Fantasy Femmes of Sixties Cinema Tom Lisanti, 2015-05-20. Elvis Presley, musicals, beach romps, biker flicks, and alienated youth movies were some of the most popular types of drive-in films during the sixties. The actresses interviewed for this book, including Celeste Yarnall, Lana Wood, Linda Harrison, Pamela Tiffin, Deanna Lund, Diane McBain, Judy Pace, and Chris Noel, all made their mark in these genres. These fantastic femmes could be found either twisting on the shores of Malibu, careening down the highway on a chopper, being serenaded by Elvis, or taking on the establishment as hip coeds. As cult figures, they contributed greatly to that period of filmmaking aimed at the teenage audience who frequented the drive-ins of America. They frolicked, screamed, and danced their way into B movie history in such diverse films as *Eve*, *Teenage Millionaire*, *The Girls on the Beach*, *Dr. Goldfoot and the Bikini Machine*, *Three in the Attic*, *Wild in the Streets*, and *Paradise Hawaiian Style*. This book is a celebration of the actresses' careers. They have for the most part been overlooked in other publications documenting the history of film. *Fantasy Femmes* addresses their film and television careers, focusing on their view of the above genres, their candid comments, and anecdotes about their films, the people they worked with, and their feelings in general regarding their lives and the choices they made. The book is well illuminated and contains a complete list of film and television credits.

Each entry gives a synopsis, cast, and credits, critical reception, and a discussion of the events of the films compared to the historical record. Among the entries are made for TV and direct-to-video films, foreign movies, and continuing television series in which Billy the Kid made an appearance.

Beverly Garland Deborah Del Vecchio, 2013-01-02. Named Television's First Lady by Walter Ames of the Los Angeles

Times actress Beverly Garland 1926-2008 is also regarded as a Western and science fiction film icon. Beverly was TV's first police woman in the landmark series *Decoy* and was seen in starring or recurring roles in such popular shows as *My Three Sons* and *Scarecrow and Mrs. King*. In addition to more than 700 television appearances, she made more than 55 feature and made-for-television films, including the cult classics *Not of This Earth*, *It Conquered the World*, and *The Alligator People*. Working with such stars as Sinatra, Bogart, and Bing Crosby, Beverly Garland had fascinating stories to tell about all of them and many more. This comprehensive biography of Beverly's life and career includes a foreword and afterword by her colleagues Joseph Campanella and Peggy Webber.

Wandering The Wild Wild West Don Presnell, 2021-11-22 The *Wild Wild West* premiered on CBS in 1965 just as network dominance of television Westerns was waning and the global James Bond phenomenon was in full force. Described as James Bond on horseback, the series was like nothing else on TV before or since: a genre hybrid that followed the adventures of 1870s Secret Service agents James West and Artemus Gordon on special assignment from President Ulysses S. Grant. The show featured clever gadgets and costumes, carefully choreographed action and fight sequences, and stories that melded elements of Western, science fiction, fantasy, espionage, and detective genres. This book provides in-depth critical analysis of this unique eclectic series, considered one of the primary influences on Steampunk subculture.

The Volcano Registry Harris M. Lentz, 1999 Presents an alphabetical listing of over 1,500 volcanoes around the world, each with the volcano name, location, geographical coordinates, a physical description, and type, and in some cases a summary of the dates of particular eruptions or activity and a note on the damage that resulted.

Charles Bronson Michael R. Pitts, 2015-09-17 This work covers Bronson's entire output in film and on television and includes many film stills and photographs. Alphabetical entries list film or episode, complete cast and credits, and year of release. Accompanying each entry's plot synopsis and discussion is a survey of the critical responses to the work. The great Charles Laughton once said Bronson has the strongest face in the business, and he is also one of its best actors. Pretty high praise for an actor who, though loved by fans worldwide, has been consistently underestimated by critics. Bronson's career has spanned five decades, from such television appearances in *The Fugitive*, *Rawhide*, *Bonanza*, and *Have Gun Will Travel* as well as the telemovie *A Family of Cops* (1995) and its two sequels. He will long be remembered for his role as urban vigilante Paul Kersey in the *Death Wish* films. Bronson is one of the most enigmatic and also most recognizable of all film stars.
