Development Sai Tedla,2023-09-15 How can we forge an educational approach that is compassionate inclusive and founded on humanity s benevolent qualities One answer lies in honoring what is shared in common by all in Nature and including it in a Principle centered Education Program The Sol Education Program with its Community building process is such a Program that is founded on the one word Principle TruthLovePeace The Program emphasizes integrity and character since these are

practical expressions of The Principle TruthLovePeace and therefore indispensable to any education sector community center or work place Accordingly the Sol Education Program can be tailor to the needs of 1 different education sectors i.e formal non formal and informal education 2 community centers and 3 work places In the Sol Education Program Nature means the same as Community of Life This Community of Life is composed of humans water land air animals insects worms organisms plants life fostering elements like earth water energy sun air space and the rest of the universe What is shared in common in the Community of Life is existence isness being We are inseparably held as one by existence or being In other words we are not isolated or disconnected individuals who stand apart from each other or from the organic whole that is Nature Whatever happens to Nature as a whole impacts us all When we recognize and honor the being or existence that we share in common we respect Nature instead of exploiting it The common ground that affirms this Community of Life is the unified and unifying Principle which is composed of seven aspects that are written as one word

TruthLovePeaceGoodnessBeautyWisdomHappiness or briefly as TruthLovePeace Since TruthLovePeace cannot coexist with falsehood injustice exploitation hatred cruelty and turmoil we find that GoodnessBeautyWisdomHappiness is also absent where TruthLovePeace is missing Taking a closer look we find that humans on the whole value having TruthLovePeace in their lives and in the lives of those they hold near and dear to them In recognition of the commonality shared by humanity and the rest of Nature the Sol Education Program uses The Principle TruthLovePeace as its foundation The Program therefore commences by establishing its Sol Community Sol Villages Sol Homes and activities on The Principle TruthLovePeaceGoodnessBeautyWisdomHappiness In its learning and teaching ways Sol Education incorporates the learner centered the inquiry based and the learner participatory approaches Each member of the Sol Community Student Parent adopted Grandparent Teacher Professor Peer Advisor and Educator is viewed as both a Learner and a Teacher in the Community of Life All Sol Members as Learners and Teachers are encouraged to express their benevolent high Self in all daily interactions and activities by affirming The Principle TruthLovePeace In other words all Sol Members are regarded as Keepers of The Principle TruthLovePeace thus making selfless Service or Labor of Love the beating heart of Sol Community Every Sol Elder Teacher Professor Peer Advisor Educator and adopted Sol Grandparent is to exemplify Respectfulness in action so that our children and youth can experience the meaning of Respect and Appreciation This Respect and Appreciation for all includes tapping lightly from the bounty of Nature without harming others or taking more than we need *Our World Community* Marcellus Albertin, Marjorie Brathwaite, 2002 **It's a Small World After All** Jesper Leonard Vun, 2021-06-14 Experts say that a pandemic like the Spanish flu happens once in a century Well time s up In December 2019 the world witnessed the emergence of a new pathogen that brought it to a standstill The novel Coronavirus outbreak was declared a pandemic and governments worldwide executed unprecedented measures to contain it The impact on life was devastating Overnight people became more aware of self hygiene and the importance of social distancing However many are still left in
