A. Bahar,M. Anwar Bhat,Syed Sheraz Mahdi,2022-11-11 This book on Secondary Agriculture discusses the goal of doubling farmers incomes The term secondary has a bearing on climate change adaptation and its mitigation small farm viability and profitability food security nutrition sustainable utilization of natural resources and optimal usage of produce from primary agriculture and farm incomes Promoting secondary agriculture has implications on attaining sustainable development goals which aim to connect primary secondary and tertiary sectors by using slack idle factors of production such as land and labour contributing to primary agriculture production capturing value in primary agricultural activities and generating additional income at the enterprise level In context to same the chapters of this book have been designed to promote secondary agriculture through low cost skills and technology applications in agriculture and by upscaling knowledge via integrating primary secondary and tertiary sectors of agriculture The motivation behind this book is to address the challenges of biotic and abiotic stresses facing the farming community to increase farmers income through low cost skills and technology applications in agriculture to upscale knowledge by integrating primary secondary and tertiary sectors of agriculture The food processing sector in India is still in

a nascent stage with only 8 per cent of the produce being processed as against 80 98 per cent in case of high income countries Government of India 2008 2010 The food processing sector is now receiving the boost with the annual growth of 13 2 per cent in registered food processing units during 2004 10 Government of India 2011 Against this backdrop there is a strong need to strategically handle the situation in order to facilitate a self sustainable and long run growth of the sector which is felt possible by focusing on Secondary Agriculture Though not a panacea for all ailments of the primary sector but it can definitely drive the growth **The American Eclectic Materia Medica and Therapeutics** Lorenzo E.
