Destiny's Heir Y. M. Roger, 2013-10-29 Chicalia Prime a planet whose population is divided between the Light and the Dark designations denoting physical attributes and nothing else It is a small and insignificant planet with a plethora of political problems However the intricate aftermath to the climax of those problems has spent the last fifty nerars or so weaving itself into the fabric of the over arching authority the Galactic Fleet and the purviews thereof And while it is becoming increasingly evident that there are other forces working against the Fleet yet simultaneous to those intricacies it is clear that the offspring of Chicalia s political problems and those loyal to them and their causes will completely re shape the government of the Fleet transferring the Fleet s seat of power from Galactica Triune to the soon to be not so insignificant Chicalia Prime One of those intricacies Captain Shanteela Ka Lantrel or Kaylen to her close friends in command of the Fleet s crown jewel Destiny knows nothing of the Royal blood that runs through her veins But Kaylen s destiny along with those under her command have become entwined with that of another the exiled OverLord Assassin Thetuderal Thetu Shaliagn and his many brothers in arms So as life still continues back on Chicalia Prime it seems the future of the Fleet and therefore the galaxy is being prophetically and passionately unlocked with Thetu and Kaylen at its epi center Out of the ashes of a flawed foundation and damaged framework Sha Hylira shall raise an invincible government that will proclaim His name to the far corners of the universe

Demons Michael S. Heiser, 2020-04-29 The truth about demons is far stranger and even more fascinating than what is commonly believed Are demons real Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things Did a third of the angels really rebel with Satan Are demons and principalities and powers just terms for the same entities or are they different members of the kingdom of darkness Is the world a chaotic mess because of what happened in Eden or is there more to the story of evil What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today And this ancient worldview is missing from most attempts to treat the topic In Demons Michael Heiser debunks popular presuppositions about the very real powers of darkness Rather than traditions stories speculations or myths Demons is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says You'll come away with a sound biblical understanding of demons supernatural rebellion evil spirits and spiritual warfare
