

As Jack's sister is getting ready for her important tennis match, their mother realizes she forgot to wash her lucky shorts. Desperate to help, she uses a spell to transform Jack into the shorts and hands him over to his sister. Jack feels a sense of dread as he realizes what just happened, but he is powerless to resist.

His sister puts him on and immediately feels the snug fit of her lucky shorts, unaware that she is wearing her own brother. As the match progresses, Jack's sister runs around the court, sweating profusely and bouncing with every move, oblivious to the fact that her brother is now part of her attire. Jack feels the pressure and strain of her movements and the heat of her body as she plays, but he is powerless to do anything about it.

Eventually, Jack's sister wins the game, ecstatic and sweating even more. She takes Jack off and throws him in the laundry basket, not realizing the strange experience he just went through. Jack shudders with relief, glad to be free from his sister's tight grip and the suffocating heat of the tennis court.
