Smooth Stone Biblical Prophecy In Historical Perspective:

A Smooth Stone David Arthur, 2001 A Smooth Stone is a historical survey of the Hebrew prophets focusing on the development of a radical theological iconoclasm Beginning with the preclassical seers the book traces the expanding scope of prophetic polemic over a period of six hundred years as it escalates from sporadic attacks on individual sin to a comprehensive assault against religion itself culminating in a total rejection of the traditional picture of God **The**

Hebrew Prophets, 2004 Now you can experience the empowering words of the Hebrew prophets even if you have no previous knowledge of the Hebrew Bible or Judaism This Skylight Illuminations edition presents selections from the Hebrew prophets with insightful yet unobtrusive commentary that conveys the prophetic call for humankind to fulfill the promise to renew harmony and unity and to engage life with a sense of holiness and wholeness BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Standing for Orthodoxy** Carl R. Trueman, Joel R.

Beeke, Michael A. G. Haykin, Jared Hood, 2025-07-22 Standing for Orthodoxy celebrates the life and legacy of Peter Barnes aptly described as one of Australia's ablest defenders of theological orthodoxy whose tireless dedication to Scripture pastoral care and historical theology has profoundly impacted generations within the global Reformed community Spanning pastoral historical biblical and systematic theology the essays within this volume reflect the diverse yet unified commitment of Barnes's ministry to uphold biblical orthodoxy in a changing world Contributions from esteemed Australian and international scholars and pastors such as Joel R Beeke Michael A G Haykin Jared Hood John McClean Carl R Trueman Geoffrey Thomas and Rowland S Ward engage crucial questions of pastoral care confessional integrity historical interpretation and theological fidelity From discussions on the Early Church Fathers and John Calvin to explorations of Abraham Kuyper A W Pink and contemporary issues facing the church today these essays illustrate the rich interplay between historical depth and practical pastoral insight This volume serves as both a tribute and an urgent call reminding readers of the enduring necessity of standing firmly for biblical truth the power of historical theology to inform contemporary challenges and the essential role of the pastor scholar in guiding God's people toward faithfulness in every generation **Slaves of the Most High God**

Timothy Cochrell, 2018-07-15 Slaves of the Most High God provides a rigorous exegetical historical and theological analysis of the slave metaphor in Luke Acts Control, Coercion, and Constraint Wolfram Kinzig, Barbara Loose, 2024-12-30 This volume is based on a lecture series that was held during the academic year 2021/2022 at the University of Bonn Its contributors explore the role of religion in overcoming and creating structures of dependency from different disciplines and academic backgrounds The question of the role of religion in justifying perpetuating modifying and abolishing slavery and other forms of strong asymmetrical dependency is still a much debated topic within historical and social sciences The equality of all human beings before God gods or the divine is deeply rooted in religious thought Conversion to one or another religion has therefore often led to critique transformation and even abolition of existing social structures institutions and

their corresponding dependencies Yet religious discourse has also been used to justify the subjection of individuals and whole peoples In addition throughout history religious institutions themselves have often mirrored the social hierarchies and inequalities of the surrounding societies Concomitantly practitioners of these religious traditions have created systems of dependency within their own institutional social legal and spiritual structures This volume makes clear that not even the metaphysical world is free of dependencies influential strands of almost all major religious traditions envisage hierarchies of gods angels demons and other metaphysical beings Gilgameš and the World of Assyria Joseph Azize, Noel Weeks, 2007 In July 2004 a number of scholars gathered for a conference on Gilgamesh and the World of Assyria at The University of Sydney This volume of conference papers features contributions by Andrew George the key note speaker and established scholars such as J D Forest V A Hurowitz G A Rendsburg N Weeks and I M Young together with those of other local scholars The chief theme is the Gilgamesh epic but interesting suggestions are made concerning the importance of that epic for biblical studies and Assyriology in general **The Walls of Babylon** David Arthur, 2019-08-22 The Walls of Babylon is a radically revisionist reading of the Revelation to John offering startling insights into the historical roots of Gnosticism the social dynamics of early Christianity and the shattering impact of apocalyptic eschatology Based on a careful analysis of the text David Arthur argues that the motivating circumstance for Revelation was provided not by external Roman oppression but by a fierce internal dispute between gnostic and proto orthodox factions within the early church In the ensuing controversy John did not side with ecclesiastical officials as might be expected but instead took up the cause of the persecuted outcasts Following the precedent of the classical prophets he speaks as a champion for the downtrodden and dispossessed represented for him by the gnostic heretics The book he has left us presents a fiery symbolic rebuke of proto orthodox Christianity and by extension challenges normative religious paradigms at every level of belief and praxis *Persepolis and Jerusalem* Jason M. Silverman, 2012-02-23 A renewed study of Iranian influence on apocalyptic traditions arguing for a methodology which takes into account Iranian studies oral theory and the Achaemenid context **Encyclopedia of Judaism** Sara E. Karesh, Mitchell M. Hurvitz, 2005 An illustrated A to Z reference containing over 800 entries providing information on the theology people historical events institutions and movements related to the religion of Judaism **Toronto Journal of Theology** , 2003

Hebrew Bible John Haralson Hayes, 2004 Hebrew Bible is an informative and affordable extension of Abingdon's Dictionary of Biblical Interpretation It focuses on the history of the interpretation of individual books for example Genesis Exodus and Proverbs and major genre categories for example law prophets history and poetry found in the Hebrew Bible from the beginnings of critical study to the present This volume is an important textbook for college and seminary classes on Old Testament exegesis or interpreting the Hebrew Bible It is a helpful reference work for those wanting to learn more about the differing opinions and interpretations of key biblical writings and how both Jews and Christians viewed and valued the Hebrew Bible through the centuries *American Book Publishing Record* , 2002 Bibliographic Index , 2002

Forthcoming Books Rose Arny, 2001 The Reformation of the Literal Erik Lundeen, 2025-01-23 What does it mean to read the Bible literally Recent debates on the Protestant reformers have focused on whether they were stridently literal interpreters or maintained a place for allegorical readings However in this nuanced book Lundeen argues that the question of what in fact constituted the Bible's literal sense was also a key question in early modern debates There is no clean binary of literal versus allegorical instead reformers subtly produced a variety of competing literalisms There was not one literal sense in the Reformation but many To make this case Lundeen comparatively analyzes Reformation era commentaries on the prophet Isaiah He further highlights the little known but influential works of the Basel reformer Johannes Oecolampadius who was the first Christian to publish commentaries on most of the biblical prophets in the sixteenth century By placing Oecolampadius in conversation with a host of his better known Christian and Jewish predecessors and contemporaries this book reframes a central aspect of Reformation era biblical exegesis while also providing a constructive resource for those who seek to read the Bible's ancient prophets as Christian scripture today **Elenchus of Biblica**, 2003 **Encyclopedia of Religion**, 2005 2002, □□□ □□□□ **Subject Guide to Books in Print**, 1991 *The Reformation of Prophecy* G. Sujin Pak, 2018 The Reformation of Prophecy illuminates the significant shifts in the Protestant reformers' engagement with the prophet and biblical prophecy shifts from advancing the priesthood of all believers to strengthening Protestant clerical identity and authority to operating as a site of polemical confessional exchange concerning right interpretations of Scripture
