

TELL IT TO THE RABBIS
AND OTHER POEMS 1977-2000

STEPHEN KESSLER

Tell It To The Rabbis And Other Poems 1977

Eliezer Segal

Tell It To The Rabbis And Other Poems 1977:

Tell it to the Rabbis, and Other Poems, 1977-2000 Stephen Kessler, 2001 Poetry Moving through a great range of moods and modes over twenty four years of writing yet unified by an unmistakable voice lyrical colloquial ardent irreverent TELL IT TO THE RABBIS is a generous revelation of Stephen Kessler's heteroformalist poetics From the erotic to the satiric the surreal to the prosaic the journalistic to the intimate the sentimental to the cynical the epigrammatic to the incantatory the author's versatility passion wit and imagination are alive on every page A love poet of sensitive memory he constructs his poems as bastions of feeling amid crumbling values and collapsing affirmations Jack Hirschman California Poetry Dana Gioia, Chryss Yost, Jack Hicks, 2004 The first historical anthology to provide a comprehensive survey of California poetry this ground breaking new book presents the work of 101 authors across two centuries California Poetry includes poets as diverse as Ambrose Bierce Yone Noguchi Robinson Jeffers Josephine Miles Charles Bukowski Ishmael Reed Francisco X Alarcón and Marilyn Chin With ample biographical and critical notes for each author California Poetry goes beyond the limits of the ordinary anthology and provides a detailed and often intimate account of the Golden State's rich but often neglected cultural history **Poetry** Harriet Monroe, 2001 *Contemporary Authors* Scot Peacock, 2002-05 Your students and users will find biographical information on approximately 300 modern writers in this volume of Contemporary Authors R **Jewish American Literature** Jules Chametzky, 2001 A collection of Jewish American literature written by various authors between 1656 and 1990 **Arabic and Hebrew Love Poems in Al-Andalus** Shari Lowin, 2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain The Columbia Guide to the Literatures of Eastern Europe Since 1945 Harold B. Segel, 2003 The Iron Curtain concealed from western eyes a vital group of national and regional writers Marked by not only geographical proximity but also by the shared experience of communism and its collapse

the countries of Eastern Europe Poland Hungary Albania Romania Bulgaria and the former states of Yugoslavia Czechoslovakia and East Germany share literatures that reveal many common themes when examined together Compiled by a leading scholar the guide includes an overview of literary trends in historical context a listing of some 700 authors by country and an A to Z section of articles on the most influential writers *Beasts that Teach, Birds that Tell: Animal Language in Rabbinic and Classical Literatures* Eliezer Segal, 2019 A study of rabbinic texts about talking animals examined in the context of Greek and Roman cultures **Lesbian Rabbis** Rebecca Trachtenberg Alpert, Ellen Sue Levi Elwell, Shirley Idelson, 2001 The office of rabbi is the most visible symbol of power and prestige in Jewish communities Rabbis both interpret to their congregations the requirements of Jewish life and instruct congregants in how best to live this life Lesbian Rabbis The First Generation documents a monumental change in Jewish life as eighteen lesbian rabbis reflect on their experiences as trailblazers in Judaism's journey into an increasingly multicultural world In frank and revealing essays the contributors discuss their decisions to become rabbis and describe their experiences both at the seminaries and in their rabbinical positions They also reflect on the dilemma whether to conceal or reveal their sexual identities to their congregants and superiors or to serve specifically gay and lesbian congregations The contributors consider the tensions between lesbian identity and Jewish identity and inquire whether there are particularly lesbian readings of traditional texts These essays also ask how the language of Jewish tradition touches the lives of lesbians and how lesbianism challenges traditional notions of the Jewish family Today I am completely out personally and professionally and yet I have learned that the coming out process never ends Even today I find myself in professional situations in which yet again I must reveal that I am a lesbian yet again I must prove myself worthy of functioning professionally in the straight world I still encounter moments of awkwardness some hostility and some sense of exclusion as I negotiate the pathways of my professional life Rabbi Leila Gal Berner from *Lesbian Rabbis The First Generation* **Mishkan T'filah** Central Conference of American Rabbis/CCAR Press, 2007
