**Slow Burn** Stu Mittleman, Katherine Callan, 2011-11-01 In Slow Burn endurance master Stu Mittleman delivers a program for creating energy and increasing endurance so you can go the distance and feel great doing it every day week and year Change your workout change your life Think Stu shares his proven formula for breaking down seemingly insurmountable goals into a series of manageable tasks Train Learn to understand your body's signals and refocus your training so that the movement not the outcome is the reward Eat Stu teaches you how to make nutritional choices that leave you energized not exhausted all day long You really can accomplish more with less effort than you ever imagined All you have to do is change your focus and you'll change your life Let Slow Burn show you how to enjoy the journey and achieve the results

The Alkaline Reset Cleanse Ross Bridgeford, 2018-12-31 A powerful seven day whole food cleanse to completely reset and reboot your body targeting the Five Master Systems endocrine digestive immune detoxification and pH balancing Balance equals life At base our bodies make us fighters because the body will drop everything to make balance happen So when we put one system out of balance we are essentially making our body fight itself The Alkaline Reset Cleanse is a different way of thinking about the body and how we can rapidly replenish heal and reboot ourselves back to optimal health The body's number one goal is to maintain homeostasis and balance throughout our Five Master Systems endocrine immune digestive detoxification and alkaline buffering pH balancing But through our dietary and lifestyle choices we often put our body into a state of emergency It is this constant state of emergency from which sickness and disease emerge For over 10 years health coach Ross Bridgeford has guided thousands of people through his alkaline cleanse programs In The Alkaline Reset Cleanse he has distilled his program down to a straightforward and immediately manageable seven day program complete with shopping lists recipes and encouraging tips from those who have already succeeded We need to wipe the slate clean We have to give the body the tools it needs to repair replenish rebuild and thrive With seven highly nourishing days filled with real whole foods specifically selected and planned to make it easy enjoyable and energizing the Alkaline Reset Cleanse will help you to lose weight restore your immunity soothe digestion and give you abundant health

*The Power of Soft* Hilary Gallo, 2016-01-28 In The Power of Soft Hilary Gallo Reveals a more effective way to get what you want both in and out of the board room Hilary spent years negotiating multi million pound deals as a lawyer and began to notice that tough bullying behaviour rarely got him or his clients the outcomes they were looking for Over the years he began to develop a new way of approaching negotiations the power of soft and soon found his work and home life getting richer In life and in business we often mask our inner vulnerability by adopting a hard unwavering and ultimately ineffective approach Instead Gallo proves that our true power stems from drawing strength from our mental core and balancing that inner strength with a softer more approachable front He teaches us to see reality more clearly by looking past our judgments and preconceptions and to focus our energy on what we actually need to achieve What started as a negotiation tactic soon became a philosophy

for life Whether closing a business deal or trying to get your kids to bed *The Power of Soft* is an elegant holistic and most of all effective method to get what you need and still be kind *The Evidence-Based Practitioner Coach* Lloyd

Chapman,2023-05-05 *The Evidence Based Practitioner Coach* gives a descriptive phenomenological understanding of human development through the lens of the Integrated Experiential Learning Process and how it can be applied in coaching Aimed at coaches who would like to ground their experience in an evidence based practitioner model it synthesises evidence and theory from a range of disciplines exploring how we learn through a complex process involving brain body and social relationships and facilitated consciously and unconsciously through the central and autonomic nervous systems It applies this understanding to a range of settings contexts and environments The book notably combines the fascinating knowledge produced by cutting edge research with useful practical methodologies developed by some of the wisest observers of humanity Its sheer readability in an engagingly down to earth and warmly human way helps make the contents readily accessible to coach practitioners and others from non academic backgrounds Rigorous and erudite this book would be suitable for business coaches corporate executives senior managers and human resource specialists and provides an invaluable contribution to what it means to be a scientist practitioner within the evolving profession of coaching [Fit Kids](#)
