Ten Words of Freedom Jay G. Williams, 1971 **Ten Words of Freedom** Books on Demand, God's Design, 4th Edition Elmer Martens, 2015-11-11 How does one summarize the thirty nine books of the Old Testament How might one determine the message of the Old Testament with others This book attempts an answer to these questions The answer is taken from a single Scripture passage Exodus 5 22 6 8 which is here considered a theological Table of Contents for the Old Testament In addition to such topics as Deliverance Community and Experiencing God the book has an extended discussion on Land a subject which deals with a wide range of interests but which only rarely receives attention in books on biblical theology The current edition features reflections and a set of discussion questions following each of the seventeen chapters a boon for university and seminary teachers and students and of large help for church study groups Handbook on the Pentateuch Victor P. Hamilton, 2005-09 In this introduction to the first five books of the Old Testament Victor Hamilton moves chapter by chapter rather than verse by verse through the Pentateuch examining the content structure and theology Each chapter deals with a major thematic unit of the Pentateuch and Hamilton provides useful commentary on overarching themes and connections between Old Testament texts This second edition has been substantially revised and updated The first edition sold over sixty thousand copies **Judaism** Jay G. Williams, 1980-01-01 All people interested in man s evolutionary struggles will excite over this account of the interaction of a distant and separate people with the great worldly powers It is a vivid world and picture story of the Jewish people from 538 B C to 1 500 A D It is not a dray history of dates and bland events but rather a story of sin suffering and the capacity of human beings to endure Professor Williams author of the Quest book Yeshua Buddha divides his history into four 500 year periods and for each time period it is a non Jewish figure Cyrus Pompey Mohommed Ferdinand who acts as a punctuation mark **Reader's Guide to Judaism** Michael Terry, 2013-12-02 The Reader s Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly Deuteronomy Patrick D. Miller, 2011-12-15 In this theological exposition of Deuteronomy Patrick Miller is sensitive to the character of the book as a part of scripture that self consciously addresses different generations He discusses the nature and character of the law as revealed in Deuteronomy as well as the nature of the moral life under God The treatment of Deuteronomy in the New Testament and customary introductory issues such as authorship and date are dealt with in terms of their significance for interpreting and understanding Deuteronomy s character and intention Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical
