## **Ten Lies About God And How You May Be Already Deceived:**

**Ten Lies about God** Erwin W. Lutzer, 2002-02 The clearer we see God the clearer we shall see ourselves With this conviction firmly in mind Dr Erwin Lutzer examines ten lies about our Maker that have crept into spiritual thought in postmodern times And he notes that these deceits are prominent not only in non Christian minds but in the professing church as well On the surface each of these lies may appear at least partially true or even harmless But as Dr Lutzer reveals each harbors a distinct danger It isn't biblical so it puts our faith at risk In *Ten Lies About God* he challenges the accuracy of these beliefs Lie 1 God is whatever we want him to be Lie 2 Many paths lead into God's presence Lie 3 God is more tolerant than He used to be Lie 4 God has personally never suffered Lie 5 God is obligated to save followers of other religions Lie 6 God takes no responsibility for natural disasters Lie 7 God does not know our decisions before we make them Lie 8 The Fall ruined God's plan Lie 9 We must choose between God's pleasures and our own Lie 10 God helps those who help themselves The goal of Dr Lutzer's study is not only purity of spiritual belief but an enhanced worship of God *Ten Lies About God* Erwin Lutzer, 2002-02-08 The clearer we see God the clearer we shall see ourselves With this conviction firmly in mind Dr Erwin Lutzer examines ten lies about our Maker that have crept into spiritual thought in postmodern times And he notes that these deceits are prominent not only in non Christian minds but in the professing church as well On the surface each of these lies may appear at least partially true or even harmless But as Dr Lutzer reveals each harbors a distinct danger It isn't biblical so it puts our faith at risk In *Ten Lies About God* he challenges the accuracy of these beliefs Lie 1 God is whatever we want him to be Lie 2 Many paths lead into God's presence Lie 3 God is more tolerant than He used to be Lie 4 God has personally never suffered Lie 5 God is obligated to save followers of other religions Lie 6 God takes no responsibility for natural disasters Lie 7 God does not know our decisions before we make them Lie 8 The Fall ruined God's plan Lie 9 We must choose between God's pleasures and our own Lie 10 God helps those who help themselves The goal of Dr Lutzer's study is not only purity of spiritual belief but an enhanced worship of God *Outrageous Truth...* Robert Jeffress, 2013-07-24 SEVEN OUTRAGEOUS TRUTHS YOU CAN STILL BELIEVE AND WHY Every other religion is wrong God sends good people to Hell Homosexuality is a perversion Evolution is a myth God is ultimately responsible for suffering in the world Husbands are to lead their families America is a Christian nation In Hell Yes Dr Robert Jeffress issues a bold wakeup call to all believers from college students to grandparents to stop apologizing for and start proclaiming the tough but essential truths that Christians have historically embraced And he provides the finest biblical scientific and historical evidence needed to defend these core beliefs in a culture turned hostile to God's truth Dr Jeffress believes the secular spirit of political correctness is holding the church hostage And the tragic result is that the revolutionary life changing positive message of the Christian faith is being watered down If you are weary of a Christianity that waffles and wavers about controversial issues if you are ready to stand up and compassionately yet forcefully and intelligently say This is what I believe and here's why then this book is for you

Not Just Science Zondervan, 2009-08-30 This book argues that it is possible for our study of the natural world to enhance our understanding of God and for our faith to inform and influence our study and application of science Whether you are a student someone employed in the sciences or simply an interested layperson Not Just Science will help you develop the crucial skills of critical thinking and reflection about key questions in Christian faith and natural science The contributors provide a systematic approach to both raising and answering the key questions that emerge at the intersection of faith and various disciplines in the natural sciences Among the questions addressed are the context limits benefits and practice of science in light of Christian values Questions of ethics as they relate to various applied sciences are also discussed The end goal is an informed biblical worldview on both nature and our role in obeying God's mandate to care for his creation With an honest approach to critical questions Not Just Science fills a gap in the discussion about the relationship between faith and reason This is a most welcomed addition to these significant scholarly conversations Ron Mahurin PhD Vice President Professional Development and Research Council for Christian Colleges Universities

**Which "Real" Jesus?** Steve Bateman, 2008-09-15 \_ Are the gospels reliable accounts of Jesus \_ Did Jesus claim to be God \_ Was Jesus bodily raised from the dead \_ Is Jesus the only way to salvation \_ Are Christianity and Islam basically the same \_ Were the Founding Fathers orthodox Christians Christians in America are routinely confronted with news of archaeological discoveries or new scholarship claiming to present the real Jesus These challenges have a long tradition in America and can be traced to some of the best known founders of our nation In pre Revolutionary America the formidable Jonathan Edwards directly confronted the challenge providing an enduring model for Christians today who desire to articulate and defend the historic orthodox doctrine of Christ While Edwards sought to prove the historic Jesus Benjamin Franklin attempted to improve on the original offering a Jesus of more practical use to his social and civic purposes Franklin's approach inspired by Deist thinkers and refined by Thomas Jefferson has found new life in the advocates of the Jesus Seminar and of other alternative Christianities Even the ambassadors of strident atheism Richard Dawkins Christopher Hitchens and Sam Harris are resurrecting Deist arguments in their best selling books These skeptics notably follow the Deist tactic of using the rise of Islam to undermine the uniqueness of Jesus As a result there is a widespread erosion of confidence among professing Christians in the supremacy of Jesus Christ Which Real Jesus reveals that these new views of the real Jesus are in fact old news

**Recovering Our Lost Theology** Rick Brownell, 2011-09 Are you bothered with how shallow and superficial the way we think about theology has become It seems it's become more important to share some condensed peanut sized version of the gospel at the simplest most juvenile least thought provoking level with our culture rather than let people wrestle with the theological difficulties and search out how they might be rectified logically Author Rick Brownell has had enough In his book Recovering Our Lost Theology The Sovereign Grace of God Brownell poses the tough questions and challenges readers to reevaluate their theological thinking How does God loving the world yet destroying a group of its inhabitants work itself out in your

theological framework Is God so detailed and powerful in his sovereign plans that he controls not only the creeping of a single aphid over a rosebud but the flight patterns and boundaries of a billion locusts If God is so sovereign in the natural world would he leave the salvation of a lost sinner to his own apostate will and determination in the spiritual world These are just a few of the questions Brownell addresses so that readers will focus again on God s grace and mercy in the salvation of men He hopes readers will recapture a biblical perspective on evangelism and abandon the tired advice of many theologians who suggest Christians don t get bogged down with profound theological concepts when sharing the gospel Recovering Our Lost Theology is a daring and moving challenge to readers to reaffirm their commitment to God s sovereignty in salvation evangelism and theology to the glory of God alone Rick Brownell lives in Aurora Oregon with his wife of twenty seven years Sheila He has a bachelor s degree in ornamental horticulture from Cal Poly San Luis Obispo and a master s degree in exegetical theology from Western Conservative Baptist Seminary He can frequently be found engaging believers and unbelievers alike in discussions of theology and the sovereignty of God in the Christian faith
