

# TEN FILM CLASSICS A Re-Viewing

The background of the entire cover is a dense collage of film stills. The color palette is strictly red and black, giving it a high-contrast, graphic quality. The stills are cut out and layered, creating a sense of depth and movement. Recognizable faces and scenes are scattered throughout, representing the 'ten film classics' mentioned in the title. The overall composition is busy and visually rich, typical of mid-20th-century film marketing.
