Excerpt from *Sir Henry Havelock and Colin Campbell Lord Clyde* For two years she had been ailing but on Twelfth Night during the last Christmas holidays she had been well enough to join her children in their glad festivities The next morning however when Henry with his favourite sister Jane was reading the Bible to his mother she fell from her chair in a fit Of apoplexy He raised her up watched over her with an anxious look upon his face and a beating at his heart till the doctor came and until he went back to school at the beginning Of February was seldom from her side Her speech had been affected but when no one else could understand what she said he knew every word and it was a sad parting between mother and son when he went back to Charterhouse She seemed to think that she would never see him again and from the time Of his departure grew worse and worse but boy like he feared nothing SO dreadful and most likely hoped to find her better again when he next came home About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Sir Henry Havelock, and Colin Campbell, Lord Clyde* afterwards LOOKER PHILLIPS (Eliza Caroline), Colin Campbell Baron Clyde, Sir Henry HAVELOCK, 1885 **Sir Henry Havelock and Colin Campbell, Lord Clyde** Edith Caroline Phillips, 2016-06-25 *Sir Henry Havelock and Colin Campbell Lord Clyde* by Edith Caroline Phillips This book is a reproduction of the original book published in 1886 and may have some imperfections such as marks or hand written notes *Sir Henry Havelock and Colin Campbell, Lord Clyde - Primary Source Edition* Eliza Caroline Phillips, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book *Popular imperialism and the military, 1850-1950* John M. MacKenzie, 2017-03-01 Colonial war played a vital part in transforming the

reputation of the military and placing it on a standing equal to that of the navy The book is concerned with the interactive culture of colonial warfare with the representation of the military in popular media at home and how these images affected attitudes towards war itself and wider intellectual and institutional forces It sets out to relate the changing image of the military to these fundamental facts For the dominant people they were an atavistic form of war shorn of guilt by Social Darwinian and racial ideas and rendered less dangerous by the increasing technological gap between Europe and the world Attempts to justify and understand war were naturally important to dominant people for the extension of imperial power was seldom a peaceful process The entertainment value of war in the British imperial experience does seem to have taken new and more intensive forms from roughly the middle of the nineteenth century Themes such as the delusive seduction of martial music the sketch of the music hall song powerful mythic texts of popular imperialism and heroic myths of empire are discussed extensively The first important British war correspondent was William Howard Russell 1820 1907 of The Times in the Crimea The 1870s saw a dramatic change in the representation of the officer in British battle painting Up to that point it was the officer's courage tactical wisdom and social prestige that were put on display **The Twentieth Century**, 1901
