24 that ditched off the coast of Italy It was the first American plane to be lost over Italy in the early days of WW2 Behind enemy lines the author and 6 other survivors were taken to a camp at Poggio Mirteto before being assigned to another Italian POW camp After 9 months in captivity the prisoners had a brief brush with freedom Retaken by advancing Germans before they could escape they were transported through the Alps to Stalag Luft III Westheimer spent 19 more months in German hands before he was finally liberated by American troops on April 29 1945 Westheimer wrote this book shortly after his release Photos *The Enemy in Our Hands* Robert C. Doyle, 2010-03-19 Revelations of abuse at Baghdad s Abu Ghraib prison and the U S detention camp at Guant namo Bay had repercussions extending beyond the worldwide media scandal that ensued The controversy surrounding photos and descriptions of inhumane treatment of enemy prisoners of war or EPWs from the war on terror marked a watershed moment in the study of modern warfare and the treatment of prisoners of war Amid allegations of human rights violations and war crimes one question stands out among the rest Was the treatment of America s most recent prisoners of war an isolated event or part of a troubling and complex issue that is deeply rooted in our nation s military history Military expert Robert C Doyle s *The Enemy in Our Hands America s Treatment of Prisoners of War from the Revolution to the War on Terror* draws from diverse sources to answer this question Historical as well as timely in its content this work examines America s major wars and past conflicts among them the American Revolution the Civil War World Wars I and II and Vietnam to provide understanding of the United States treatment of military and civilian prisoners *The Enemy in Our Hands* offers a new perspective of U S military history on the subject of EPWs and suggests that the tactics employed to manage prisoners of war are unique and disparate from one conflict to the next In addition to other vital information Doyle provides a cultural analysis and exploration of U S adherence to international standards of conduct including the 1929 Geneva Convention in each war Although wars are not won or lost on the basis of how EPWs are treated the treatment of prisoners is one of the measures by which history s conquerors are judged *Our Last Mission* Dawn Trimble Bunyak, 2005-08-01 In this remarkable tale of courage historian Dawn Trimble Bunyak recounts the experiences of her uncle Lawrence Pifer a technical sergeant who survived fourteen months of internment as a prisoner of war in World War II Nazi Germany A radio operator and ball turret gunner on the American B 17 bomber Slightly Dangerous Pifer was shot down during a raid on March 4 1944 As he parachuted from the plummeting plane Pifer witnessed the deaths of two of his fellow crewmembers Captured by Nazi soldiers and taken to a series of German Stalag Luft camps Pifer and other servicemen mostly in their teens and twenties endured torture starvation disease and forced marches When British forces liberated Pifer s group he pushed his POW experiences deep into the recesses of his mind not to recall them in detail for decades Years later a POW group at a Veterans Administration hospital helped Pifer realize that he was ready to tell his story After forty hours of interviews with Pifer Dawn

Trimble Bunyak retells the enthralling story of an average enlisted man's struggle to survive in the face of hopelessness with only his strong faith and pride in country to sustain him. In his foreword, historian Arnold Krammer shows how popular views of the prisoner of war experience have changed dramatically over time yet how rare are such first person accounts as Pifer's. Enhanced by numerous photographs and maps and an appendix of prisoners' poetry, *Our Last Mission* is one of only a few oral histories that details the daily experiences of one of the 94,000 American POWs in Europe during World War II. **Masters of the Air** MTI Donald L. Miller, 2024-01-23 A history recounting the events and experiences of the World War II bomber pilots of the U.S. Eighth Air Force, the armed forces group that conducted daytime bombing of Germany in advance of the Allied soldiers' arrival on the ground. [Air University Library Index to Military Periodicals](#), 1992 **Not Without Honor** Kay Sloan, 2008-12-01 *Not Without Honor* threads together the stories of three American POWs: Carano, his buddy Bill Blackmon, who was also at Stalag 17b, and John C. Bitzer, who survived the brutal Death March from northern Germany to liberation in April 1945. At times the journal reads like a thriller as he records air battles and escape attempts. Yet in their most gripping accounts, these POWs ruminate on psychological survival. The sense of community they formed was instrumental to their endurance. This compelling book allows the reader to journey with these young men as they bore firsthand witness to the best and worst of human nature. **Texas in Poetry 2** Billy Bob Hill, 2002 And of course one poem about Texas that is magnificent in its awfulness: Lasca, with memorable lines like "Scratches don't count. In Texas, down by the Rio Grande." [In the Shadows of War](#) Thomas Childers, 2004-03 Publisher Description **Discovering Texas History** Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 *Discovering Texas History* is a historiographical reference book that will be invaluable to teachers, students, and researchers of Texas history. Chapter authors are familiar names in Texas history circles: a who's who of high-profile historians. Conceived as a follow-up to the award-winning but increasingly dated *A Guide to the History of Texas* (1988), *Discovering Texas History* focuses on the major trends in the study of Texas history since 1990. In part one, topical essays address significant historical themes from race and gender to the arts and urban history. In part two, chronological essays cover the full span of Texas historiography from the Spanish era to the modern day. In each case, the goal is to analyze and summarize the subjects that have captured the attention of professional historians so that *Discovering Texas History* will take its place as the standard work on the history of Texas history.

Encyclopedia of Prisoners of War and Internment, 2006 This authoritative second edition provides a valuable overview of the history of prisoners of war and interned civilians from the earliest times to the present. This edition offers new articles on Abu Ghraib Prison, the Angolan Civil War, the Iran-Iraq War, the Invasion of Tibet, the War on Terror, Guantanamo Detention Centre, and U.S. Senator John McCain, along with an extensive update of existing articles. With 350 entries, this edition is a full 30% larger than the previous edition. Written by an international team of experts, this fascinating and thought-provoking volume covers a wide range of topics and themes, including famous POWs, concentration camps, the two world wars, the

Crusades and Indian warfare along with medical conditions international law and exchanges of prisoners New features in this edition include Primary Source Documents from the Geneva Convention to the Presidential Signing Statement of the Torture Bill Full Color Maps and a Historical Timeline placing the articles in chronological sequence Plus a detailed Bibliography and list of End of Entry Reading Suggestions are provided for easy reference This one of a kind resource will be a helpful addition to the reference collections of all public libraries high schools and university libraries and will prove invaluable to historians and military enthusiasts

We Were Each Other's Prisoners Lewis H. Carlson, 1997-04-03 During World War II Germany captured nearly 94 000 American soldiers while the Allies shipped almost 380 000 Germans to the United States This book is the first ever to compare stories of POWs from both sides of the conflict In their own words 35 American and German prisoners of war recount their stories of survival of photos

Forthcoming Books Rose Army, 2000 [Jewish Soldiers in Nazi Captivity](#) Yorai Linenberg, 2023-10-03 This book explores the extraordinary story of Jewish POWs in German captivity during the Second World War extraordinary because of the contrast between Germany's genocidal policy towards Jews on one hand and its relatively non discriminatory treatment of Jewish POWs from western countries on the other The radicalisation of Germany's anti Semitic policies entered its last phase in June 1941 with the invasion of the Soviet Union during the following four years nearly six million Jews were murdered In parallel Germany's POW policies had gone through a radicalisation process of their own resulting in the murder of millions of Soviet POWs of Allied commando soldiers and of POW escapees with Adolf Hitler eventually transferring in July 1944 the responsibility for POWs from the Wehrmacht to Heinrich Himmler in his role as head of the Replacement Army And yet despite all this Jewish POWs from western countries were usually not discriminated against and were treated in most cases according to the 1929 Geneva Convention *Jewish Soldiers in Nazi Captivity* combines memoirs letters and oral histories with Red Cross camp visit reports and other archival material to challenge the accepted view of the Holocaust as an indiscriminate murder of all Jews in Europe and will help to reshape our understanding of the Holocaust and of Nazi Germany

Los amos del aire Donald L. Miller, 2024-01-24 Tras Hermanos de sangre y The Pacific Los amos del aire es el libro que ha inspirado la nueva serie de Steven Spielberg y Tom Hanks para Apple TV Los amos del aire es la historia personal de los bombarderos aliados que en la Segunda Guerra Mundial golpearon con su carga letal el mismo corazón del Tercer Reich Combinando el poder del rigor histórico con la fuerza narrativa propia de la mejor ficción su aclamado autor Donald L Miller transporta al lector en un viaje trepidante a través de los cielos teñidos de fuego sobre Berlín Hannover y Dresde una guerra sin cuartel con devastadoras consecuencias tanto para la maquinaria de guerra nazi como para el pueblo alemán librada a más de 7000 metros de altitud unas cotas a las que jamás se había combatido anteriormente y que llevaron a extremos inconcebibles la resistencia física y psicológica de las tripulaciones aliadas El combate aereo era mortal pero intermitente periodos de inactividad y ansiedad eran seguidos por breves descargas de fuego y terror La campaña de bombardeos angloamericana contra la Alemania nazi fue la operación

militar más larga de la Segunda Guerra Mundial una guerra dentro de otra guerra. Hasta que los soldados aliados entraron en Alemania en los últimos meses de la guerra fue la única batalla librada dentro de territorio germano. Pero más allá de los aspectos militares, Los amos del aire es un relato tremendamente humano de la vida en la Inglaterra del momento y en los campos de prisioneros alemanes donde decenas de miles de aviadores pasaron parte de la guerra y de las espeluznantes marchas del hambre que los aviadores capturados se vieron obligados a realizar a través del país que sus bombas destruyeron. Elaborado a partir de entrevistas recientes, historias orales y archivos estadounidenses, británicos, alemanes y de otros países, Los amos del aire es un relato autorizado y profundamente conmovedor de la primera y única guerra de bombarderos de la historia.

Reading and Reader Development Judith Elkin, Briony Train, Debbie Denham, 2003. Reader development focuses on readers rather than reading skills. The purposes of reader development are to enhance the reading experience, to make it a more pleasurable and creative act for the reader, to increase people's confidence in their reading, and to make reading a more communal activity by bringing readers together to share their experiences. The focus of reader development is pleasure reading, which the authors interpret as reading fiction. They observe that public libraries were not at the forefront of this movement, but librarians are responding by changing library culture to focus on readers rather than books. The ways in which librarians responded and additional responses they could undertake are described within the context of the broader social movements in the United Kingdom to promote reader development. Three themes dominate the chapters: First, the authors tirelessly celebrate reading. Reading is good. Reading will make one happy. Reading elevates. The second theme is opportunism. If society is paying attention to reading, librarians should get on board and seize the opportunity to build their status and to secure the place of libraries as critically important institutions. The third theme is social inclusiveness. Librarians should always keep in mind the political dimensions of public library service and assure that all sectors of the population share in the benefits of library service. Readers in search of guidance concerning what librarians should do will find plenty of that here.

EDITOR **A Prisoner's Duty** Robert C. Doyle, 1997. Concentrating on the American character held hostage, Doyle combed official and private archives as well as unpublished diaries, letters, and memoirs to find exciting stories of individuals famous and unknown who risked their lives and those of others to escape. The escapes range from the American Revolution, the Mexican War, the Civil War, wars of the twentieth century, and the smaller conflicts. He also includes accounts of the Underground Railway, settlers and traders escaping Indians, and journalists and government officials eluding terrorist captors all over the globe. Jacket

The American Humanities Index Stephen H. Goode, 1995 **Prisoners of War in American Conflicts** Harry P. Riconda, 2003. Those interested in the human side of war will find this an interesting and informative read as it discusses details of wars only to the extent necessary to cover prisoners of war. Jacket **Modern War on Stage and Screen** Wolfgang Görtzschacher, Holger Klein, 1997 *Airpower Journal*, 1998
