Telling The Churches Stories Ecumenical Perspectives On Writing Christian History:

Telling the Churches' Stories Timothy J. Wengert, Charles W. Brockwell, 1995 This critical look at the practice of writing church history challenges historians of Christianity to be self consciously ecumenical in the practice of their craft The book introduces principles defined by a community of scholars working under the auspices of the Faith and Order Working Group of the National Council of Churches

Ecumenical Directions in the United States Today: Churches on a Theological Journey Antonios Kireopoulos, Juliana Mecera, 2014-05-14 Proceedings of a conference held in July 2007 at Oberlin College

Women Reformers of Early Modern Europe Kirsi I. Stjerna, 2022-10-04 Women Reformers of Early Modern Europe provides an expansive view of women negotiating their faith voice and agency in the religious and cultural scene of the sixteenth century reformations Women from different geographic contexts Germany France Spain Italy Holland and Scandinavia and from a broad spectrum of vocations and social standings are highlighted along with examples of their original writings in English translation in some cases brand new An international interdisciplinary cohort of over thirty scholars provide cutting edge scholarship on women religion and gender in the sixteenth century reformation context Chapters interpret historical sources relevant to the women in question and provide original material for a deeper understanding of each woman s specific negotiations about her faith and religious preferences as well as about her specific options as a woman Most of the women in the book left a written record providing a valuable window into women s spirituality and theology Gender questions are engaged throughout the chapters that provide irrefutable evidence of women s essential roles in the reception and implementation of the Protestant confessions An important voice comes from women who defended their right to profess Catholic faith Thematic articles enhance the analysis of the roles experiences and contributions of individual women in different contexts and positions vis vis reformation teachings Women stand out as writers theologians historians biblical interpreters publishers hymnwriters rulers pastoral care givers defenders of justice heretics rebels midwives mothers and friends The tone of the volume is scholarly but invites a broad spectrum of readers who have varying levels of background knowledge It is especially suitable as a textbook or as a reference guide in different disciplines reformation studies church history theological history gender scholarship early modern and sixteenth century studies and language studies

Luther@500 and Beyond ATF Press, 2019-09-13 The Luther 500 anniversary may be behind us but Luther stands ahead of us in many ways The essays in this volume by an international group of scholars begin with a contextual discussion of Luther s definitive contribution to the Wittenberg Reformation and its significance for us today New light is shed on old issues across a range of topics But these essays do not stay in the past Many also engage critically with contemporary issues in Luther interpretation and a few boldly trace the trajectory of Luther s reformational theology into the future

Church History James E. Bradley , Richard A. Muller, 2016 In their acclaimed much used Church History James Bradley and Richard Muller lay out guidelines methods and basic reference tools for research and writing in the fields of

church history and historical theology Over the years this book has helped countless students define their topics locate relevant source materials and write quality papers This revised expanded and updated second edition includes discussion of Internet based research digitized texts and the electronic forms of research tools The greatly enlarged bibliography of study aids now includes many significant new resources that have become available since the first edition s publication in 1995 Accessible and clear this introduction will continue to benefit both students and experienced scholars in the field **Shared**

Spiritual Journey Susan K. Wood,Timothy J. Wengert,2016 Philip Melanchthon, Speaker of the Reformation Timothy J. Wengert,2024-10-28 The studies in this volume illuminate the thought and life of Philip Melanchthon one of the most neglected major figures in Reformation history and theology Melanchthon was one of the most widely published and respected thinkers in his own day who authored some of the sixteenth century s most important books on Latin and Greek grammar rhetoric dialectics and history to say nothing of his theological output which included the first overview of Protestant theology the first Protestant commentaries on Romans 1 2 Corinthians and John He was also the chief drafter of the Augsburg Confession and wrote its defense the Apology These essays written over the past twenty years commemorate the 450th anniversary of Melanchthon s death in 2010 The articles provide a wide ranging picture of Melanchthon s thought and life with topics including his view of free will approaches to biblical interpretation his perspective on the church fathers and world history and comparisons to other important figures of the age including Calvin Luther and Erasmus *The Shape of Christian History* Scott W. Sunquist,2022-06-28 How should thoughtful Christians especially historians and missiologists make sense of global Christianity as an unfolding historical movement Highlighting both the continuity and the diversity within the Christian movement over the centuries this comprehensive resource from Scott Sunquist offers a framework for how to read and write church history *Teaching Reformation* Luka Ili?,Martin J. Lohrmann,2021-08-10 Presented on the occasion of his seventieth birthday this collection of essays honors the life and work of Dr Timothy J Wengert Wengert a pastor a teacher of pastors and a noted Reformation historian brings to the work of scholarship a deep sense of its practical dimensions in the life of the church Over the course of his career Wengert s work and insights have been marked by the way in which they apply to and make different the lived life of the church whether in preaching worship or theology In these essays Wengert s students colleagues and peers follow in their honoree s footsteps by highlighting the practical and pastoral implications of a rich tapestry of Reformation topics organized into three parts In Part One Luther and a diverse cast of colleagues are considered in light of their significance for today In Part Two the texts of the Reformation are examined opening to Part Three where the formation of faith through catechesis and the life of the church bring the book to a close

Women and the Reformation Kirsi Stjerna,2011-09-09 Women and the Reformation gathers historical materials and personal accounts to provide a comprehensive and accessible look at the status and contributions of women as leaders in the 16th century Protestant world Explores the new and expanded role as core participants in Christian life that women

experienced during the Reformation Examines diverse individual stories from women of the times ranging from biographical sketches of the ex nun Katharina von Bora Luther and Queen Jeanne d Albret to the prophetess Ursula Jost and the learned Olimpia Fulvia Morata Brings together social history and theology to provide a groundbreaking volume on the theological effects that these women had on Christian life and spirituality Accompanied by a website at www.blackwellpublishing.com/stjerna offering student s access to the writings by the women featured in the book

The Fragmentation of the Church and Its Unity in Peacemaking Jeffrey Gros, John D. Rempel, 2001 The Gospel Places Peacemaking at the center of Christian identity Over the centuries however churches have divided over the role and place of the peacemaking imperative in their lives and teachings This volume offers deep ecumenical discussion of the relationship of the church to its peacemaking mission from the standpoints of history and the contemporary context Contributors representing ten major faith traditions Lois Y Barrett Alexander Brunett Murray W Dempster Donald F Durnbaugh John H Erickson Eric W Gritsch Jeffrey Gros Paul Meyendorff Lauree Hersch Meyer Thomas H Olbricht Thomas D Paxson Jr James F Puglisi John D Rempel Alan P F Sell and Glen H Stassen address this crucial topic from the perspective of their own churches and explore paths that could lead to the reconciliation of existing differences

A Brief History of Christianity Carter Lindberg, 2009-02-04 Charting the rise and development of Christianity Carter Lindberg has succeeded in writing a concise and compelling history of the world s largest religion He spans over 2 000 years of colorful incident to give an authoritative history of Christianity for both the general reader and the beginning student Ranges from the missionary journeys of the apostles to the tele evangelism of the twenty first century Demonstrates how the Christian community received and forged its identity from its development of the Bible to the present day Covers topics fundamental to understanding the course of Western Christianity including the growth of the papacy heresy and schism reformation and counter reformation Includes an introduction to the historiography of Christianity a note on the problems of periodization an appendix on theological terms and a useful bibliography An authoritative yet succinct history written to appeal to a general audience as well as students of the history of Christianity Written by internationally regarded theologian Carter Lindberg who is the author of numerous titles on theology and Church history

Faith and Order in the U.S.A. William A. Norgren, 2011-07-06 Since its founding in 1957 the National Council of Churches Commission on Faith and Order has worked to draw churches out of isolation into discussion on points of agreement and disagreement in faith order and worship In Faith and Order in the USA William Norgren a long time executive director of the Faith and Order Commission takes a look at its background history and major initiatives He shows how the Commission originally limited in its scope to mainline Protestant Episcopal and Orthodox church bodies fostered fruitful dialogue not only between its founding churches but also over time with Roman Catholic Southern Baptist Evangelical Pentecostal Adventist holiness and peace churches contributing to greater friendship harmony and

partnership among many Christian churches in America Reforming Memory Robert Vosloo, 2017-10-12 Although we should acknowledge the fragility of memory we should nevertheless affirm the remarkable ability of memory to reform and transform our identity Our memories and ways of remembering are however often marked by trauma and violence Memory therefore not merely reforms it too is in need of reformation redemption and transformation With this emphasis in mind Reforming Memory grapples with the question what a responsible engagement with the past entails also for Christians and churches associated with the Reformed tradition The history of Reformed churches in South Africa is one can argue a deeply divided and ambivalent one The same figures are heroes to some and villains to others historic events are deeply ambiguous and conflicting views surround different discourses Yet the histories and perhaps futures of these churches and traditions are inextricably interwoven Reforming Memory fundamentally combines an interest in the notion of e memorye with an interest in South African Reformed theology and history Central is the question how should we remember and represent the past responsibly The essays collected in this book engage in different ways with this question attending in the process to some episodes in the history of the Dutch Reformed Church some influential Reformed theologians and some important Reformed practices and confessional documents **Re-Reading Gregory of Nazianzus** Christopher A. A Visible Unity is a study in systematic theology on the relation of ecumenical methodology to ecclesiological convergence how acting together results in the churches being together Ecumenical work informs ecclesiology because it involves the actions of Christians together in accordance with their shared views of the church Whenever this work changes the partnering churches change their relations and further resolve their divisions Baker studies ecclesiology by telling stories about a person the Pentecostal ecumenist Cecil Robeck for Robeck s decades of leadership in American and global ecumenical settings By narrating his activities and analyzing his thought the book offers a window into the interrelation of different portions of the ecumenical movement and how the movement has changed over the years Baker compiles archival materials and personal interviews to tell stories about ecumenism never before published *Gender, Church and State in Early Modern Germany* Merry E. Wiesner, 2014-02-04 This text brings together eleven important pieces by Merry Wiesner several of them previously unpublished on three major areas in the study of women and gender in early modern Germany religion law and work The final chapter specially written for this volume addresses three fundamental questions Did women have a Reformation What effects did the development of capitalism have on women and Do the concepts Renaissance and Early Modern apply to women s experience The book concludes with an extensive bibliographical essay exploring both English and German scholarship **Mission and Evangelism** Somen Das, 1998 Papers presented at a seminar on Mission and Evangelism held at Bishop s College Calcutta 11th 13th Feb 1997 **Adventist Interchurch Relations** Stefan Höschele, 2022-09-05 This study presents the first comprehensive analysis of Seventhday Adventist interchurch relations a 20 million member body whose ecumenical stance has so far been underresearched For the sake of interpreting denominational involvement and reservations in Adventism as well as beyond the study develops a new academic approach to ecumenism based on Relational Models Theory a comprehensive social science paradigm of interpreting human relationships The resulting typology of ecumenical interactions and the historical case study of Adventism suggest that such a relational interpretation of ecumenical interaction sheds light on many of the unresolved issues in ecumenics such as divergent concepts of unity difficulties in recognition processes and the permanence of denominationalism
