**Lifestyle revolution** Ben Highmore,2023-02-21 In postwar Britain journalists and politicians predicted that the class system would not survive a consumer culture where everyone had TVs and washing machines and where more and more people owned their own homes They were to be proved hopelessly wrong Lifestyle revolution charts how class culture rather than being destroyed by mass consumption was remade from flat pack furniture Mediterranean cuisine and lifestyle magazines Novelists cartoonists and playwrights satirised the tastes of the emerging middle classes while sociologists claimed that an entire population was suffering from status anxiety but

underneath it all a new order was being constructed out of duvets quiches and mayonnaise easy chairs from Habitat white emulsion paint and ubiquitous pine kitchen tables More than just a world of symbolic goods this was an intimate environment alive with new feelings and attitudes      National Geographic Traveler - Paris Heidi Ellison,Elizabeth Ayre,Lisa Davidson,2016-01-05 In this richly illustrated guide Paris residents Lisa Davidson and Liz Ayre share their inside knowledge of the City of Lights All the fabled sights are here from the Eiffel Tower to the Louvre with detailed information on how best to visit purchase a museum pass for instance for the best price into museums Readers will also discover a plethora of lesser known sights secret Parisian parks and the ultra chic Avenue Montaigne among them as well as popular excursions including the marvellous palace of Versailles and the medieval village of Provins      A Cultural History of Furniture in the Modern Age Claire I. R. O'Mahony,2022-02-24 Furniture is a unique witness to the transformations of private and public experience amidst the upheavals of the 20th century how we work rest and play are determined by the embodied encounter with furniture defining and projecting a sense of identity and status responding to and exemplifying contrasting social conditions political and economic motivations aesthetic predilections and debates Assessing physical and archival evidence drawn from a spectrum of iconic and under represented case studies an international team of design historians collaborate in this volume to explore key methodological questions about how the production consumption and mediation of furniture reveal shifting cultural habits and histories across diverse contexts amidst modernity Drawing upon a wealth of visual and textual sources this volume of A Cultural History of Furniture presents essays that examine key characteristics of the furniture of the modern period on the themes of design and motifs makers making and materials types and uses the domestic setting the public setting exhibition and display furniture and architecture visual representations and verbal representations      Designers International Index: A-K Janette Jagger,1991      **Design** Thomas Hauffe,1998 Aiming to place design developments in their broader context this text describes the history of design from its emergence as a separate discipline around 1750 to the present Arranged chronologically and with colour coded pages for ease of reference the book includes time lines and designers biographies as well as feature spreads on notable designers and companies There is also a detailed list of major design museums and collections      **Home Front Furniture** Harriet Dover,1991 In July 1941 the British Government banned the independent design and manufacture of furniture For the next 10 years the only furniture produced in the UK was designed by the Utility Furniture Advisory Committee This study examines the ideas underpinning Utility furniture placing it in the context of ideologies and design movements before and after the period      **Design for Society** Nigel Whiteley,1997-06-01 Although design has become eminently newsworthy among the general public in our society there is very little understanding to be found of the values and implications that underlie it Design generates much heat but little light we live in a world that h      **The Wabi-Sabi House** Robyn Griggs Lawrence,2004 A inspirational illustrated design handbook draws on the ancient Japanese art of imperfect beauty or wabi sabi and the aesthetic principles of Zen Buddhism to

explain how to create unique home spaces that incorporate salvage materials use artisan wares and remove clutter to present peaceful intimate rooms 20 000 first printing      **Designing the British Post-War Home** Fiona Fisher,2015-04-10

In *Designing the British Post War Home* Fiona Fisher explores the development of modern domestic architecture in Britain through a detailed study of the work of the successful Surrey based architectural practice of Kenneth Wood Wood s firm is representative of a geographically distinct category of post war architectural and design practice that of the small private practice that flourished in Britain s expanding suburbs after the removal of wartime building restrictions Such firms which played an important role in the development of British domestic design are currently under represented within architectural histories of the period The private house represents an important site in which new spatial material and aesthetic parameters for modern living were defined after the Second World War Within a British context the architect designed private house remained an important vehicle for the investigation of architectural ideas by second generation modernist architects and designers Through a series of case study houses designed by Wood s firm the book reconsiders the progress of modern domestic architecture in Britain and demonstrates the ways in which architectural discourse and practice intersected with the experience performance and representation of domestic modernity in post war Britain      *Paris* Lisa Davidson,Elizabeth Ayre,2011 Off the beaten path excursions insider tips not to be missed lists authentic experiences Cover      **A History of Interior Design** John F. Pile,2005 Delivers the inside story on 6 000 years of personal and public space John Pile acknowledges that interior design is a field with unclear boundaries in which construction architecture the arts and crafts technology and product design all overlap      Furniture + Architecture Edwin Heathcote,2002-10-04 Occasionally you come across a book that does everything it claims and then some This is one Blueprint Architects have been responsible for many of the modern furniture classics of the 20th century Mies s Barcelona Chair Eileen Gray s side table and Le Corbusier s chaise longue *Furniture and Architecture* takes a unique look at the relationship between architects and furniture design Focusing not only on classic mid 20th century design i e Eames Mies Le Corbusier and Gropius it also provides a unique insight into who will produce the next generation of classics by asking an international array of established designers to give their tips for the top young architect designers In addition it includes exclusive interviews with high profile architects as well as with key figures in furniture manufacture and retail A directory of specialist retailers who sell architect designed furniture makes this an invaluable resource for architects and the interested public The book includes comprehensive articles and images of popular modernist architects such as Erno Goldfinger Arne Jacobsen and Eero Saarinen It also features interviews with architects Alvaro Siza David Adjaye and Selfridges director Vittore Radice Lavishly illustrated with many full colour images Contains a directory of specialist retailers selling architect designed furniture      Robin and Lucienne Day Lesley Jackson,2001-03 Hailed as the British counterparts to Charles and Ray Eames Robin and Lucienne Day electrified the British design scene in the 1950s with their startling furniture and textile designs Indeed their influence over the next five

decades has been so profound that their early products were recently reintroduced by Conran's Habitat. Lucienne Day pioneered the introduction of modern abstract pattern design in the textile industry. Her fabrics which oscillate between bold geometric figures and more subtle abstract patterns were produced by companies as diverse as Heal's and Liberty of London. Robin Day's influential furniture designs pioneered the use of materials such as plywood, steel and plastic. His stacking polypropylene chair right is one of the best selling chairs in the world. Robin and Lucienne Day: the first ever full length monograph on their designs features never before seen archival material along with over 250 color images of the full range of their work including furniture, ceramics, textiles, wallpaper, interiors, appliances, exhibit designs and graphics. Spanning a half century's creative output, no designer will fail to be awed by the genius seen in this book. Country Home, 2004
