Sketches For A Mayan Odyssey:

Sketches for a Mayan Odyssey William G. Hollis, 1982 325 325 325 325 (English Classics 325 Sketches and Studies by Nathaniel Hawthorne) 325 325 (Nathaniel Hawthorne), 2021-12-07 The author of this memoir being so little of a politician that he scarcely feels entitled to call himself a member of any party would not voluntarily have undertaken the work here offered to the public Neither can he flatter himself that he has been remarkably successful in the performance of his task viewing it in the light of a political biography and as a representation of the principles and acts of a public man intended to operate upon the minds of multitudes during a presidential canvass This species of writing is too remote from his customary occupations and he may add from his tastes to be very satisfactorily done without more time and practice than he would be willing to expend for such a purpose If this little biography have any value it is probably of another kind as the narrative of one who knew the individual of whom he treats at a period of life when character could be read with undoubting accuracy and who consequently in judging of the motives of his subsequent conduct has an advantage over much more competent observers whose knowledge of the man may have commenced at a later date Nor can it be considered improper at least the author will never feel it so although some foolish delicacy be sacrificed in the undertaking that when a friend dear to him almost from boyish days stands up before his country misrepresented by indiscriminate abuse on the one hand and by aimless praise on the other he should be sketched by one who has had opportunities of knowing him well and who is certainly inclined to tell the truth It is perhaps right to say that while this biography is so far sanctioned by General Pierce as it comprises a generally correct narrative of the principal events of his life the author does not understand him as thereby necessarily indorsing all the sentiments put forth by himself in the progress of the work These are the author's own speculations upon the facts before him and may or may not be in accordance with the ideas of the individual whose life he writes That individual's opinions however so far as it is necessary to know them may be read in his straightforward and consistent deeds with more certainty than those of almost any other man now before the public The author while collecting his materials has received liberal aid from all manner of people Whigs and Democrats congressmen astute lawyers grim old generals of militia and gallant young officers of the Mexican war most of whom however he must needs say have rather abounded in eulogy of General Pierce than in such anecdotal matter as is calculated for a biography Among the gentlemen to whom he is substantially indebted he would mention Hon C G Atherton Hon S H Ayer Hon Joseph Hall Chief Justice Gilchrist Isaac O Barnes Esq Col T J Whipple and Mr C J Smith He has likewise derived much assistance from an able and accurate sketch that originally appeared in the Boston Post and was drawn up as he believes by the junior editor of that journal PREFACE Hon C G Atherton Hon S H Ayer Hon Joseph Hall Gilchrist Isaac O Barnes Esq Col T J Whipple Mr C J Smith Boston Post PREFACE Franklin Pierce's earliest effort at the bar as we have already observed was an unsuccessful one but instead of discouraging him the failure had only served to awaken the consciousness of latent power and the resolution to

bring it out Since those days he had indeed gained reputation as a lawyer So much however was the tenor of his legal life broken up by the months of public service subtracted from each year and such was the inevitable tendency of his thoughts towards political subjects that he could but very partially avail himself of the opportunities of professional advancement But on retiring from the Senate he appears to have started immediately into full practice Though the people of New Hampshire already knew him well yet his brilliant achievements as an advocate brought him more into their view and into closer relations with them than he had ever before been He now met his countrymen as represented in the jury box face to face and made them feel what manner of man he was Their sentiment towards him soon grew to be nothing short of enthusiasm love pride the sense of brotherhood affectionate sympathy and perfect trust all mingled in it It was the influence of a great heart pervading the general heart and throbbing with it in the same pulsation

Moonstruck Ernest Naylor,2015-09-23 Throughout history the influence of the full Moon on humans and animals has featured in folklore and myths Yet it has become increasingly apparent that many organisms really are influenced indirectly and in some cases directly by the lunar cycle Breeding behaviour among some marine animals has been demonstrated to be controlled by internal circalunar biological clocks to the point where lunar daily and lunar monthly patterns of Moon generated tides are embedded in their genes Yet intriguingly Moon related behaviours are also found in dry land and fresh water species living far beyond the influence of any tides In *Moonstruck* Ernest Naylor dismisses the myths concerning the influence of the Moon but shows

through a range of fascinating examples the remarkable real effects that we are now finding through science He suggests that since the advent of evolution on Earth which occurred shortly after the formation of the Moon animals evolved adaptations to the lunar cycle and considers whether if Moon clock genes occur in other animals they also might exist in us

326 (English Classics 326 Biographical Sketches by Nathaniel Hawthorne) (Nathaniel Hawthorne), 2021-12-07 Mrs Hutchinson was a woman of extraordinary talent and strong imagination whom the latter quality following the general direction taken by the enthusiasm of the times prompted to stand forth as a reformer in religion In her native country she had shown symptoms of irregular and daring thought but chiefly by the influence of a favorite pastor was restrained from open indiscretion On the removal of this clergyman becoming dissatisfied with the ministry under which she lived she was drawn in by the great tide of Puritan emigration and visited Massachusetts within a few years after its first settlement But she bore trouble in her own bosom and could find no peace in this chosen land She soon began to promulgate strange and dangerous opinions tending in the peculiar situation of the colony and from the principles which were its basis and indispensable for its temporary support to eat into its very existence We shall endeavor to give a more practical idea of this part of her course MRS HUTCHINSON MRS HUTCHINSON Few of the personages of past times except such as have gained renown in fireside legends as well as in written history are anything more than mere names to their successors They seldom stand up in our imaginations like men The knowledge communicated by the historian and biographer is analogous to that which we acquire of a country by the map minute perhaps and accurate and available for all necessary purposes but cold and naked and wholly destitute of the mimic charm produced by landscape painting These defects are partly remediable and even without an absolute violation of literal truth although by methods rightfully interdicted to professors of biographical exactness A license must be assumed in brightening the materials which time has rusted and in tracing out half obliterated inscriptions on the columns of antiquity Fancy must throw her reviving light on the faded incidents that indicate character whence a ray will be reflected more or less vividly on the person to be described The portrait of the ancient governor whose name stands at the head of this article will owe any interest it may possess not to his internal self but to certain peculiarities of his fortune These must be briefly noticed SIR WILLIAM PHIPS SIR WILLIAM PHIPS It is contemplated to erect a monument by subscription to Mr Fessenden s memory It is right that he should be thus honored Mount Auburn will long remain a desert barren of consecrated marbles if worth like his be yielded to oblivion Let his grave be marked out that the yeomen of New England may know where he sleeps for he was their familiar friend and has visited them at all their firesides He has toiled for them at seed time and harvest he has scattered the good grain in every field and they have garnered the increase Mark out his grave as that of one worthy to be remembered both in the literary and political annals of our country and let the laurel be carved on his memorial stone for it will cover the ashes of a man of genius THOMAS GREEN FESSENDEN THOMAS GREEN FESSENDEN The subject of this brief memorial had barely begun to be an actor in the great

scenes where his part could not have failed to be a prominent one The nation did not have time to recognize him His death
 aside from the shock with which the manner of it has thrilled every bosom is looked upon merely as causing a vacancy in the
 delegation of his State which a new member may fill as creditably as the departed It will perhaps be deemed praise enough
 to say of Cilley that he would have proved himself an active and efficient partisan But those who knew him longest and most
 intimately conscious of his high talents and rare qualities his energy of mind and force of character must claim much more
 than such a meed for their lost friend They feel that not merely a party nor a section but our collective country has lost a man
 who had the heart and the ability to serve her well It would be doing injustice to the hopes which lie withered upon his
 untimely grave if in paying a farewell tribute to his memory we were to ask a narrower sympathy than that of the people at
 large May no bitterness of party prejudices influence him who writes nor those of whatever political opinions who may read

O'Loughlin,Francis Emmett Fitzgerald,1993 **Collision** Pete Gershon,2018-09-13 Winner 2019 Ron Tyler Award for Best Illustrated Book sponsored by the Texas State Historical Association TSHA In this expansive and vigorous survey of the Houston art scene of the 1970s and 1980s author Pete Gershon describes the city s emergence as a locus for the arts fueled by a boom in oil prices and by the arrival of several catalyzing figures including museum director James Harithas and sculptor James Surls Harithas was a fierce champion for Texan artists during his tenure as the director of the Contemporary Arts Museum Houston CAM He put Texas artists on the map but his renegade style proved too confrontational for the museum s benefactors and after four years he wore out his welcome After Harithas s departure from the CAM the chainsaw wielding Surls established the Lawndale Annex as a largely unsupervised outpost of the University of Houston art department Inside this dirty cavernous warehouse a new generation of Houston artists discovered their identities and began to flourish Both the CAM and the Lawndale Annex set the scene for the emergence of small downtown artist run spaces including Studio One the Center for Art and Performance Midtown Arts Center and DiverseWorks Finally in 1985 the Museum of Fine Arts presented Fresh Paint

The Houston School a nationally publicized survey of work by Houston painters The exhibition capped an era of intensive artistic development and suggested that the city was about to be recognized along with New York and Los Angeles as a major center for art making activity Drawing upon primary archival materials contemporary newspaper and magazine accounts and over sixty interviews with significant figures Gershon presents a narrative that preserves and interweaves the stories and insights of those who transformed the Houston art scene into the vibrant community that it is today **Arts & Humanities Citation Index** ,1996 **A.L.A.
