

An aerial photograph of a forest fire. Thick white smoke rises from the ground in several places, creating a hazy atmosphere over the dark, charred landscape. The smoke plumes are of varying heights and densities, indicating different stages of burning. The overall scene is one of destruction and environmental impact.

is visualization this meditation perhaps more than other meditations presumes the creative power of the mind Visualizations form the basis not only of the creation stage and deity yoga but of all tantric practices and rituals since tantric practice takes place not in mundane existence but in the illusion like purity of the enlightened view While the previously published *Essence of the Ocean of Attainments* is a concise exposition on the practice of the Guhyasamaja sadhana *Ocean of Attainments* is much more detailed providing extensive scriptural citations clear explanation of the body mandala arguments on points of contention reference to other tantric systems and critiques of misinterpretations Complemented by the extensive and clear introduction this volume is a vital contribution to the growing body of scholarship on Guhyasamaja and on Buddhist tantra in general

Bureau of Mines Information Circular, 1953 Lost Edinburgh Hamish Coghill, 2014-03-03 An exploration of the stories behind the many buildings lost to history in Scotland's capital city What happened to Edinburgh's once notorious but picturesque Tolbooth Prison Where was the Black Turnpike once a dominant building in the town Why has one of the New Town designer's major layouts been all but obliterated What else has been lost in Edinburgh From Edinburgh's mean beginnings wretched accommodation no comfortable houses no soft beds visiting French knights complained in 1341 it went on to attract some of the world's greatest architects to design and build and shape a unique city But over the centuries many of those fine buildings have gone Some were destroyed by invasion and civil strife some simply collapsed with old age and neglect and others were swept away in the improvements of the nineteenth century Yet more fell to the developers' swathe of destruction in the twentieth century Much of the medieval architecture vanished in the Old Town Georgian Squares were attacked Princes Street ruined old tenements razed in huge slum clearance drives and once familiar and much loved buildings vanished The changing pattern of industry social habits health service housing and road systems all took their toll not even the city wall was immune The buildings that stood in the way of what was deemed progress are the heritage of Lost Edinburgh In this informative book author Hamish Coghill sets out to trace many of the lost buildings and find out why they were doomed Lavishly illustrated *Lost Edinburgh* is a fascinating insight into an ever changing cityscape
