Sitting in the Circle Dr. Jon Berenson, 2013-05-22 These 37 essays are rooted in the inspiration I experience in working with my patients and with participants at the Opening the Heart Workshop Though they are all very different in tone and content they are all about love in the small places off center stage They may have been about lifting a hosta leaf and findinding a spider s web in diamonds of morning dew or about watching new grass grow holding a weeping patient in my office watching a man outside my office drag his leg behind as he carries groceries home They are all I think small love stories

Meditations for Mediocre Mystics Tom Stella, 2023-01-27 The term mediocre mystics seems a fitting way to refer to those who yearn for the nameless but do not qualify as full blown mystics I realize that because there is nothing middling about mystics mediocre

mystics may appear to be an oxymoron but the root meaning of mediocre is not second rate From the Latin mediocris the word means moderate or ordinary and has been used figuratively to refer to one who is halfway up a mountain Unlike ordinary folks sainted mystics have reached the mountaintop they are on a first name basis with the nameless But just because we haven't arrived at the heights just because our lives unfold in the valley of ordinary everyday life doesn't mean that we cannot or do not experience the desire that has fueled the mystic's climb All my life my heart has yearned for a thing I cannot name Andre Breton All my life I have experienced the yearning to which French writer and poet Andr Breton refers For me that yearning is composed in part of a subtle discontent a quiet feeling that something is missing despite the fact that nothing is missing Significant relationships meaningful work as well as material and monetary security have never been enough to satisfy the desire for that which I cannot name I know I'm not alone in my discontent or my longing for the nameless for mystics of every spiritual and religious tradition have spoken of their desire for and experience of union with a spiritual entity that is as real as it is surreal I am not claiming that just because I share their yearning I consider myself a mystic but neither do I believe that the term mystic is entirely inappropriate for those of us who might glimpse briefly what certified or canonized mystics have been blinded by
