Readers Theatre Treasury of Stories Win Braun,Carl Braun,1996 This book describes the many uses and benefits of readers theatre Readers Theatre is a cooperative or shared reading of a poem story or lyrics of a favourite song Two or more readers can take part Even if a piece is scripted for only two readers and you want more than two readers to participate assign parts to a duet or chorus And there are times when you will want to give a part to a weaker and stronger reader for practice so that one reader supports the other till both feel comfortable enough to read independently Simple as that **Story**
