Finding Your Voice Shabona Shakee Banks, 2011-04-20 Finding Your Voice is breath taking inspirational and an inspiring piece I want for you the reader to be able to embrace my thoughts my ideas and my feelings on a life changing level Knowing words have power I have combined them with an artistic and poetic dialect I am the woman that desired to write this book and allow the world to see that I have goals dreams emotions and feelings just like you I have experienced in my life a lot of negative spirits that have lead me to understand that no matter what happened to you no matter where you come from no matter what color you are you have the choice and the power in changing your life and to make a difference in the world When you totally envision and engulf your life with positive thinking this will allow you to see things in a motivating way which can help you bring the best out of yourself My life is changing day by day and I thank God for this enlightenment I hope and pray that you will read these words and meditate on them Let them become your hearts rhythm and find some kind of understanding in your life through my life Having felt like I had no voice like I was invisible to people for years was depressing but knowledge has brought me wisdom and knowledge also brings power I changed my thought process and my life now is filled with positivity and encouragement Now I know I have a voice inside of me This is a part of my journey and my destiny that has lead me to start writing everything my thoughts things I went through plus my true feelings the end result is this Finding Your Voice
