**Slowly, Slowly in the Wind** Patricia Highsmith, 2004-12-17 Highsmith's writing is wicked it puts a spell on you after which you feel altered even tainted Entertainment Weekly *Slowly Slowly in the Wind* brilliantly assembles many of Patricia Highsmith's most nuanced and psychologically suspenseful works Rarely has an author articulated so well the hypocrisies of the Catholic Church while conveying the delusions of a writer's life and undermining the fantasy of suburban bliss Each of these twelve pieces like all great short fiction is a crystal clear snapshot of lives both static and full of chaos In *The Pond* Highsmith explores the unforeseen calamities that can unalterably shatter a single woman's life while *The Network* finds sinister loneliness and joy in the mundane yet engrossing friendships of a small community of urban dwellers In this enduring and disturbing collection Highsmith evokes the gravity and horror of her characters surroundings with evenhanded prose and a detailed imagination

*KIN* Barbara Grenfell Fairhead, 2023-09-17 A generous portrait of an artist at the height of her powers of perception In these poems sketches and song lyrics crafted over a lifetime we come to share in the adventure of stepping out of what Grenfell Fairhead calls the house of orthodoxy What binds these pieces together is her exuberance and the sense that we are always at the beginning Again and again one feels a sense of things just beyond the range of the senses waiting for us to catch up with them In each landscape she describes one feels her sensibility in sympathy with it finding a place in it As she remembers and argues with herself mourns and celebrates we find ourselves accompanying her on this voyage of discovery with our own full attention

Patricia Highsmith, Anne Uhde, 1979

Just Wind William G. Armstrong, 2003-07 Two pioneer balloonists Tom Gatch in 1974 and Larry Newman in the early 1990s led widely reported stratospheric expeditions that nearly earned them a place in aviation history They both used pressurized balloons a dangerous and sophisticated type of aircraft and sought the swift wind of the jet stream to carry them forward In the first story a determined self financed and self reliant Tom Gatch in his Light

Heart tries to become the first man to conquer the Atlantic Ocean alone by balloon Ascending under a 10 balloon cluster he makes it halfway across before disappearing and the Department of Defense mounts a massive but futile mid ocean search What happened to him Why did he do it In the second story Larry Newman leads an international crew in Earthwinds the most expensive and heavily marketed balloon expedition ever undertaken attempting to become the first to fly around the world non stop He often said that his 354 foot tall aircraft was more complicated to fly than the Space Shuttle He makes three ascents each with a different crew With amusing anguishing and astonishing frankness the aeronautical adventures of Light Heart and Earthwinds are presented for the first time from a true insider s perspective The Yellow Wind David Grossman,2016-03-22 A brilliant searing examination of Israel s occupation of the West Bank beautiful passionate and profoundly disturbing Chicago Tribune The Israeli novelist David Grossman s impassioned account of what he observed on the West Bank in early 1987 not only the misery of the Palestinian refugees and their deep seated hatred of the Israelis but also the cost of occupation for both occupier and occupied is an intimate and urgent moral report on one of the great tragedies of our time The Yellow Wind caused a sensation upon its original publication Now with a new introduction by the author it is essential reading for anyone who seeks a deeper understanding of Israel today Even the most cautious readers and even the most hostile are bound to learn something about the conflict that they never knew before something deep and achingly damningly true The New York Times Book Review Beautifully written and highly perceptive The Guardian UK Intelligent sympathetic resonant and accessible Nick Hornby The Sunday Times UK A revelation of the Israeli Arab tragedy beautifully written not from the politicians point of view but that of the ordinary people living through it A work by a writer of passionate self honesty unafraid to ask terrible questions Nadine Gordimer **Weekly Weather and Crop Bulletin** ,1982
