Small Arms Survey

Peter Batchelor, Kai Michael Kenkel

Small Arms Survey :

Small Arms Survey 2006 Small Arms Survey, Graduate Institute of International Studies (Geneva, Switzerland), 2006 This book offers new and updated information on small arms production stockpiles transfers and measures including a review of the International Tracing Instrument This year's thematic chapters examine issues such as the demand for weapons small arms and security sector reform and the economic cost of small arms use This edition also features case studies on small arms violence in Papua New Guinea and Colombia armed groups in West Africa and the Lord's Resistance Army in Northern Uganda

Small Arms Survey 2014 Small Arms Survey, Geneva, 2014-07-03 This volume highlights emerging trends and concerns regarding armed violence and small arms proliferation along with related policies and programming [Small Arms Survey 2013](#) Small Arms Survey, Geneva, 2013-07-04 The Small Arms Survey 2013 explores the many faces of armed violence outside the context of armed conflict Chapters on the use of firearms in intimate partner violence the evolution of gangs in Nicaragua Italian organised crime groups and trends in armed violence in South Africa describe the dynamics and effects of gun violence in the home and on the street Many of the chapters in the weapons and markets section zero in on the use of specific weapons by particular armed actors such as drug trafficking organisations and insurgents These include chapters on the prices of arms and ammunition at illicit markets in Lebanon Pakistan and Somalia illicit weapons recovered in Mexico and the Philippines and the impacts of improvised explosive devices on civilians Chapters on the Second Review Conference of the UN Programme of Action and the industrial demilitarisation industry round out the 2013 volume

Small Arms Survey 2007 Small Arms Survey, Graduate Institute of International Studies (Geneva, Switzerland), 2007-09-06 The Small Arms Survey 2007 features a special focus on the complex issue of urban violence [Small Arms Survey 2013](#) Small Arms Survey, Geneva, Small Arms Survey, 2013-07-04 Highlights emerging trends and concerns regarding armed violence and small arms proliferation as well as related policies and programming [Small Arms Survey 2010](#) Small Arms Survey, Geneva, 2010-06-03 The Small Arms Survey 2010 focuses on gangs and non state armed groups Gang violence while typically directed at other gang members can account for a major portion of social violence Armed groups whatever their orientation to the state are of growing concern in conflict and post conflict settings where their activities can have serious repercussions for human security This volume reviews a range of issues related to gangs and armed groups exploring their functions roles and use of violence as well as emerging efforts to address the damage they inflict on society The volume explores prison gangs gender aspects of gangs and pro government groups it also features case studies from Ecuador and southern Sudan Original research on the global ammunition trade and on options for controlling illicit firearm transfers by air rounds out the book

Small Arms Survey 2014 Small Arms Survey, Geneva, 2014-07-03 The Small Arms Survey 2014 considers the multiple roles of women in the context of armed violence security and the small arms agenda The volume's thematic section comprises one chapter on violence against women and girls with a focus on post conflict Liberia and Nepal and another on

the recent convergence of the small arms agenda with that of women peace and security Complementing these chapters are illustrated testimonies of women with experience as soldiers rebels and security personnel The weapons and markets section assesses the potential impact of the Arms Trade Treaty presents the 2014 Transparency Barometer and an update on the authorised small arms trade and analyses recent ammunition explosions in the Republic of the Congo Additionally it examines ammunition circulating in Africa and the Middle East maps the sources of insurgent weapons in Sudan and South Sudan and evaluates crime gun records in the United States

Small Arms Survey 2008 Small Arms Survey, Graduate Institute of International and Development Studies (Geneva, Switzerland), 2008-07-31 The Small Arms Survey 2008 examines the problem of diversion and analyses the public health approach to armed violence

Small Arms Survey 2012 Graduate Institute of International and Development Studies (Geneva, Switzerland), Small Arms Survey, Geneva, 2012-08-30 The Small Arms Survey 2012 seeks to increase our scrutiny of what is changing and not changing in relation to armed violence and small arms proliferation Chapters on firearm homicide in Latin America and the Caribbean drug violence in selected Latin American countries and non lethal violence worldwide illustrate that security is a moving target armed violence both lethal and non lethal continues to undermine the security and wellbeing of people and societies around the world The goal of curbing small arms proliferation embodied in the UN Programme of Action appears similarly elusive Chapters on illicit small arms in war zones trade transparency Somali piracy and the 2011 UN Meeting of Governmental Experts highlight some of the successes but also the continuing challenges in this area Country studies on Kazakhstan and Somaliland along with the final instalment of the authorized transfers project round out the 2012 edition

Small Arms Survey 2009 Small Arms Survey, Geneva, 2009-07-23 The Small Arms Survey is an independent research project located at the Graduate Institute of International and Development Studies in Geneva Switzerland It serves as the principal source of public information on all aspects of small arms and armed violence and as a resource centre for governments policy makers researchers and activists The Small Arms Survey 2009 contains two thematic sections The first highlights the challenges of ensuring security after the formal end of war and comprises an overview chapter and three case studies Aceh Afghanistan and Southern Lebanon The second thematic section explores various aspects of small arms transfers including the value of the authorized trade national controls and weapons tracing Additional chapters focus on small arms measures and impacts

Small Arms Survey 2015 Keith Krause, 2015-07-30 Highlights emerging trends and concerns regarding armed violence and small arms proliferation as well as related policies and programming

Small Arms Survey 2003 ,2003 This title includes information and analysis on global small arms production stockpiles and legal and illicit transfers and a review of international regional and national measures to address the issue of small arms proliferation

Small Arms Survey 2015 Small Arms Survey, 2015-07-30 The Small Arms Survey 2015 examines the role of weapons and armed violence in humanity s appropriation of the earth s wildlife and mineral riches in Africa where the poaching of elephants and rhinos is becoming increasingly militarised and near

resource extraction sites around the world In addition to presenting updates on the UN small arms process and the top arms importers and exporters the volume assesses how recent technological developments affect weapons marking record keeping and tracing reviews small arms flows to Egypt Libya and Syria and evaluates a stockpile management initiative in south east Europe The armed actors section sheds light on the arms and ammunition used by insurgents in northern Mali the decline of the Forces Démocratiques de Libération du Rwanda and the use of floating armouries by private security companies in the Indian Ocean This edition also analyses conditions that are driving young people to adopt high risk coping strategies in Burundi

Small Arms Survey 2013 Geneva Small Arms Survey,2013 *Controlling Small Arms* Peter Batchelor,Kai Michael Kenkel,2013-11-20 This edited volume takes stock of the state of research and policy on the issue of Small Arms and Light Weapons SALW ten years after the UN first agreed to deal with the problem The end of the Cold War originated a series of phenomena that would subsequently come to dominate the political agenda Perhaps most symptomatic of the ensuing environment is the marked escalation in the scale and dynamics of armed violence driven by the proliferation of SALW Events in Rwanda Somalia and Bosnia seared into global consciousness the devastating effects of this phenomenon and of the necessity to engage actively in its limitation and prevention This edited volume explores and outlines the research and policy on the SALW issue at this critical juncture In addition to providing a detailed telling of the genesis and evolution of SALW research and advocacy the volume features a series of essays from leading scholars in the field on both advances in research and action on SALW It reflects on what has been achieved in terms of cumulative advances in data methodology and analysis and looks at the ways in which these developments have helped to inform policy making at national regional and international levels Alongside situating and integrating past and present advances in advocacy and international action *Controlling Small Arms* also outlines future directions for research and action This book will be of much interest to students of small arms peace and conflict studies peacebuilding security studies and IR

Small Arms Survey 2001 Graduate Institute of International Studies (Geneva, Switzerland),2001 In its premier issue this volume provides the first broad overview of major aspects of the problem of small arms and light weapons proliferation Issues covered include products and producers global firearms stockpiles brokers and transport agents legal small arms transfers illicit small arms transfers the effects of small arms availability and multilateral measures and initiatives The Survey will serve as the principal source of public information on all aspects of small arms and as a resource center for governments policy makers researchers and activists With international contributors from a variety of backgrounds it will interest all those in security studies political science law economics development studies and sociology

The Palgrave Handbook of Small Arms and Conflicts in Africa Usman A. Tar,Charles P. Onwurah,2021-04-05 This handbook provides critical analyses of the theory and practices of small arms proliferation and its impact on conflicts and organized violence in Africa It examines the terrains institutions factors and actors that drive armed conflict and arms proliferation and further explores the nature scope and dynamics of

conflicts across the continent as well as the extent to which these conflicts are exacerbated by the proliferation of small arms. The volume features rich analyses by contributors who are acquainted with and widely experienced in the formal and informal structures of arms proliferation and control and their repercussions on violence, instability and insecurity across Africa. The chapters dissect the challenges of small arms and light weapons in Africa with a view to understanding roots, causes and drivers and generating a fresh body of analyses that adds value to the existing conversation on conflict management and peacebuilding in Africa. With contributions from scholars, development practitioners, defence and security professionals and civil society activists, the handbook seeks to serve as a reference for students, researchers and policy makers on small arms proliferation, control and regulation, defence and security practitioners and those involved in countering violence and managing conflicts in Africa.

Postinternationalism and Small Arms Control Damien Rogers, 2016-04-08. Even though impacts generated by the widespread availability and ongoing use of small arms and light weapons have not reached a magnitude sufficient to radically reorder contemporary world affairs, awareness of the nature and extent of these impacts has compelled some international actors to take decisive action. Damien Rogers examines how the international community has responded to the challenge of controlling small arms and light weapons since the early 1990s. Using a postinternationalist analytic framework, he specifically focuses on the maturing relationships between particular actors of world affairs and the nascent interconnectivity between their strategies for and approaches toward controlling these weapons. Furthermore, the book identifies ways in which the captains of small arms industry, arms brokers and chief users of these weapons are able to mitigate, resist or elude the intended effects of those responses.

The International Arms Trade Rachel Stohl, Suzette Grillot, 2013-04-29. The multi-billion dollar business of the international conventional arms trade involves virtually every country in the world. Around the globe, people's lives are being irrevocably changed by the effects of guns, tanks and missiles. These weapons have the potential to cause a deadly and current threat, one responsible for hundreds of thousands of deaths a year. This succinct and accessible new book explores the complexities and realities of the global conventional weapons trade. The first book on the subject in nearly a decade, *The International Arms Trade* provides an engaging introduction to the trade, the effects and the consequences of these weapons. The authors trace the history of the arms trade and examine how it has evolved since the end of the Cold War. In particular, they assess the role of the largest arms exporters and importers, the business of selling conventional arms around the world and shed new light on the illicit arms trade and the shadowy dealers who profit from their deadly commerce. The book also looks closely at the devastating effect the business can have on countries, societies and individuals and concludes with an evaluation of the various existing control strategies and the potential for future control opportunities. *The International Arms Trade* will be invaluable for students and scholars of international relations and security studies and for policymakers and anyone interested in understanding more about the conventional arms trade.

Small Arms Survey Small Arms Survey, 2008

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, **Small Arms Survey** .
