The Temptation of Eileen Hughes Brian Moore, 1986-04

The Temptations of Eileen Hughes Brian Moore, 1981 **Brian Moore** Jo O'Donoghue, 1991 Brian Moore is exceptional among contemporary novelists in the breadth and consistency of his work His fiction ranges from thrillers and gothic adventures through historical subjects He remains one of the few writers of serious fiction who appeals to academic critics and the general reader alike New York Magazine, 1981-08-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New Ways to Kill Your Mother** Colm Toibin, 2012 In his essay on Tennessee Williams the author reveals an artist profoundly tormented by his sister's mental illness Through the relationship between W B Yeats and his father he examines a world of family relations and in Roddy Doyle's writing on his parents illuminates an Ireland reinvented From John Cheever's journals he makes fresh this darkly comic misanthrope and his intimates Educating an intellectual woman Cheever remarked is like letting a rattlesnake into the house In pieces that range from the importance of aunts and the death of parents in the English nineteenth century novel to the relationship between fathers and sons in the writing of James Baldwin and Barack Obama the author illuminates the intimate connections between writers and their families but also articulates the great joy of reading their work **Landscapes of Encounter** Liam Gearon, 2002 Brian Moore 1921-1999 is one of the few novelists whose literary portrayal of Catholicism effectively spans the period prior to and following the Second Vatican Council Many critics have discussed how Moore's life is reflected in his works while others have dismissed his fictions as simple narratives in the mould of classical realism In this timely book Gearon contends that Moore's fictions are far more complex as he was one of the great observers of Catholicism in all its modern and historical controversy **Four Contemporary Novels** Kerry McSweeney, 1983-01-01 Four Contemporary Novelists offer accounts of the fiction of Angus Wilson Brian Moore John Fowles and V S Naipaul The author has charted the development of each writer identified dominant themes controlling techniques and informing sensibility explained what each has tried to accomplish and compare theory to practice provided an appropriate context for appreciation and evaluation of all parts of each canon and made qualitative discriminations 'To Banish Ghost and Goblin' David Clark, Rubén Jarazo

threat that usually works Men often react to women s words speaking and writing as if they were acts of violence sometimes men react to women s words with violence So we lower our voices Women whisper Women apologize Women shut up Women trivialize what we know Women shrink Women pull back Most women have experienced enough dominance from men control violence insult contempt that no threat seems empty Intercourse does not say forgive me and love me It does not say I forgive you I love you For a woman writer to thrive or arguably to survive in these current hard times forgiveness and love must be subtext No I say no Intercourse is search and assertion passion and fury and its form no less than its content deserves critical scrutiny and respect PREFACE *Cold Heaven* Brian Moore,1997-06-01 When an appalling boating accident off the coast of
