

# SHORT STORIES: TAKING RISKS

# Telling Stories Taking Risks

**Björn Krondorfer**

## **Telling Stories Taking Risks:**

**Taking Risks** Julie Shayne, 2014-06-16 *Taking Risks* offers a creative interdisciplinary approach to narrating the stories of activist scholarship by women. The essays are based on the textual analysis of interviews, oral histories, ethnography, video, storytelling, and theater. The contributors come from many disciplinary backgrounds including theater history, literature, sociology, feminist studies, and cultural studies. The topics range from the underground library movement in Cuba, femicide in Ju rez, community radio in Venezuela, video archives in Colombia, exiled feminists in Canada, memory activism in Argentina, sex worker activists in Brazil, rural feminists in Nicaragua, to domestic violence organizations for Latina immigrants in Texas. Each essay addresses two themes: telling stories and taking risks. The authors understand women activists across the Americas as storytellers who, along with the authors themselves, work to fill the Latin American and Caribbean studies archives with histories of resistance. In addition to sharing the activists' stories, the contributors weave in discussions of scholarly risk-taking to speak to the challenges and importance of elevating the storytellers and their histories.

**Transformational Preaching** David M. Brown, 2003-02 *Transformational Preaching* Theory and practice is a comprehensive textbook for the beginning student of preaching, the graduate student in pulpit discourse, or the seasoned preacher. Seeking to reclaim the pulpit for biblical preaching, the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative; that the preacher is central to the act of preaching; and that through the preaching event, both preacher and listener together fashion the message and its meaning. Both theoretical and highly practical, the book offers a challenging look at all aspects of the preaching ministry. It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory. As such, the book draws from a wide perspective of disciplines including biblical theology, classical rhetoric, contemporary human communication, public discourse, persuasion, linguistics, performance, and orality. The book's wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry.

*Taking Narrative Risk* Lori L. Montalbano-Phelps, 2004 This powerful book recounts the process of a study that examines personal narratives of abuse survivors by assessing the relationship between narration and teller empowerment.

*Explaining Traditions* Simon J. Bronner, 2011-08-26 Why do humans hold onto traditions? Many pundits predicted that modernization and the rise of a mass culture would displace traditions, especially in America, but cultural practices still bear out the importance of rituals and customs in the development of identity, heritage, and community. In *Explaining Traditions: Folk Behavior in Modern Culture*, Simon J. Bronner discusses the underlying reasons for the continuing significance of traditions, delving into their social and psychological roles in everyday life, from old-time crafts to folk creativity on the Internet. Challenging prevailing notions of tradition as a relic of the past, *Explaining Traditions* provides deep insight into the nuances and purposes of living traditions in relation to modernity. Bronner's work forces readers to examine their own

traditions and imparts a better understanding of raging controversies over the sustainability of traditions in the modern world

**Badvertising** Jim Morris, 2021-05-01 Jim Morris has been responsible for some of the most memorable ad campaigns in history He knows best that bad ads don't just create themselves Part indictment on the advertising industry part cautionary tale on what not to do with your ads Jim pulls no punches to better ad people everywhere How many ads have you seen that made you question the intelligence of whomever designed it Probably too many If every ad person read *Badvertising* the world would be a more intelligent and prosperous place Jonah Berger New York Times bestselling author of *Contagious* and *The Catalyst* Incisive and daring *Badvertising* is the only book you need to truly understand both the inner workings of America's ad agencies and the minds of those who never cease to astound us with both their creative genius and profound stupidity After just one reading you'll never see advertising the same way again Drew Eric Whitman bestselling author of *Cashvertising* How can the ad industry even exist when almost all of the products that it produces fall on a continuum from flawed to failed What is it about this industry and the process of creating selling and producing ads that causes so much advertising to be so bad These are the questions answered in *Badvertising* A provocative truth to power exposé of ad agencies' flaws, foibles and failings and why they matter to the consumer and to those in the business Morris an advertising legend known as Tagline Jim surveys myriad advertising agents of stupidity Hilarious, horrifying and insightful each chapter is a grenade lobbed into America's ad bunkers *Badvertising* is a candid never-seen-before accumulation of real world don'ts and more don'ts providing valuable cautionary tales of advertising's stupid side

**Tell Your Story** Alice Fairfax, 2023-11-28 No more blank pages no more sweaty palms Filled with behind-the-scenes stories from a career storyteller at Walt Disney World *Tell Your Story* delivers the secret formula to engage an audience Alice Fairfax provides over 50 tools for not only writing a great story but getting up and delivering one in person or online With wit, warmth and plenty of stories *Tell Your Story* helps anyone seeking to overcome the stress and fears of being a great communicator from the weekly social post to the annual board presentation and everything in between

**Unsettling Empathy** Björn Krondorfer, 2020-08-11 This book is an in-depth reflection and analysis on why and how unsettling empathy is a crucial component in reconciliatory processes Located at the intersection of memory studies, reconciliation studies and trauma studies the book is at its core transdisciplinary presenting a fresh perspective on how to conceive of concepts and practices when working with groups in conflict The book *Unsettling Empathy* has come into being during a period of increasing cultural pessimism where we witness the spread of populism and the rise of illiberal democracies that hark back to nationalist and ethnocentric narratives of the past Because of this changed landscape this book makes an important contribution to seeking fresh pathways toward an ethical practice of living together in light of past agonies and current conflicts Within the specific context of working with groups in conflict this book urges for an ethical posture of unsettling empathy Empathy which plays a vital role in these processes is a complex and complicated phenomenon that is not without

its critics who occasionally alert us to its dark side The term empathy needs a qualifier to distinguish it from related phenomena such as pity compassion sympathy benign paternalism idealized identification or voyeuristic appropriation The word unsettling is just this crucial ingredient without which I would hesitate to bring empathy into our conversation

**Disaster Pedagogy for Higher Education** Victor Malo-Juvera, Nicholas C. Laudadio, 2022-04-25 Disaster Pedagogy for Higher Education serves as an all purpose contextually grounded and multi modal introduction to teaching in higher education during times of crisis and disaster The text covers a wide variety of topics such as classroom pedagogy emergency management and study abroad from a variety of contributors including professors administrators adjunct faculty and students It is organized into the three sections Research and Criticism which contains three essays that highlight original research and scholarly critique of topics related to higher education during disaster Explorations and Examinations consisting of five essays that focus on best practices of a specific aspect of higher education during disaster and Personal and Professional Reflections made up of six essays that provide a more personal look into how disasters have impacted faculty administration and students in the academy

**The Art & Science of Storytelling: Learn How to Tell Better Stories in Conversations, Business Communication, Leadership & Brand Building** Armani Talks, 2022-03-02 The Art and Science of Storytelling is a practical book that will teach you how to tell better stories in conversations business meetings in leadership positions and for brand building The Information Age has ended and the Storytelling Age has begun Enter the new era with the utmost confidence In this book you will learn The fundamentals of storytelling How to build relatable characters and compelling plots Using stories to build rapport and create value How to brainstorm and create new ideas How to use systems thinking emotions to influence perception Effective formulas for infinite content material Practical storytelling exercises to sharpen your skills

**Preaching from Inside the Story** Jeffrey W. Frymire, 2022-06-02 Preaching from Inside the Story is a book that seeks to carve out an understanding of narrative preaching in an age where there is little agreement about its nature and practice Capitalizing on the works of Craddock and Lowry it seeks to find an expanded palette upon which the preacher may engage the larger canvas of narrative preaching This book will engage the mind by introducing neuroscientific understandings of creativity build upon the foundations of the philosophy of stories by engaging Aristotle's foundational understanding of narrative and renew the Lowry Loop by expanding this seminal work and how it should be understood in our current culture Preaching from Inside the Story breaks new ground by encouraging preachers to move inside stories and tell them from the inside out providing a positive effect thereby affording non narrative preachers to connect with storytelling principles Ultimately it is filled with examples of how to do narrative in a very practical way However in showing these practical examples the reader is involved in a deep analysis of those narrative sermons and how they fit into an overall narrative understanding of preaching In the final analysis it invites the reader to take a fresh journey into narrative preaching

*on Becoming A Language Educator* Christine Pears Casanave, Sandra R. Schecter, 2012-11-12

These personal essays by first and second language researchers and practitioners reflect on issues events and people in their lives that helped them carve out their career paths or clarify an important dimension of their missions as educators Their narratives depict the ways in which professionals from diverse backgrounds and work settings have grappled with issues in language education that concern all of us the sources and development of beliefs about language and education the constructing of a professional identity in the face of ethical and ideological dilemmas and the constraints and inspirations of teaching and learning environments They have come together as a collective to engage in a courageous new form of academic discourse one with the potential to change the field Many of the authors write their stories of having begun their work with voices positioned at the margins Now as established professionals they feel strong enough collectively to risk the telling and through their telling to encourage other voices This volume is intended to provide graduate students teachers and researchers in language education with insights into the struggles that characterize the professional development of language educators Both readers and contributors should use the stories to view their own professional lives from fresh perspectives and be inspired to reflect in new ways on the ideological ethical and philosophical underpinnings of their professional personae

**Rethinking Pastoral Care** Úna M. Collins, Jean McNiff, 1999 The issue of pastoral care and how a teacher effectively provides it is currently a topic of great debate in the media With teachers increasingly bearing the brunt of their pupils difficult personal lives they feel under pressure to do the right thing and to do it in an informed and professional manner This book investigates how teachers can attempt to give good quality pastoral care whether as a form tutor in the first instance or in a managerial role further along in their development It uses practical case studies as examples of what can be achieved and explores the theory of this subject making it the perfect resource for teachers counsellors and undergraduates on PGCE BEd and BA courses

**Trauma and Coping Mechanisms among Assemblies of God World Missionaries** Valerie A. Rance, 2021-12-21 Trauma from the fall of Adam and Eve forward impacts human lives in overpowering ways A review of the lives of biblical personalities and missionaries reveals shared traumatic experiences In addition to the stress of cultural adjustment missionaries often live in contexts of violence political unrest economic instability natural disasters and relational conflict The examined biblical personalities faced similar issues yet a majority coped with trauma in ways that led to well being The proposed biblical theory of well being assists

missionaries to move deeper in their trust of God by utilizing the coping skills of the biblical personalities including asking God for help lifting up their praise and worship to God standing on a sense of call working with God lamenting venting to God in healthy ways embracing a theology of suffering and accepting assistance from friends and family The adherence to the constructs of this theory protects missionaries from the ravages of psychological trauma by avoiding negative coping and developing positive coping skills that lead to trusting in the only One who gives hope in seemingly hopeless situations

**Experiments in Love** Emily Ralph Servant, 2021-03-12 Could it be that the stories we tell in our churches weaken our efforts to be congregations who take risks in mission for the sake of love In this thought provoking book Emily Ralph Servant suggests that the work of today's leaders is to explore new stories listen to new voices and open ourselves up to the Spirit's work of transformation Experiments in Love engages in a three way dialogue with feminist and liberation theologians the social and behavioral sciences and the Anabaptist tradition Out of this vibrant conversation emerges the story of a God who takes the risk of being radically present to a vulnerable world Because of God's courageous presence with us we can also take the risk of being vulnerably present to others as God invites us all to participate in God's community of life love and flourishing

### **Telling Stories Taking Risks Introduction**

In today's digital age, the availability of Telling Stories Taking Risks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Telling Stories Taking Risks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Telling Stories Taking Risks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Telling Stories Taking Risks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Telling Stories Taking Risks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Telling Stories Taking Risks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Telling Stories Taking Risks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-

profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Telling Stories Taking Risks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Telling Stories Taking Risks books and manuals for download and embark on your journey of knowledge?
