Mike Jess

Small Gardens A Creative Approach To Gardening:

The Enchantment of Gardens Ruth Ammann, 2008 Ancient wisdom tells us that gardens have a healing nourishing effect on the human soul and body The garden belongs to the great archetype of life and is one of the few big archetypal images that are experienced primarily as positive This positive experience is significant because the garden is a part of the natural and cultural human environment and thus is particularly influential in the interaction between human beings and their environment
