Garrett

Briscoe isn't new to loss but losing his K9 partner overseas may have broken him for good. A dog trainer isn't much good when he can't look at the animals without his heart shattering again. Maybe helping his buddies build a brewery is a better choice. But someone's hurting animals nearby and the sexy veterinarian next door is planning to deal with it herself. He's not letting that happen even if it means risking his heart all over again. *No Bones About It* is the fifth book in Jemi Fraser's *No Fail Heroes* romantic suspense series. Each of these small town romances can be read as a stand alone although they are best enjoyed in order. The book contains some strong language and sexy times. Enjoy the read.
