Iranian Culture Nasrin Rahimieh, 2015-08-27 Throughout modern Iranian history culture has served as a means of imposing unity and cohesion onto society The Pahlavi monarchs used it to project an image of Iran as an ancient civilisation re emerging as an equal to Western nations while the revolutionaries deployed it to remake the country into an Islamic nation Just as Iranian culture has been continually re interpreted the representations and avocations of Iranian identity vary amongst Iranians across the world Iranian Culture Representation and Identity demonstrates these fissures and the incompatibilities that refuse to be written out of national culture analysing works of literature popular music graphic art and film as well as oral narratives Using works produced before and after the 1979 revolution created both inside and outside of Iran this study reveals neglected complexities and contradictions in the field of Iranian cultural production It considers how contested claims to culture whether they originated in Iran or the Iranian diaspora shape our understanding of this culture and what spaces they create for new articulations of it and in doing so offers an important re examination of our collective concept of culture This book would be an excellent resource for students and scholars of Middle East Studies and Iranian Studies specifically Iranian culture including film and contemporary literature and the Iranian diaspora

Culture and Cultural Politics Under Reza Shah Bianca Devos, Christoph Werner, 2013-08-22 Culture and Cultural Politics Under Reza Shah presents a collection of innovative research on the interaction of culture and politics accompanying the vigorous modernization programme of the first Pahlavi ruler Examining a broad spectrum of this multifaceted interaction it makes an important contribution to the cultural history of the 1920s and 1930s in Iran when under the rule of Reza Shah Pahlavi dramatic changes took place inside Iranian society With special reference to the practical implementation of specific reform endeavours the various contributions critically analyze different facets of the relationship between cultural politics individual reformers and the everyday life of modernist Iranians Interpreting culture in its broadest sense this book brings together contributions from different disciplines such as literary history social history ethnomusicology art history and Middle Eastern politics In this way it combines for the first time the cultural history of Iran s modernity with the politics of the Reza Shah period Challenging a limited understanding of authoritarian rule under Reza Shah this book is a useful contribution to existing literature for

students and scholars of Middle Eastern History Iranian History and Iranian Culture *Media Perspectives for the 21st Century* Stylianos Papathanassopoulos, 2011-03-17 *Media Perspectives for the 21st Century* brings together key international scholars to explore concepts topics and issues concerning the communication environment in contemporary democratic societies It combines qualitative and quantitative approaches to provide an interdisciplinary and truly global perspective that reflects the trends theories and issues in current media and communication research The collection raises significant questions about the study of the media by challenging approaches to major media and societal issues and analyses in more depth the range of concerns that shape both the present and the future media landscape and the issues these can create for communication It also investigates the main effects of technological developments on the domain of the news media and journalism Divided into two main sections Part I provides accounts of the role of the media in society and deals with agendas that affect the field of communications studies Part II goes on to examine the world of new media and offers analyses on the developments of the 21st century Chapters deal with various dimensions of media from a number of different perspectives and socio political contexts covering a wide range of topics including Social Networking Political Communication Public Journalism Global Infotainment and Consumer Culture *Media Perspectives for the 21st Century* will be highly useful to undergraduate and postgraduate students as well as researchers and academics in the fields of media and communication studies mass communication journalism and new media *Radical Media* John D. H. Downing, 2000-08-18 This is an entirely new edition of the author's 1984 study originally published by South End Press of radical media and movements The first and second sections are original to this new edition The first section explores social and cultural theory in order to argue that radical media should be a central part of our understanding of media in history The second section weaves an historical and international tapestry of radical media to illustrate their centrality and diversity from dance and graffiti to video and the internet and from satirical prints and street theatre to culture jamming subversive song performance art and underground radio The section also includes consideration of ultra rightist media as a key contrast case The book's third section provides detailed case studies of the anti fascist media explosion of 1974-75 in Portugal Italy's long running radical media radio and access video in the USA and illegal media in the dissolution of the former Soviet bloc dictatorships **Discourses of Ideology and Identity** Chris Featherman, 2015-03-24 In this monograph Chris Featherman adopts a discourse analytical approach to explore the ways in which social movement ideologies and identities are discursively constructed in new and old media In the context of his argument Featherman also considers current debates surrounding the role that technologies play in democracy building and global activist networks He engages these critical issues through a case study of the 2009 Iranian presidential election protests looking at both US legacy media coverage of the protests as well as activists use of social media Through qualitative analysis of a corpus of activists Twitter tweets and Flickr uploads Featherman argues that activists social media discourses and protesters symbolic and tactical borrowing of global English contribute to micronarratives of

globalization while also calling into question master narratives about Iran commonly found in mainstream Western media accounts This volume makes a timely contribution to discussions regarding the relationship between cyber rhetoric and democracy and provides new directions for researchers engaging with the influence of new media on globalized vernaculars of English

The State of Resistance Assal Rad, 2022-08-25 Explores national identity formation and popular culture in post revolutionary Iran to enable a better understanding of contemporary Iran

Media Discourse Mary Talbot, 2007-09-15 This lively and accessible study of media and discourse combines theoretical reflection with empirical engagement and brings together insights from a range of disciplines Within media and cultural studies the study of media texts is dominated by an exclusive focus on representation This book adds long overdue attention to social interaction The book is divided into two sections The first outlines key theoretical issues and concepts including informalisation genre hybridisation positioning dialogism and discourse The second is a sustained interrogation of social interaction in and around media Re examining issues of representation and interaction it critically assesses work on the para social and broadcast sociability then explores distinct sites of interaction production communities audience communities and interactivity with audiences

Journalistic Practices in Restrictive Contexts Banafsheh Ranji, 2022-09-01 Based on fieldwork conducted in Iran this book discusses how it is possible for journalism to exist and function in a restrictive context The book brings together a range of structural macro organizational meso and individual micro processes to analyze journalistic practice in a politically restrictive setting a context thus far dominated by structural explanations Using Pierre Bourdieu's work as a starting point Banafsheh Ranji develops an explanatory framework for how Iranian journalists navigate the daily minefield of their professional environment The analysis sheds light on the everyday reality of journalism in Iran addressing factors that hinder journalists work while also showing how journalists use a set of double game strategies to simultaneously circumvent constraints and avoid retaliation Moving beyond notions of censorship and repression that accompany discussions of journalism in such settings the book instead focuses on how we may think of critical journalism professionalism and journalistic power agency and autonomy in restrictive contexts Offering powerful insights into the realities of journalism in a tightly controlled environment this book will be a key resource for scholars and students of journalism media and communication studies political science sociology Iranian studies and Middle East studies

Women and Media in the Middle East Naomi Sakr, 2004-09-24 Is today's changing media landscape in the Middle East empowering women This is the first book to address the dynamics of media ecology and women's advancement in the contemporary Middle East The book spans both the region and media forms from Iran's women's press via Maghrebi women filmmakers and Egyptian political films Palestinian TV and Hezbollah's TV station Al Manar It takes as its starting point the diverse experiences and multi layered identities of women and treats media institutions and practices as part of wider power relations in society By analysing media production consumption and texts it reveals where and how gender boundaries have been erected or crossed

Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Small Media Big Revolution Communication Culture And The Iranian Revolution : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
