D. Miller, 2006-01-01 In this collection of his essays from the popular and respected journal *Theology Today* longtime editor Patrick D Miller offers insights into the basic human condition His reflections range from popular culture the popularity of Seinfeld to political matters the proper public role for the Ten Commandments to the sublime the connection between poetry and faith The wit and wisdom of this internationally respected biblical scholar come through clearly in this collection

Reclaiming the Soul Jeffrey H. Boyd, 1996 This radical interpretation of human nature probes the theological roots of the human psyche Carefully articulating the biblical understanding of the soul Boyd suggests nothing less than a Copernican revolution in mental health one in which God not the individual is at the center of the universe *The Spiritual Universe*

Fred Alan Wolf, 1996 The American Book Award winning author of *Taking the Quantum Leap* examines the startling answers modern science provides for questions about the soul in a provocative exploration of the realm where religion philosophy science and spirituality intersect Line drawings throughout **The Pulse of Creation** Paul R. Sponheim, 1999 Paul Sponheim's theme is transformation personal social cultural and global He addresses the violence environmental destruction and lost sense of self that plague modern society In response he finds a genuine desire among Americans for both individual and social transformation He suggests however that we may have lost sight of the Creator's call for us to join in the work of creation through direct partnership with others not just with other Christians in nurturing change Sponheim claims the ecstatic power of religion for individual and social transformation and explores how the human status as creature entails responsibility to God in the drama that creation constitutes In central chapters on Interruption Calling and Relationship he clearly shows how transformation takes place through our participation in God's ongoing creative work *Handbook of Catholic Theology*

Wolfgang Beinert, Francis Schüssler Fiorenza, 1995 Everything one needs to know about Catholic theology can be found in this essential handbook Biblically and historically based ecumenically oriented up to date and easy to use the book's eleven major categories contain more than 300 alphabetical cross referenced entries each one to four pages in length Index Illustrations *Cosmic Beginnings and Human Ends* Clifford N. Matthews, Roy Abraham Varghese, 1995 Based on a symposium on science and religion held in Chicago at the 1993 Parliament of the World's Religions Includes bibliographical references and index **Extravagant Affections** Susan A. Ross, 1998 The sacraments are an important part of the Christian heritage In her scholarly yet readable book Ross draws on interviews on the mainstream of sacramental and contemporary feminist theory to ascertain what might be a feminist sacramental theory *The Utne Reader*, 1994 **Exploring the Philosophy of Religion** David Stewart, 2001 This introduction to the philosophy of religion helps readers understand the primary sources that are essential for genuine philosophical understanding Its careful selection of important classical and contemporary readings along with a clear understandable analysis and discussion of the topics helps build a basic vocabulary of philosophical and religious terms while becoming fluent in the main philosophical issues in religion Chapter topics include the varieties of religious experience religion and life religion and human destiny arguments for God's existence the problem

of evil and religious language This book presents an appealing mixture of classical and contemporary authors from Descartes Paley and Kierkegaard to Otto James and Buber to such current writers as Wendy Doniger Mary Daly and David Ray Griffin For philosophers or anyone who likes to philosophize about important religious questions and their relation to life
