Tempered by Rum James Morrison, 1988-01-01 **Tempered by Rum** James H. Morrison, 1988 This volume which brings together a number of papers on the RCN rum running taverns and trade provides an excellent overview of the impact of rum in the Atlantic region Page 4 of cover Rum Charles A. Coulombe, 2005 In this sweeping volume Charles Coulombe explores the fascinating origins and far reaching legacies of the drink that kept the British Navy afloat for 300 years while establishing a colourful reputation as a mainstay of buccaneers revolutionaries and trendsetters From rum's role in the Boston Tea Party to its dubious distinction as the centre of the soul crushing colonial Triangle Trade here is the uncorked truth about the beverage that altered world history Spiked with tantalising recipes Rum is intriguing informative and utterly intoxicating **Rum** Ian Williams, 2006-08-18 Rum arguably shaped the modern world It was to the eighteenth century what oil is to the present but its significance has been diminished by a misguided sense of old fashioned morality dating back to Prohibition In fact Rum shows that even the Puritans took a shot now and then Rum too was one of the major engines of the American Revolution a fact often missing from histories of the era Ian Williams's book as biting and multilayered as the drink itself triumphantly restores rum's rightful place in history taking us across space and time from the slave plantations of seventeenth century Barbados the undisputed birthplace of rum through Puritan and revolutionary New England to voodoo rites in modern Haiti where to mix rum with Coke risks invoking the wrath of the gods He also depicts the showdown between the Bacardi family and Fidel Castro over the control of the lucrative rights to the Havana Club label Telling photographs are also featured in this barnstorming history of the real Spirit of 1776 *Crime and Deviance in Canada* Chris McCormick, Christopher Ray McCormick, Len Green, 2005 This unique and timely reader brings together twenty four of the very best and most controversial readings on the history of crime deviance and criminal justice in Canada This text is ideal for use in courses on introductory criminology crime and deviance or the Canadian justice system particularly those with an historical component The theme of power relations is a very strong unifying element that is relations of gender social class ethnicity and age Through such topics as prostitution prohibition youth courts and the regulation of sexuality we can trace these relations of power and how they link to the definition of crime in society *Empire of Booze* Henry Jeffreys, 2016-11-03 Winner of the Fortnum and Mason Best Debut Drink Book Award 2017 From renowned booze correspondent Henry Jeffreys comes this rich and full bodied history of Britain and the Empire told through the improbable but true stories of how the world's favourite alcoholic drinks came to be Read about how we owe the champagne we drink today to seventeenth century methods for making sparkling cider how madeira and India Pale Ale became legendary for their ability to withstand the long hot journeys to Britain's burgeoning overseas territories and why whisky became the familiar choice for weary empire builders who longed for home Jeffreys traces the impact of alcohol on British culture and society literature science philosophy and even religion have reflections in the bottom of a glass Filled to the brim with fascinating

trivia and recommendations for how to enjoy these drinks today you could even drink along as you read So raise your glass to the Empire of Booze **Alcohol** Mack P. Holt,2006-03-01 Why are we so ambivalent about alcohol Are we torn between our love of a drink and the need to restrict or even prohibit alcohol How did saloon culture arise in the United States Why did wine become such a ubiquitous part of French culture Alcohol A Social and Cultural History examines these questions and many more as it considers how drink has evolved in its functions and uses from the late Middle Ages to the present day in the West Alcohol has long played an important role in societies throughout history and understanding its consumption can reveal a great deal about a culture This book discusses a range of issues including domestic versus recreational use the history of alcoholism and the relationship between alcohol and violence religion sexuality and medicine It looks at how certain forms of alcohol speak about class gender and place Drawing on examples from Europe North America and Australia this book provides an overview of the many roles alcohol has played over the past five centuries **Medical Uses of Marijuana** Joseph W. Jacob,2009-11-03 Throughout history more than 150 successful medical uses of marijuana plants have been identified effectively tested publicly used and reliably trusted In Medical Uses of Marijuana author Joseph W Jacob provides an extensive chronological history of marijuana and its medical uses throughout the world in the last 10 000 years Thoroughly researched and documented Medical Uses of Marijuana discusses The many and varied health benefits of marijuana use More than 150 destructive medical harms of drinking alcohol Discriminatory government laws allowing public ingestion of alcohol while prohibiting the use of marijuana The process by which marijuana use became illegal due to taxation laws During the last 10 000 years people from countries throughout the world including China India Arabia Africa Russia and Japan have employed the use of marijuana to treat a variety of ailments Initially intended to be used for the medical benefits of everyone natural marijuana plants have successfully treated and healed many ailments Medical Uses of Marijuana seeks to provide the truth about the loss of the legal use of this beneficial plant **Booze** Craig Heron,2003 Booze runs through Canadian social history like rivers through the land And like rivers with their currents and rapids backwaters and shoals booze mixes elements of danger and pleasure Craig Heron explores Canadians varied experiences with and shifting attitudes towards alcohol in this revealing richly illustrated book Book jacket **Evangelical Balance Sheet** B. Anne Wood,2010-10-26 Using the journals of W Norman Rudolf 1835 1886 a Victorian merchant Evangelical Balance Sheet Character Family and Business in Mid Victorian Nova Scotia explores the important role of character ideals and evangelicalism in mid Victorian culture Rudolf s diary with its daily weather observations its account of family matters of social and business happenings and of his own experiences as well as occasional literary or naturalistic forays attempts to follow a disciplined regime of writing but also has elements of a Bildungsroman The diary reveals an obvious and significant tension between his inner spiritual search for meaning in his life evangelical inwardness and his outward stewardship duties Rudolf s concept of character then involved a type of balance sheet of his evangelical service record to his God his family his

business and his community. Needing God's help to transform his will and to interpret the world in a constructive rational manner, the underlying intent of his daily journal writing was to keep his commitment to an ethic of benevolence and of the affirmation of the goodness of human beings. Wood elucidates the cultivation of civic-minded masculinity in the context of Victorian Maritime Canada, analyzing the multiple facets of the character ideal and emphasizing its important role in Victorians' understanding of their life experiences. In the process, Wood reveals many underlying assumptions about social change and about civic discourse. The book also describes how the tremendous economic upheavals experienced by many entrepreneurs in the late 1860s to 1880s tempered their evangelical zeal and made it increasingly difficult for them to achieve a balanced and humane perspective on their own lives. *Evangelical Balance Sheet* will appeal to a broad audience interested in social history, imperial studies, gender studies, especially changing ideas of masculinity and manhood, Atlantic Canada studies, and local history of the Pictou region.

Finn's Journal Gray Armstrong, 2012-10-31 As a child genius, Yury Shinault witnessed the brutal murders of her mother and stepfather before being kidnapped along with and eventually separated from her identical triplet sisters. Raised in seclusion by a military couple, she has only fragmented memories of the murders and her sisters, but she is highly trained in a number of grueling military survival and combat skills. While she searches for her sisters and attempts to piece together her past, she joins an elite FBI investigative team. Her colleagues are quickly drawn into her troubled world as unbeknownst to Yury or her new friends, her quest to bring her mother's killer to justice overlaps with an ongoing FBI investigation into the disappearances of several young women whose bodies were never found. As the threads are woven together, a net is created to capture a sociopath placing Yury, her sisters, and their friends and colleagues in great danger.

And a Bottle of Rum Wayne Curtis, 2009-02-04 Now revised, updated, and with new recipes, *And a Bottle of Rum* tells the raucously entertaining story of this most American of liquors. From the grog sailors drank on the high seas in the 1700s to the mojitos of Havana, barhoppers, spirits, and cocktail columnist Wayne Curtis offers a history of rum and the Americas alike, revealing that the homely spirit, once distilled from the industrial waste of the booming sugar trade, has managed to infiltrate every stratum of New World society. Curtis takes us from the taverns of the American colonies, where rum delivered both a cheap wallop and cash for the Revolution, to the plundering pirate ships off the coast of Central America, to the watering holes of pre-Castro Cuba, and to the kitsch-laden tiki bars of 1950s America. Here are sugar barons and their armies conquering the Caribbean, Paul Revere stopping for a nip during his famous ride, Prohibitionists marching against demon rum, Hemingway fattening his liver with Havana daiquiris, and today's bartenders reviving old favorites like Planter's Punch. In an age of microbrewed beer and single malt whiskeys, rum, once the swill of the common man, has found its way into the tasting rooms of the most

discriminating drinkers Complete with cocktail recipes for would be epicurean time travelers this is history at its most intoxicating **Annual Report** Connecticut Washington Total Abstinence Society,1846 **The Manufacture of Liquors, Wines, and Cordials, Without the Aid of Distillation** Pierre Lacour,1853 *Canada Dry* Janet Noel,1995 A survey of temperance in the regions of British North America where the movement showed reasonable strength before Confederation giving an idea of the movement s source shape and strength assessing the interplay of idealism and more material concerns and showing how temperance crusades reflected varying regional concerns Includes 16 pages of bandw illustrations
