Tell Me More About God:

What the Prayers of Jesus Tell Us About the Heart of God Rev. Shane Stanford, 2015-10-20 More than any other part of his ministry Jesus prayers inform and engage his intentions for how the gospel would change lives and affect the world When we take time to review the moments when Jesus prayed with his disciples or went away to pray alone we engage both a story and a set of lessons Jesus doesn't just pray as a means to be with the Father he uses prayer as an instructional Discover Jesus own hopes and desires when he prayed for us to Have a relationship with the Father Be shaped by God's wisdom and guidance Be united with one another Bring glory to God Have consistency in our spiritual life What the Prayers of Jesus Tell Us About the Heart of God refines our understanding of Jesus plans for his disciples both in that first century and for every century to follow By witnessing even the most intimate moments between the Father and the Son we can learn something about the big plan God has for our lives *Maybe God Is Trying to Tell You Something* Kimberly A. Holmes, 2003-03 *Life in God's World Life Is for Ever* Jamie LR, 2011-02-15 This book will strengthen the faith of God's followers and will help those find their way to God and to inspire more people to find peace and joy from God just for loving God from the pure heart This book will show ways and to guide those looking for more answers and a happier stress free life from God The way Life was meant to be The messages in this book will help those go on that adventure with God through the Holy Bible and to learn more of God and God's true way of Life In God's World and to get answers that most are looking for Amen Amen for God's love Have faith in Our Savior Jesus Christ who will lead us to God's kingdom Trust in God that all will be good Amen Free Will and God's Universal Causality W. Matthews Grant, 2019-05-16 The traditional doctrine of God's universal causality holds that God directly causes all entities distinct from himself including all creaturely actions But can our actions be free in the strong libertarian sense if they are directly caused by God W Matthews Grant argues that free creaturely acts have dual sources God and the free creaturely agent and are ultimately up to both in a way that leaves all the standard conditions for libertarian freedom satisfied Offering a comprehensive alternative to existing approaches for combining theism and libertarian freedom he proposes new solutions for reconciling libertarian freedom with robust accounts of God's providence grace and predestination He also addresses the problem of moral evil without the commonly employed Free Will Defense Written for analytic philosophers and theologians Grant's approach can be characterized as neo scholastic as well as analytic since many of the positions defended are inspired by consonant with and develop resources drawn from the scholastic tradition especially Aquinas **How Do We Know When It's God?** Dan Wakefield, 2010 A memoir of a ten year period that began when a profound religious reawakening interrupted decades of atheism and hard living The unexpected challenge of maintaining his faith over the long haul brings Wakefield to the realization that spirituality is not static and that each day holds the promise of renewal Provided by publisher Tell Me More about God George K. Bowers, 1992-01-01 *Christian Doctrine* Mike Higton, 2024-01-31 Providing an accessible one volume guide to

Christian doctrine this is a thorough re write of the first edition Since the original was published many students and teachers of doctrine in theological colleges and beyond have been learning to take more seriously the global context of their work and to recognise the difference made by facets of their identities and social locations like race class gender and disability In this edition Mike Highton seeks to do justice to this learning and invites readers to understand doctrine as an unfinished conversation between many different voices Fully updated for clarity and yet retaining its role as a rigorous introduction to its subject the book includes new interruptions which introduce voices that question the book s arguments and offer new directions for readers to pursue

The Latter-Day Saints' Millennial Star ,1845 **Prayers to Fulfill Your Destiny's Dreams** Dr. D.K. Olukoya,2002-01-01 *"YOU ARE A WINNER!" ...
