On the Lips of Others Patrick Thomas Hajovsky, 2015-06-01 An interdisciplinary study investigating how the name and portrait of Moteuczoma a.k.a. Moctezuma Montezuma II were represented in Aztec monuments and colonial manuscripts and how the concept of fame operated in the Aztec world

The Halls of Montezuma Michael Cantwell, 2012-11 Fourteen year old Peter Collins cannot help but wonder if it was all just a dream Even though it has been two years since he traveled back in time to ancient Mexico with his friend Rosa Guzman two questions continue to haunt him Why hasn't Quetzalcoatl the plumed serpent who guided Rosa and him through their time travels returned as he had promised Who is his real father Peter knows the secret will be revealed once he passes his final test When Quetzalcoatl finally shows up the boy cannot help but feel a little anxious about his most important mission to date After Peter and Rosa travel back in time once more to the last days of the Aztec Empire they are taken to Lord Montezuma who declares that Topiltzin the incarnation of Quetzalcoatl is returning to reclaim his throne When he hears hostile warriors are advancing toward the capital Montezuma is convinced their leader is Topiltzin and decides to welcome him to avoid a war of all the gods But unfortunately Montezuma could not be more wrong In the exciting conclusion to the Tollan Trilogy two teenage adventurers must create peace between the conquerors and the people of ancient Mexico before the future of America is changed forever and Peter's past is finally revealed Cantwell concludes his Tollan trilogy with high school time traveler Peter Collins' greatest adventure yet In previous books in the series Peter and his friend Rosa traveled to ancient Mexico with the help of the serpent god Quetzalcoatl Now they journey to Tenochtitlan the city of the Aztecs where they must set history on its right course Tasked with no little feat Peter and Rosa reach the heart of one of the most contentious times in Mexican history When a conquistador known in Spanish as Cortes comes to the Aztec city Peter and Rosa help Emperor Montezuma deal with the newcomer Together they must figure out if the man is Topiltzin the human reincarnation of Quetzalcoatl or a stranger bent on conquering the city by force Eventually Quetzalcoatl does in fact return and he brings Peter and Rosa forward in history to the city of Choula where they try to bring peace to the nascent country of Mexico by convincing the Spaniards that Mexicans deserve love respect and equality Cantwell superbly recreates ancient Mexico with colorful descriptions of city buildings citizens' attire and specific details like blood in the streets from human sacrifices Despite offering an admirable message for kids the trip to Choula feels out of place and more like a mere detour Additionally

readers are swept away before seeing the fall of the Aztecs which is a bit disappointing the end of Topiltzin s story is merely told to reader rather than shown Nonetheless Cantwell brings his trilogy to a satisfying conclusion as Peter and Rosa realize they re more than just friends and Peter finally learns the shocking truth of his parentage **The Smoke-Free Smoke**
