

Tequila Sunrise

Albert A Gayle

Tequila Sunrise:

Tequila Sunrise Randy Woodward, 2020-12-29 Hope comes when a day starts anew with the sunrise being a constant reminder that it's wise to start your day bright and happy. One of the most picturesque scenes nature paints is the sunrise. Its beauty captivates the hearts and eyes of many because it is symbolic. Fortunately, the same can be said with the famed cocktail called Tequila Sunrise. It is named so because it resembles the sunrise, evidently shown by its vibrant orange-red colors forming a nice ombre. The most common recipe of this fine drink calls for three ingredients: tequila, orange juice, and grenadine syrup. It is full of citrus flavor and sweetness and it's ideal for brunch and summer parties. This drink originated in Sausalito, California, in the 1970s by two bartenders by the names of Bobby Lozoff and Billy Rice while working at The Trident. The drink gained popularity especially when famous bands such as the Rolling Stones and the Eagles enjoyed it dearly and even named a tour and a song after it. Additionally, one brand of tequila, Jose Cuervo, also promoted the cocktail by putting the recipe at the back of their bottles. Years before, around the 1930s in Phoenix, Arizona, there seemed to be the original version of the drink which contained tequila, crème de cassis, lime juice, and soda water. However, the modern 3-ingredient version is what's more paid attention to these days.

Tequila Sunrise Anne Weale, 1994 Tequila Sunrise, 2010 *Field Guide to Cocktails* Rob Chirico, 2015-03-24 Finally, a field guide to preparing and identifying virtually every drink at the bar, from the Ajo Highball to the Caipirinha, from the Singapore Sling to the Zombie. *Field Guide to Cocktails* is not an ordinary bartender's guide. Here are more than 200 recipes for the world's best libations, with tried and true classics like the Tom Collins and the Fuzzy Navel and contemporary favorites like the Mojito and the Cosmopolitan. Full-color photographs of the cocktails are cross-referenced to in-depth descriptions of the drinks. The histories are the stuff of legend: The Gin Rickey was mixed up to satisfy a thirsty lobbyist; Grog was drunk by sailors in the British Navy to prevent scurvy; and the Gibson was originally just a glass of water with an onion in it. You'll also learn the most appropriate time and season to enjoy the drink and you'll get suggestions for the perfect food pairings: lobster with a Cape Codder, sharp cheese and crackers with a Gin and Tonic, black bean dip and chips with a Cuba Libre, and more. So whether you're planning a cocktail party or trying to identify a new drink to try at the bar, *Field Guide to Cocktails* is the only mixology book you'll ever need. Cheers

New York Magazine, 1989-01-09 New York Magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
