When Adora Benet the daughter of two Brooklyn advice columnists gets her own column the repercussions of her answers are wide ranging and do not bring her the adulation she expects

The Genteel Tradition and the Sacred Rage Robert Dawidoff, 2000-11-09 Asking why many American intellectuals have had such difficulty accepting wholeheartedly the cultural dimensions of democracy Robert Dawidoff examines their alienation and ambivalence a tradition of detachment he identifies as Tocquevillian In the work of three towering American literary figures Henry Adams Henry James and George Santayana Dawidoff explores fully this distancing and uneasy response to democratic culture Linked together by common Harvard Cambridge and New England connections and by an upper class Brahmin background each of these three writers Dawidoff argues was at once self critical and contemptuous of cultural democracy especially its indifference to them and what they represented But their claims to detached observation of democratic culture must be viewed skeptically Dawidoff warns and borrowed with caution An important contribution of the book is its integration of gay issues into American intellectual history Viewing James's and Santayana's attitudes toward their homosexuality as affecting their views of American society Dawidoff examines this significant and overlooked element in the American intellectual and cultural mix Dawidoff also includes powerful new readings of Adams's Democracy and James's The Ambassadors and discusses Santayana's Americanist essays In his foreward Alan Trachtenberg notes the taboo that seems to have fallen over the word democracy It is rarely encountered anymore in humanistic studies he says snubbed in favor of gender class race region This trend he says may be

in part due to an unease about studying the culture in which we participate because the posture of the cultural critic implies a certain detachment The Genteel Tradition and the Sacred Rage returns the question of democracy to centerstage he concludes not as political theory alone but as cultural and personal experience Originally published in 1992 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The Self-concept: Theory and research on selected topics* Ruth C. Witt,2020-07-15 Ricardo Torralba and August Morrison don't agree on much besides the fact that they hate each other According to Ricardo August is a spoiled brat who really needs to knock off the sass once in a while August insists that Ricardo needs a sense of humor a good lay or a well placed bullet Maybe all three Fortunately the assassin's profession is a solitary one and they can go about their lives without getting in each other's way Usually When a contracted hit turns out to be a setup for both of them they narrowly escape with their lives Now even if they don't like it spoiler they don't August and Ricardo have to work together if they want a shot at survival In between firefights and questionable interrogation methods as they hunt down their would be killer the cranky assassins discover that under all that mutual loathing is a spark of chemistry they can't ignore They want to ignore it they probably should ignore it but August can't help flirting to annoy Ricardo and Ricardo can think of at least one way to shut him up for a while But they need to focus damn it and figure out who's gunning for them and why Assuming they don't kill each other first Hitman vs Hitman is a standalone gay romantic suspense featuring two men who'd rather chew glass than fall for each other a whole lot of inappropriate comments and some buttons that will need resewing Okay it was supposed to be a standalone but August and Ricardo refused to be contained so now they have a sequel Sniper vs Spotter

Fans of L J Hayward and Alice Winters will love this assassin duo featuring a grumpy special forces veteran and the irreverently sunshine billionaire who drives him up a wall Come for the enemies to lovers stay for the feels And explosions
