## Smile And Let Us Truly Love One Another:

*Woman as Prophet in the Home and the World* R. Mary Hayden Lemmons, 2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the feminine genius secular feminism s need to adopt the insights of Christianity and the ability of femininity s prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small Midwestern town Overall these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives families and culture *Little Voices Praise Him*, 2005-10 Joseph II. and his Court L. where I live The new Zombie Overlord is smarter crazier and much more well equipped than anyone we d dealt with in the past We have something he wants badly I know he s going to come and get it and try and wipe us out in the process men women and even the children I d seen it done before elsewhere for lesser reasons This is my home These are my people my family This is personal Praise for Blood Soaked and Contagious I give it an EW factor of 10 Diana Gabaldon 1 New York Times bestselling author of the Outlander Series *International Journal of Religious Education* ,1926 **Christian Budget and News of the Day** ,1891 **Evangelical Christendom** ,1849 *Inherit the Kingdom: Heirs of God and Joint Heirs with Christ* Rev.
