The Imperial Bible Dictionary, Historical, Biographical, Geographical, and Doctrinal: Including the Natural History, Antiquities, Manners, Customs and Religious Rites and Ceremonies Mentioned in the Scriptures, and an Account of the Several Books of the Old and New Testaments Patrick Fairbairn, 1866 **An Exegetical Summary of Matthew 1-16** David Abernathy, 2025-06-09 Each volume in the Exegetical Summaries series works through the original text phrase by phrase English equivalents are provided for all Hebrew and Greek words making this an excellent reference for exegetes of all levels Questions that occur to exegetes as they study the text are stated and then answered by summarizing the ways many scholars have interpreted the text This information should help translators or students in making their own exegetical decisions As a basis for discussion a semi literal translation of the text is given The first question to be answered is the meaning of key words in context Information from standard lexicons is given and then translations of the word are cited from a dozen major Bible versions and from commentaries that offer their own translations of the text Questions about the grammar and discourse structure of the original languages are answered by summarizing the views of many commentators When exegetical disagreements appear in the commentaries and versions the various interpretations are listed This book is not intended to replace the commentaries that are consulted Rather than being a stand alone commentary this book summarizes many important details of exegesis that should be considered in studying the biblical text Imperial Bible Dictionary Patrick Fairbairn, 1887 **On temptation: and on the agency and personality of the Devil** Temptation, 1877

Essays Richard Whately, 1837 Resist Everything Except Temptation Kristian Williams, 2020-06-02 Oscar Wilde is remembered as a wit and a dandy as a gay martyr and as a brilliant writer but his philosophical depth and political radicalism are often forgotten Resist Everything Except Temptation locates Wilde in the tradition of left wing anarchism and argues that

only when we take his politics seriously can we begin to understand the man his life and his work Drawing from literary historical and biographical evidence including archival research the book outlines the philosophical influences and political implications of Wilde s ideas on art sex morality violence and above all individualism Williams raises questions about the relationships between culture and politics between utopian aspirations and practical programs and between individualism group identity and class struggle The resulting volume represents not merely a historical curiosity but a contribution to current debates within political theory and a salvo in the broader culture wars
