Smiling Through The Apocalypse:

Smiling Through the Apocalypse, 1969 *America in White, Black, and Gray* Klaus P. Fischer, 2006-01-01 Numerous studies on various aspects of the issues of the 1960s have been written over the past 35 years but few have so successfully integrated the many sided components into a coherent synthetic and reliable book that combines good storytelling with sound scholarly analysis *Norman Mailer in Context* Maggie McKinley, 2021-08-26 This volume offers new insight into the contextual background and literary historical impact of Norman Mailer's body of work **Sauntering Through Apocalypse** Jim Cleveland, 2014-04 Readers can join the Absurd Sojourns and Spirit mind quests of the author over a couple of decades in which in two centuries collide Eternal satirical questions are considered in part one Can literary giants such as Shakespeare Hemingway and Faulkner explain why the chicken crossed the road Is Little Richard the epitome of philosophic simplism Can dark sibling Forrest Grump find reconciliation and also direct Can Snake Pleskin escape both Sedona and Iraq Does the white man's manifest destiny include photo ops with pliant Indians and black kids with watermelons Can a novice movie reviewer separate bombs and bombshells Will Christians Jews and Muslims continue to kill each other with expensive explosives and send us the bill How can the herdings of cats lead to wealth and fame And in part two humans have a spiritual endowment and personal mission they can't begin to imagine Is your own personal Truth Beauty Goodness your very best religion Will you consider 21 new spiritual enlightenments for the 21st century How have slavery segregation and other acrimonious separations contributed to a malaise of spiritual poverty in the deep South Are you persuaded by the spiritual realities expressed by a celestial Melchizedek Did you know that the practice of Stillness can lead to fortuitous contact with spiritual teachers representing our Universal Father Both parts lift the reader into a philosophical framework that combines perceptive topical humor and a sound path to weave personal spiritual growth into a crazy world **New York Magazine**, 1970-03-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Meanings of Social Life* Jeffrey C. Alexander, 2003 Presents an approach to how culture works in societies Exposing our everyday myths and narratives in a series of empirical studies that range from Watergate to the Holocaust this work shows how these unseen cultural structures translate into concrete actions and institutions **Damn the Man!** Tom Dalzell, 2010-01-01 A fascinating exploration of the role of language in the culture of resistance this volume features hundreds of colorful expressions with examples of defiant slang from books movies periodicals and other media Sources include communities of African Americans immigrant minorities poor whites gay men the armed forces prisoners the workplace and countercultures Hardcover edition *We'll Always Have Paris* Harvey Levenstein, 2010-03-15 For much of

the twentieth century Americans had a love hate relationship with France While many admired its beauty culture refinement and famed joie de vivre others thought of it as a dilapidated country populated by foul smelling mean spirited anti Americans driven by a keen desire to part tourists from their money We ll Always Have Paris explores how both images came to flourish in the United States often in the minds of the same people Harvey Levenstein takes us back to the 1930s when despite the Great Depression France continued to be the stomping ground of the social elite of the eastern seaboard After World War II wealthy and famous Americans returned to the country in droves helping to revive its old image as a wellspring of sophisticated and sybaritic pleasures At the same time though thanks in large part to Communist and Gaullist campaigns against U S power a growing sensitivity to French anti Americanism began to color tourists experiences there strengthening the negative images of the French that were already embedded in American culture But as the century drew on the traditional positive images were revived as many Americans again developed an appreciation for France s cuisine art and urban and rustic charms Levenstein in his colorful anecdotal style digs into personal correspondence journalism and popular culture to shape a story of one nation s relationship to another giving vivid play to Americans changing response to such things as France s reputation for sexual freedom haute cuisine high fashion and racial tolerance He puts this tumultuous coupling of France and the United States in historical perspective arguing that while some in Congress say we may no longer have french fries others like Humphrey Bogart in Casablanca know they will always have Paris and France to enjoy and remember

Scriptures for a Generation Philip D. Beidler, 1995-10-01 More than fifty writers from Timothy Leary and Malcolm X to Helen Gurley Brown and Rachel Carson are individually profiled in this lively survey of the literature of the 1960s A look at the books behind the decade s youth movements Scriptures for a Generation recalls the era as one of unprecedented literacy and belief in the power of books to change society In showing that the generation that came of age in the 60s marked both the height and the end of the last great reading culture Philip D Beidler also implies much about the state of literacy in our country today Featured are bona fide 1960s classics ranging from Kahlil Gibran s The Prophet and Kurt Vonnegut s Slaughterhouse Five to Carlos Casteneda s The Teachings of Don Juan and the Boston Women s Health Book Collective s Our Bodies Ourselves Represented as well are such works of revered elders as Hermann Hesse s Steppenwolf and Henry David Thoreau s Walden Beidler s coverage also extends to works of the early 1970s that are textual and spiritual extensions of the 1960s the Portola Institute s Last Whole Earth Catalog Annie Dillard s Pilgrim at Tinker Creek Robert Pirsig s Zen and the Art of Motorcycle Maintenance and others

Landslide Jonathan Darman, 2014-09-23 In politics the man who takes the highest spot after a landslide is not standing on solid ground In this riveting work of narrative nonfiction Jonathan Darman tells the story of two giants of American politics Lyndon Johnson and Ronald Reagan and shows how from 1963 to 1966 these two men the same age and driven by the same heroic ambitions changed American politics forever The liberal and the conservative The deal making arm twister and the cool communicator The Texas rancher and the Hollywood star

Opposites in politics and style Johnson and Reagan shared a defining impulse to set forth a grand story of America a story in which he could be the hero In the tumultuous days after the Kennedy assassination Johnson and Reagan each in turn seized the chance to offer the country a new vision for the future Bringing to life their vivid personalities and the anxious mood of America in a radically transformative time Darman shows how in promising the impossible Johnson and Reagan jointly dismantled the long American tradition of consensus politics and ushered in a new era of fracture History comes to life in Darman s vivid fly on the wall storytelling Even as Johnson publicly revels in his triumphs we see him grow obsessed with dark forces he believes are out to destroy him while his wife Lady Bird urges her husband to put aside his paranoia and see the world as it really is And as the war in Vietnam threatens to overtake his presidency we witness Johnson desperately struggling to compensate with ever more extravagant promises for his Great Society On the other side of the country Ronald Reagan a fading actor years removed from his Hollywood glory gradually turns toward a new career in California politics We watch him delivering speeches to crowds who are desperate for a new leader And we see him wielding his well honed instinct for timing waiting for Johnson s majestic promises to prove empty before he steps back into the spotlight on his long journey toward the presidency From Johnson s election in 1964 the greatest popular vote landslide in American history to the pivotal 1966 midterms when Reagan burst forth onto the national stage Landslide brings alive a country transformed by riots protests the rise of television the shattering of consensus and the two towering personalities whose choices in those moments would reverberate through the country for decades to come Praise for Landslide Richly detailed Landslide is a vivid retelling of a tumultuous three years in American history and Mr Darman captures in full the personalities and motives of two of the twentieth century s most consequential politicians The New York Times Novel and even surprising Landslide deftly reminds readers that Johnson and Reagan both trafficked in grandiose oratory and promoted utopian visions at odds with the social complexity of modern America The Washington Post Riveting Darman portrays Johnson and Reagan as polar opposites of political attraction Animated by the artful insight that they were men of disappointment headed toward an appointment with history A tale about myths and a nation that believed them about a world of a half century ago now gone forever The Boston Globe Alert to the subtleties of politics and political history Darman a former correspondent for Newsweek nimbly explores delusion and self delusion at the highest levels The New York Times Book Review

Tigerland Wil Haygood,2018-09-18

Against the backdrop of one of the most tumultuous periods in recent American history as riots and demonstrations spread across the nation the Tigers of poor segregated East High School in Columbus Ohio did something no team from one school had ever done before they won the state basketball and baseball championships in the same year They defeated bigger richer whiter teams across the state and along the way brought blacks and whites together eased a painful racial divide throughout the state and overcame extraordinary obstacles on their road to success In Tigerland Wil Haygood gives us a spirited and stirring account of this improbable triumph and takes us deep into the personal lives of these local heroes At the same time

he places the Tigers story in the context of the racially charged sixties bringing in such national figures as Jackie Robinson Martin Luther King Jr and Richard Nixon all of whom had a connection to the teams and a direct effect on their mythical season

I Hear a Symphony Andrew Flory, 2017-05-30 Investigates how the music of Motown Records functioned as the center of the company's creative and economic impact worldwide

Ghosts of Iron Mountain Phil Tinline, 2025-03-25 A compelling work of investigative journalism that explores the surprising origins and hidden ramifications of an epic late 1960s hoax perpetrated by cultural luminaries including Victor Navasky and E L Doctorow For readers curious about the surprising connections between John F Kennedy Oliver Stone Timothy McVeigh Alex Jones and Donald Trump

Ex Libris Michiko Kakutani, 2020-10-20 Pulitzer Prize winning literary critic Michiko Kakutani shares 100 personal thought provoking essays about books that have mattered to her and that help illuminate the world we live in today with beautiful illustrations throughout A book tailor-made for bibliophiles Oprah Winfrey An ebullient celebration of books and reading Publishers Weekly starred review In the introduction to her new collection of essays *Ex Libris* 100 Books to Read and Reread Michiko Kakutani writes In a world riven by political and social divisions literature can connect people across time zones and zip codes across cultures and religions national boundaries and historical eras It can give us an understanding of lives very different from our own and a sense of the shared joys and losses of human experience Readers will discover novels and memoirs by some of the most gifted writers working today favorite classics worth reading or rereading and nonfiction works both old and new that illuminate our social and political landscape and some of today's most pressing issues from climate change to medicine to the consequences of digital innovation There are essential works in American history The Federalist Papers The Writings and Speeches of Martin Luther King Jr books that address timely cultural dynamics Elizabeth Kolbert's *The Sixth Extinction* Daniel J Boorstin's *The Image* Margaret Atwood's *The Handmaid's Tale* classics of children's literature the Harry Potter novels *Where the Wild Things Are* and novels by acclaimed contemporary writers like Don DeLillo William Gibson Chimamanda Ngozi Adichie and Ian McEwan With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates *Ex Libris* is an impassioned reminder of why reading matters more than ever

America's Uncivil Wars Mark H. Lytle, 2006-02-10 *America's Uncivil Wars* explores the social cultural issues that preoccupied America in the years 1954-1974

Engaging Art Roslyn Bernstein, 2020-05-14 This book explores the tangled texture of the art world a curious and mysterious space In 60 essays drawn from around the globe it reveals new dimensions about how artists make their art resist censorship and retain an independent creative spirit The essays ask and answer several crucial questions How do artists in Europe the United States Asia the Middle East and Latin and South America find space to live and work How do artists follow their talent to make and exhibit original art in a politicized world where artistic freedom is often limited How do smaller artistic venues survive the economic pressures and competition in the art market Focusing on under the radar subjects the reports interviews and essays illuminate the pain and pleasures of artistic production and the challenges faced

by artists curators and gallerists **Fin De Siecle Social Theory** Jeffrey C. Alexander,1995-07-17 This book is more than just critical commentary The author advances in this book a bold program for understanding the new world we inhabit

Dangerous Knowledge Art Simon,2010-06-29 An intriguing work of cultural criticism on the contemporary meaning and influence of images from the JFK assassination **A New World to Be Won** G. Scott Thomas,2011-09-12 This book tells the story of 1960 a tumultuous transitional year that unleashed the forces that eventually reshaped the American nation and the entire planet to the joy of millions and the sorrow of millions more In 1960 attitudes were changing barriers were falling It was a transitional year during which the world as we know it today was beginning to take shape While other books have focused on the presidential contest between Kennedy and Nixon A New World to Be Won John Kennedy Richard Nixon and the Tumultuous Year of 1960 illuminates the emerging forces that would transform the nation and the world during the 1960s putting the election in the broader context of American history and world history as well While the author does devote a large portion of this book to the 1960 presidential campaign he also highlights four pivotal trends that changed life for decades to come unprecedented scientific breakthroughs ranging from the Xerox copier to new spacecraft for manned flight fragmentation of the international power structure notably the schism between the Soviet Union and China the pursuit of freedom both through the civil rights movement at home and the drive for independence in Africa and the elevation of pleasure and self expression in American culture largely as a result of federal approval of the birth control pill and the increasing popularity of illegal drugs **With Amusement for All** LeRoy Ashby,2006-05-12 With Amusement for All contextualizes what Americans have done for fun since 1830 showing the reciprocal nature of the relationships among social political economic and cultural forces and the ways in which the entertainment world has reflected changed or reinforced the values of American society
