Russian Fairy Tales Aleksandr Nikolaevich Afanas'ev, 1973

Russian Fairy Tales R. Nisbet Bain, Noel L. Nisbet, 2014-02-08

From the PREFACE THE existence of the Russian Skazki or Märchen was first made generally known to the British Public some twenty years ago by Mr W B S Ralston in his *Russian Folk Tales*. That excellent and most engrossing volume was primarily a treatise on Slavonic Folk Lore illustrated with admirable skill and judgment by stories mainly selected from the vast collection of Afanasiev who did for the Russian what Asbjørnsen has done for the Norwegian folk tale. A year after the appearance of Mr Ralston's book the eminent Russian historian and archaeologist Peter Nikolaevich Polevoi well known too as an able and ardent Shaksperian scholar selected from the inexhaustible stores of Afanasiev some three dozen of the Skazki most suitable for children and worked them up into a fairy tale book which was published at St Petersburg in 1874 under the title of *Narodnuiya Russkiya Skazki* Popular Russian Märchen. To manipulate these quaintly vigorous old world stories for nursery purposes was as may well be imagined no easy task but on the whole M Polevoi did his work excellently well and while softening the crudities and smoothing out the occasional roughness of these charming stories neither injured their simple texture nor overlaid the original pattern. It is from the first Russian edition of M Polevoi's book that the following selection has been made. With the single exception of Morozko a variant of which will be familiar to those who know Mr Ralston's volume none of these tales has seen the light in an English dress before for though both Ralston and Polevoi drew for the most part from the same copious stock their

purposes were so different that their selections naturally proved to be different also As to the merits of these Skazki they must be left to speak for themselves It is a significant fact however that all those scholars who are equally familiar with the Russian Skazki and the German Märchen unhesitatingly give the palm both for fun and fancy to the former
