Sixty Precarious Years:

Gigs, Hustles, & Temps Jason Foster, 2023-04-25 Precarious work contributes to rampant inequality increased insecurity and the crisis of public and mental health Gigs Hustles and Temps explains why In this profoundly troubling and incisive look at the state of work and welfare in Canada Jason Foster reveals the long often hidden process that has left our jobs less secure our livelihoods more uncertain and the pockets of Canada's wealthy fatter than ever This phenomenon the rise of precarious work touches the entire economy and contributes to levels of income inequality unseen since the early 20th century Our world is less secure than it has been in generations Gigs Hustles and Temps describes how we got here and why Jobs across the economy are increasingly more precarious and they share similar characteristics impermanence little to no benefits and no union representation Uber Starbucks and Amazon have led the way Governments are contracting out more labour than ever before Tech companies hire workers on flexible contracts without the prospect of long term employment Migrant workers too are working without a safety net figuratively and literally No matter where you fall on the socio economic ladder your life is probably more precarious than your parents once was Foster offers insights into the many consequences of our increasingly precarious world He also details some of the less obvious repercussions of precarious work including its contribution to the crisis of mental and public health across Canada Foster argues that the rise of precarious work is more a return to normal for capitalist economies But there is a flip side advances in worker welfare have come through solidarity struggle and negotiation with the forces currently promoting precarious work across Canada's economy Things don't have to be the way they are Gigs Hustles and Temps is a comprehensive accessible and essential guidebook on the road to a better world

The 1249 Club Russ Brown, 2018-02-02 Russ has personally experienced the destructive cycle of marriage divorce and remarriage in his and his family's lives multiple times Unfortunately in the Western world today the common statistics of marriage failures are one out of two first marriages fail two out of three second marriages fail and four out of five third and on marriages fail Russ has now written The 1249 Club for 1 those who are married and want to be married 2 those who are married and do not want to be married and 3 those who are not married and want to be married The 1249 Club aims to scripturally help many to 1 avoid marriage for the wrong reasons 2 strengthen existing marriages 3 save troubled marriages 4 spark forgiveness and reconciliation between separated or divorced couples 5 save families where possible and 6 lower the divorce rate to 1 out of 1 250 Another way of saying it is The 1249 Club teaches married couples divorced couples and

singles the subtle causes devastating consequences and achievable cures of breaking the marriage covenant The cause of divorce is selfish sinful and unloving behavior and the cure of divorce is selfless sinless and loving behavior When divorce occurs the hurtful consequences are life altering and unending for generations The consequences can be avoided when divorce never occurs but results in confession repentance forgiveness and reconciliation The 1249 Club teaches these biblical principles and how to apply them They are simple but make no mistake not easy yet with God all things are possible Get the book and 1 listen to the teachings 2 hear the teachings in your spirit 3 understand the teachings and 4 apply the teachings to your lives That and God will make a difference in your marriage journey **Where the Money Was** Willie Sutton, Edward Linn, 2004-03-23 The Broadway Books Library of Larceny Luc Sante General Editor For more than fifty years Willie Sutton devoted his boundless energy and undoubted genius exclusively to two activities at which he became better than any man in history breaking in and breaking out The targets in the first instance were banks and in the second prisons Unarguably America's most famous bank robber Willie never injured a soul but took on almost a hundred banks and departed three of America's most escape proof penitentiaries This is the stuff of myth rascally and cautionary by turns yet true in every searing diverting and brilliantly recalled detail The Sacred and Profane History of the World Samuel Shuckford, 1824
