**How to Cast Out Demons** Isaiah Saldivar,2024-11-12 The call to cast out demons is not for a select few it is for every believer After reading this book I

will have the boldness and proper understanding of deliverance so that I can be used to cast out demons and see people's lives restored and made whole. At the end of 2020 revivalist Isaiah Saldivar had a visitation from the Holy Spirit in which He told him in so many words: Isaiah, the church is unprepared and untrained in spiritual warfare. I want you to teach on casting out demons and spiritual warfare. Isaiah began to emphasize deliverance training and spiritual warfare in his ministry and what he thought would be a one-week teaching turned into eight straight months and more than sixty hours of video teachings on how to cast out demons and win the fight in the spirit. These videos have now amassed over 30 million views and thousands have been delivered by the power of the Holy Spirit. In this book, Isaiah helps Christians who know they should be doing deliverance but don't know how to go about it. Exploring the seven examples in the Gospels of Jesus casting out demons and featuring stories from Saldivar's life and ministry, this simple guide removes the mystery and provides practical training for believers who want to follow Jesus' example of casting out demons and healing the sick. In these pages, Saldivar challenges readers to not ignore Satan's kingdom and equips them to confront, resist, wrestle, stand against, and cast out. Those who are tired of sitting on the sidelines will be empowered to do the works of Jesus and be part of the most significant deliverance revival the world has ever seen.

**Pagan Christmas** Christian Räscher, Claudia Müller-Ebeling, 2006-10-24 An examination of the sacred botany and the pagan origins and rituals of Christmas Analyzes the symbolism of the many plants associated with Christmas Reveals the shamanic rituals that are at the heart of the Christmas celebration The day on which many commemorate the birth of Christ has its origins in pagan rituals that center on tree worship agriculture magic and social exchange But Christmas is no ordinary folk observance It is an evolving feast that over the centuries has absorbed elements from cultures all over the world practices that give plants and

plant spirits pride of place In fact the symbolic use of plants at Christmas effectively transforms the modern day living room into a place of shamanic ritual Christian R tsch and Claudia M ller Ebeling show how the ancient meaning of the botanical elements of Christmas provides a unique view of the religion that existed in Europe before the introduction of Christianity The fir tree was originally revered as the sacred World Tree in northern Europe When the church was unable to drive the tree cult out of people s consciousness it incorporated the fir tree by dedicating it to the Christ child Father Christmas in his red and white suit who flies through the sky in a sleigh drawn by reindeer has his mythological roots in the shamanic reindeer herding tribes of arctic Europe and Siberia These northern shamans used the hallucinogenic fly agaric mushroom which is red and white to make their soul flights to the other world Apples which figure heavily in Christmas baking are symbols of the sun god Apollo so they find a natural place at winter solstice celebrations of the return of the sun In fact the authors contend that the emphasis of Christmas on green plants and the promise of the return of life in the dead of winter is just an adaptation of the pagan winter solstice celebration
