of society and rebuild their entire concept of reality then the Left and their woke indoctrinators will consider that a victory. But we can't let them win. As concerned parents and American citizens, we have to understand what's truly going on before we can do something about it. *Stolen Youth* provides an urgent deep dive into issues surrounding the current woke indoctrination happening in politics, education, medicine, mental health, entertainment, and culture. These issues may seem subtle, insidious, and hard to make sense of, but armed with the information provided in this book, we now have a framework from which to fight. While we may simply be trying to parent our children well and create a healthy and happy home environment, this is no longer enough. We must now go on the offense to protect our kids, and this book sheds a bright light on the reason why. We can no longer afford to stay ignorant. Our children's lives and the survival of our families are at stake. A win is a family who is free. *Stolen Youth* outlines how to fight for our children's freedom and win.
