Small Good Thing Stories Of Children With Hiv And Those Who Care For Them:

HIV Plus ,2000-08 HIV Plus offers the latest stories on research economics and treatment The magazine raises awareness of HIV related cultural and policy developments in the United States and throughout the world HIV Plus ,2000-08 HIV Plus offers the latest stories on research economics and treatment The magazine raises awareness of HIV related cultural and policy developments in the United States and throughout the world **Attending Children** Margaret E.

Mohrmann,2006 In a fast paced complicated and evermore dangerous world it is easy to become self absorbed and consumed with our own problems There is one place however where we put our self centered concerns aside and our deep common humanity is profoundly touched That place is where sick children dwell It is no less difficult and perhaps even more difficult in many ways for physicians who have chosen to attend to the health and well being of gravely ill or dying children Margaret Mohrmann has devoted most of her professional life to them and in Attending Children she shares the remarkable education those children and their families have given her Her narratives are both painful and hopeful tragic and funny full of remarkable characters and sometimes bizarre families Mohrmann has sifted through her thirty years as a pediatrician and with poignancy humor and uncompromising honesty she shares her sometimes stumbling but always deeply caring journey through a land where sometimes small hands have to be let go too soon She introduces us to not only the physical challenges she her colleagues and her patients encounter but the spiritual ones as well Attending Children is a unique experience as Mohrmann takes the reader on a doctor s rounds over many years to meet the faces and the struggles the heartaches and the joys of being a pediatrician In the case of Margaret Mohrmann and her patients no one could ask for better teachers

Quicksand Anonymus,2009-11-24 A first person narrative of a woman whose family was touched by HIV AIDS explains the real ways through which HIV can be transmitted and the emotions can experience when a friend or family member has the virus **Foster Parent Handbook** Mary R. Rapshaw,2002-04-11 BECOME A FOSTER PARENT A mom dad house and dog do not make a home Everyday there are children who experience this sad fact when they are removed from their home due to neglect or abuse Not every foster child has a foster family In some regions foster children must wait for long periods of time in shelter care More than one half million children in the United States rely on foster families to provide a safe and loving home Many wonderful and caring families would like to open their homes to these children but are clueless about how to get started There are many misconceptions myths and misunderstandings surrounding foster care These concerns must be shattered and waiting children must be nurtured This book details for prospective foster parents the requirements qualifications and screening process Step by step foster parents are guided through the crucial decisions and directed to the vital information they will need to foster parent effectively Foster Parent Handbook provides an indispensable guide for navigating through the foster care system It is designed for use by prospective foster parents those who are currently foster parents and professionals providing foster care services **Contemporary Authors New Revision Series** Pamela

Dear,2001-06 In response to the escalating need for up to date information on writers Contemporary Authors New Revision Series brings researchers the most recent data on the world s most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors entries For your convenience a soft cover cumulative index is sent biannually While Gale strives to replicate print content some content may not be available due to rights restrictions Call your Sales Rep for details

A Small, Good Thing Anne Hunsaker Hawkins,2000 Provides an inspriational life affirming collection of stories of children living with the challenges of HIV and AIDS and the family members foster families medical personnel and social service people who care for them **Teaching Tolerance Magazine** ,1999 **Illness in the Academy** Kimberly Rena Myers,2007 Illness in the Academy investigates the deep seated widespread belief among academics and medical professionals that lived experiences outside the workplace should not be sacrificed to the ideal of objectivity those academic and medical professions so highly value The 47 selections in this collection illuminate how academics bring their intellectual and creative tools skills and perspectives to bear on experiences of illness The selections cross genres as well as bridge disciplines and cultures **The Best Books for Academic Libraries: Medicine** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers **American Book Publishing Record** ,2000-07 *The Last Dance* Lynne Ann DeSpelder,Albert Lee Strickland,2005 From the Publisher Widely recognized as the best selling textbook in the field The Last Dance Encountering Death and Dying 7th Edition is an interdisciplinary introduction to death dying and bereavement No prerequisite courses are necessary for students to appreciate the text s comprehensive treatment sensitive writing and unbiased presentation **Library Journal** ,2000-04

Encounters with the Invisible Dorothy Wall,2005 While news stories tout the successes of molecular science gene mapping and high tech interventions to treat disease there s another untold story within today s medical landscape It is the story of the growing number of chronic controversial illnesses chronic fatigue syndrome Gulf War syndrome fibromyalgia multiple chemical sensitivity poorly served by today s biomedical pathogen oriented approach to disease With a lyric incisive voice Dorothy Wall blends the personal story of her struggles with CFS with a graphic sketch of the CFS terrain the woeful federal response patient advocacy politics medical debates environmental questions Eighteen chapters explore a spectrum of issues Listening conveys the impact on a patient when medical practitioners are deaf to her story and posits listening as a moral act That Name leaps into the minefield of controversy between and among patient advocacy groups researchers and the medical establishment over the power to define name and legitimize disease The Erotics of Illness pulls readers to the intimate core of illness with its upheavals pain and tenuous pleasure Staying Home explores the meanings of enclosure for women and the struggle to find purpose and meaning in a reduced homebound life Personal drama merges with literary reflection reportage and medical history An important investigation of what many are calling postmodern illness Encounters

with the Invisible offers a thought provoking look at a controversial illness and the challenge to biomedicine it presents

The Philosopher's Index, 2007 Vols for 1969 include a section of abstracts **MHR**, 1987 **Medical Humanities**
Review, 2001 **Health Affairs**, 2004 **Ten Years of Medicine and the Arts** Lisa R. Dittrich, 2001 *New Books on*
Women and Feminism, 2001
