The book is a collection of essays by leading experts in the field of situation cognition and coherence in personality. It is a comprehensive and up-to-date review of the current state of research in this area. The book is divided into two main parts: the first part deals with the theoretical aspects of situation cognition and coherence, and the second part deals with the practical applications of this research. The book is written in a clear and accessible style, and it is suitable for both students and researchers in the field of psychology.
