Teen Volunteer Services In Libraries:

Making the Most of Teen Library Volunteers Becca Boland,2020-03-02 When teens volunteer at the library they gain new skills make connections and build their resumes while libraries benefit from a new generation of advocates This guide shows librarians how to establish or develop a teen volunteer program Advocating a flexible approach this book speaks to every library including both public and school libraries From small libraries with no budget to large libraries with seemingly endless budgets and everything in between all of the concepts covered can be scaled up or down to meet the needs of the community being served The book begins with the big picture discussing benefits to teens libraries and communities it then reviews volunteer types and volunteer possibilities for teens including the traditional roles of shelving and programming as well as passion led projects programming opportunities and special initiatives and drives Specific volunteer roles are described in depth with instructions for practical applications and concrete examples and experiences from various types of libraries illustrate principles discussed Readers will also learn how to establish volunteer partnerships within and outside of the library The book ends with a discussion of methods for evaluation and assessment Teen Volunteer Services in Libraries Kellie M. Gillespie,2004 Aimed at both experienced and new volunteer managers this guide offers practical advice about starting and maintaining effective teen volunteer programs in school and public libraries With sensitivity for teens special needs and their lack of experience in the workplace it covers the basics of interviewing training and supervising Included are profiles of several library volunteer programs with sample forms and promotional materials lively anecdotes from the library world and tips from successful managers of teen volunteers **Library Teen Advisory Groups** Diane P. Tuccillo,2018-04-05 Teen advisory groups TAGs may flourish in many libraries today but many others are newly initiating them or hoping to revitalize ones that are floundering But even successful groups need tips and best practices to make their TAGs even better This updated and revised second edition remains the go to guide for planning running and evaluating TAGs in both school and public libraries Its wealth of positive advice and information leads TAG teens and their peers to meaningful experiences that encourage reading library use and library support into adulthood In this indispensable guide Diane P Tuccillo carefully explains and explores the current wide landscape of TAGs covering funding to bylaws getting a new group on its feet to rejuvenating an old one planning traditional TAG projects to creating unique roles and community involvement to voting on adult library boards Vivid profiles of successful teen groups organized into public and school library sections tell each group s story along with pertinent teen feedback Sample documents covering mission statements applications parent permission forms publicity flyers and teen book review ideas as well as evaluation advice can be borrowed or adapted A helpful bibliography and webliography is included Library directors school administrators library educators and librarians who work directly with teens in school and public libraries will be unable to resist such compelling testaments to the value of TAGs *Library Volunteers* Allison Renner,2019-04-20 Volunteers are one of the most overlooked

and underused resources available to nonprofits and other organizations This guide will help find willing volunteers in the community and utilize their skills in a way that benefits the volunteer as well as the organization Overseeing volunteers can be a daunting task On top of all of the other duties library staff are typically responsible for creating a volunteer program from scratch can seem nearly impossible The work doesn't stop once the program is created volunteers have to be trained and retained job duties have to be written assessed and refreshed the benefits of the program need to be documented and weighed While volunteer coordinator is easily a full time job it rarely is in the library or nonprofit world Anything that can make volunteer management easier on library and nonprofit staff will benefit everyone involved **Library Volunteers A Practical Guide for Librarians** covers every aspect of volunteer programs from creating to recruiting to retaining and keeping the opportunities fresh and appealing It has information pertaining to elementary age teenage and adult volunteers including innovative and unique volunteer positions that can be offered to them The book covers both school and public library settings but the information provided can be adapted slightly to benefit any organization that has a need for volunteer help It looks beyond the scope of the library to include information on outreach and partnering with community organizations to provide volunteer opportunities to library patrons and volunteers on a broader scale It is a complete handbook for library and nonprofit employees to use to solve any volunteer issue they might have

Library Materials and Services for Teen Girls Katie O'Dell, 2002-08-14 Libraries can define their service goals to better serve and empower teen girls This book shows how you can make a difference in your community by establishing partnerships with organizations offering developmentally appropriate programming and providing timely reader's advisory services tailored to this population A short history of girl power collection development guidelines library programming ideas and issues regarding girls and technology volunteering collaboration and outreach are provided An introduction epilogue bibliography and index complete the book Make a difference in your community improve your library services to teen girls This book describes how libraries can define their service goals to better serve and even empower young women Author O'Dell describes how to establish partnerships with organizations offer developmentally appropriate programming and provide timely reader's advisory services Everything you need to know is presented here a short history of girl power collection development guidelines library programming ideas and issues regarding girls and technology volunteering collaboration and outreach An introduction epilogue bibliography and index complete the book

Sizzling Summer Reading Programs for Young Adults Katharine L. Kan, 2006-01-02 Offers over fifty ideas to promote young adult reading including such theme programs as crime scene investigation poetry workshops readings combined with field trips and cross cultural events featuring henna tattooing and food

Urban Teens in the Library Denise E. Agosto, Ph.D., Sandra Hughes-Hassell, 2010-01-26 From a team of experts who have researched the information habits and preferences of urban teens to build better and more effective school and public library programs

Teen Services 101: A Practical Guide for Busy Library Staff Megan P. Fink, 2015-02-02 Need to

amp up teen services but you're short on time or not sure where to start *Teen Services 101: A Practical Guide for Busy Library Staff* provides useful information that will help staff put together a basic teen services program with minimal time and hassle. The author Megan Fink along with contributions from Maria Kramer provides practical tips and instructions on how to build core teen services into the overall library program. Whether you're a new teen services librarian or staff in a one person library, this how to guide on teen services can help you effectively serve teen patrons. Let's face it, teens are sometimes overlooked by libraries when it comes to services and programs. However, there are over 42 million teens in the US which makes them a sizeable and important demographic to serve. Many of today's teens are struggling. More are living in poverty than before and nearly 7,000 teens drop out of high school per day. By setting aside some time to increase your library's focus on teens, you will be providing a vital service and positioning your library as an indispensable part of the community. The resources and information in this book can help you achieve that.

Library Volunteers Welcome! Carol Smallwood, Lura Sanborn, 2016-09-02. Volunteers are crucial to the daily operation of any library. Finding and retaining the right people, motivating them, and matching their skills with projects is challenging. This collection of 30 new essays brings together the experiences of numerous individuals across the U.S. providing ideas, projects, and best practices for volunteer recruiting and management. The contributors, among them library board members, heads of special collections, directors of state library associations, outreach coordinators, archivists, and researchers, discuss a broad range of topics in five sections: recruitment and retention, policies and process, mentoring and empowering, placement programs, and responsibilities and outreach.

The Whole Library Handbook 5 George M. Eberhart, 2013-04-23. The *Whole Library Handbook* now in its fifth edition is an encyclopedia filled with facts, tips, lists, and resources essential for library professionals and information workers of all kinds, all carefully handpicked to reflect the most informative, practical, up to date, and entertaining examples of library literature. Organized in easy to find categories, this unique compendium covers all areas of librarianship from academic libraries to teen services, from cataloging to copyright and from gaming to social media. Selections include: Facts and figures on library workers; Bookmobile guidelines; 100 great libraries of the world; Job search and recruitment techniques and advice on how to deal with tough economic times; Tips on writing articles and book reviews; Fun with cataloging rules; Famous librarians; favorite books. Covering a huge spectrum of librarianship, this one of a kind volume is both educational and entertaining.
